Re: 6/20/2023 Fullerton City Council meeting

Agenda Item Number 15

Currently as adopted by City Council Resolution 2013-42, there exists 2 Taxi Parking Only spaces in front of Train Station at 120 E Santa Fe Avenue; that is working conveniently for both the taxicab drivers and taxicab riders.

After reviewing the details of file number 23-0355 and its attachments (062023 CED 1-15), the Project Plan proposes no Taxi Parking Only spaces in the Train Depot Parking Lot Improvements (0262023 CED number 9, page 20, Drawing Number CO1.1).

I urge this Council to continue adopting its resolution 2013-42 and provide Taxi Parking Only spaces in the Train Depot Parking Lot Improvements.
