

RESOLUTION NO. 2017-XX

A RESOLUTION OF THE CITY OF COUNCIL OF THE CITY OF FULLERTON, CALIFORNIA, ESTABLISHING FEES AND CHARGES FOR ANIMAL CONTROL SERVICES AND AMENDING RESOLUTION NO. 2017-40 ESTABLISHING FEES AND CHARGES FOR MUNICIPAL SERVICES

THE CITY COUNCIL OF THE CITY OF FULLERTON HEREBY RESOLVES AS FOLLOWS:

WHEREAS, California State law authorizes the City of Fullerton to collect fees and charges for services, provided such fees and charges do not exceed the reasonable cost of providing the services; and

WHEREAS, the City of Fullerton contracts with the County of Orange, specifically OC Animal Care (OCAC), for all animal care sheltering and field services; and

WHEREAS, the Orange County Auditor Controller completed a comprehensive review of all OCAC user fees charged to the public, and the purpose of the Fee Study was to calculate the full cost of all fee-related services provided to the public (including residents of contract cities), determine the percentage of cost recovery using current fees, and evaluate changes to current fees to improve cost recovery; and

WHEREAS, the City Council desires to reduce the General Fund subsidy of animal control services as it is a private activity to the greatest extent possible; and

WHEREAS, the City will continue to use General Funds to subsidize these services beyond the revenue generated from license fees due to non-compliance with County licensing requirements in addition to the ten-year City contribution towards the new animal shelter, thereby continuing a substantial public benefit use of General Funds for the overall activity.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Fullerton as follows:

Section 1: The fee(s) for animal licensing shall be established as provided in Exhibit A attached hereto and incorporated into this Resolution.

Section 2: The fees shall become effective on February 1, 2018.

Section 3. Section 1 of Resolution No. 2017-40 is hereby amended to include the fees established herein.

ADOPTED BY THE FULLERTON CITY COUNCIL on December 19, 2017.

Notes:

* Recommended fees based on 2017-18 Full Cost Recovery Fees as determined by Orange County Auditor-Controller Fee Study

Note 1 - Per CA Food and Agri. Code § 30804.5, fees for sterilized animals shall be issued at no more than 50% of the fee for unsterilized animals.

Note 2 - Sr. Citizen fee for sterilized animals is equal to 50% of the regular fee for sterilized animals.

Note 3 - The Application fee is a non-refundable deposit toward the license fee.

Note 4 - Penalty Fee is 25% of fee for animal business licenses not renewed within 30 days after expiration of the previous license, or for licenses not timely obtained.

Note 5 - Circus fee is an hourly rate; the fee will be a billing by hour or portion thereof at an hourly rate of \$145 for Business License staff time; and at a rate of **\$123.00** for Veterinary Services staff time.

Note 6 - Rodeo fee is an hourly rate; the fee will be a billing by hour or portion thereof at an hourly rate of \$145 for Business License staff time;

Note 7 - Vet Services - Other Procedures (Column G amount) is an estimate based on the current fees and fee units reported in Chameleon Sys. Account Code Summary Report (FY 2014-15).

Vet Services - Other Procedures (Column H amount) is the sum total of a separate fee calculation for each of these fees, using the Vet Services hourly rate plus actual cost of supplies.

Note 8 - Per program staff, there is no S&EB or S&S related cost relating to this fee.

Currently Minor grooming is performed by volunteers.

Note 9 - Per program staff, there is no staff program related cost associated with this fee.

Note 10 - Program plans to charge the emergency veterinarian service at actual cost. The \$100 rate is only for the estimates, subject to change during contract negotiations with vendors.

Note 11 - The total does not agree to the \$17,244,201 of User Fee Related Service Costs in Attachment A. This is due to the various methodologies in the fee calculations. Variance is within a reasonable amount.
