WHEREAS, the Original Lease will expire on November 20, 2025 (the "**Original Lease Expiration Date**"), and the Parties mutually desire to enter into this Agreement as a replacement agreement effective the day immediately following the Original Lease Expiration Date. Thereafter, the Original Lease shall be null and void, and Tenant's occupancy at the Property shall be subject to the terms and conditions contained herein.

1. PREMISES

Landlord hereby leases to Tenant a portion of that certain parcel of real property (the entirety of Landlord's property is referred to hereinafter as the "**Property**" and is more particularly described in Exhibit "A" attached hereto) containing approximately 1045 square feet, located at 3151 N. Euclid Street, Fullerton, California, for the installation and maintenance of improvements, personal property and facilities necessary to operate its communications system, including, without limitation, radio transmitting and receiving antennas, microwave dishes, tower and base, equipment shelters and/or cabinets and related cables and utility lines and a location based system, including, without limitation, antenna(s), coaxial cable, base units and other associated equipment (collectively, the "**Telecommunication Facilities**"). In addition, Tenant has a non-exclusive license for ingress and egress, over, under, or along a 20 foot wide right-of-way extending from the nearest public right-of-way, to the leased premises for access being substantially as described herein in Exhibit "B" attached hereto and made a part hereof, said demised premises and right-of-way (hereinafter collectively referred to as the "**Premises**").

2. TERM

This Agreement shall be effective as of the date of execution by both Parties, provided, however, the initial term shall be for five (5) years ("**Initial Term**") and shall commence on the Commencement Date (as hereinafter defined). The "**Commencement Date**" is defined as the day immediately following the Original Lease Expiration Date. Upon expiration of the Initial Term or Renewal Term, this Agreement will automatically renew up to a maximum of Three (3) times for five (5) additional years each (each additional five (5) year term shall be defined as a "**Renewal Term**") unless Tenant delivers to Landlord written notice of termination at least six (6) months prior to the end of the Initial Term or the then existing Renewal Term. The Initial Term and any Renewal Terms are collectively referred to as the "Term."

3. CONSIDERATION

Commencing on the first day of the month following the Commencement Date (the "**Rent Commencement Date**"), Tenant will pay Landlord a monthly rental payment for the Premises of Five Thousand and No/100 Dollars (\$5,000.00) ("**Rent**"). Thereafter, Rent is due and payable monthly in advance on or before the anniversary date of the Rent Commencement Date.

4. INCREASE IN RENTAL RATE

In year two (2) of the Initial Term, and each year thereafter, including throughout any Renewal Terms exercised, the yearly Rent will increase by three percent (3%) over the Rent paid during the previous year on the anniversary of the Rent Commencement Date. In the event of any overpayment of Rent prior to or after the Effective Date, Tenant shall have the right to deduct from any future Rent payments an amount equal to the overpayment amount.

5. USE AND GOVERNMENTAL APPROVALS

- A. Solely for Telecommunications. Tenant shall use the Premises solely for the transmission and reception of communications signals and the installation, construction, maintenance, operation, repair, replacement and upgrade of the Telecommunication Facilities.
- B. Agreement is not Regulatory Approval. This Agreement and specifically the requirements of this Section do not address or alter the Landlord's building and planning approval and permit process. As such, Tenant must abide by the Landlord's regular procedure and schedule for permit and land use approvals.
- C. Landlord Access to Property. The City reserves the right at any time to make alterations, additions, repairs, removals, and improvements to all or any part of the Property for any operational purpose. City and its designated agents have the right of access to any part of the Property (excluding the Premises) for any purpose provided that City shall take reasonable steps not to disrupt Tenant's normal use of the Telecommunication Facilities.

- D. Tenant Access to Property. Tenant, Tenant's employees, and authorized contractors, or subcontractors, shall have access to the Premises upon 72 hours prior notice to the City, twenty-four (24) hours a day, seven (7) days a week at no charge. Tenant is not required to provide such notice in the case of an emergency. To avoid delays in noticing, City encourages the Parties to agree to a schedule of those dates and times at which Tenant will access the Premises.
- E. Tenant to Maintain Premises. Tenant will maintain the Premises in a good condition reasonable wear and tear excepted. Landlord will maintain the Property, excluding the Premises, in good condition, reasonable wear and tear excepted. Each Party shall perform maintenance on its own accord and in no event later than twenty (20) days after receiving written notice from the other Party regarding a need for such maintenance unless a dangerous condition (including but not limited to fire, structural collapse, loose/falling antenna) is reported in which case the noticed Party shall have forty-eight (48) hours to address the dangerous condition.
- F. Tenant May Apply for Governmental Approvals. It is understood and agreed that Tenant's ability to use the Premises is contingent upon its obtaining after the execution date of this Agreement all of the certificates, permits and other approvals (collectively the "**Governmental Approvals**") that may be required by any Federal, State or Local authorities as well as satisfactory soil boring tests which will permit Tenant use of the Premises as set forth above. Landlord, in Landlord's capacity as property owner and not in regard to Landlord's powers as a municipal corporation with land use powers, shall take no action which would adversely affect the status of the Property with respect to the proposed use by Tenant. Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Government Approvals for Tenant's use and agrees to reasonably assist Tenant with such applications and with obtaining and maintaining the Government Approvals. Tenant acknowledges and agrees that Landlord is not making any representation, warranty, or guarantee regarding any Governmental Approval required for Tenant's use.
- G. Landlord May Still Improve Property. Notwithstanding the foregoing, nothing in this Agreement prevents Landlord from construction, repair, alteration, or modification of any portion of the Property or improvements thereon. Any construction, repair, alteration, or modification of the Property or improvements thereon shall be done at Landlord's sole cost except for any work related to the Telecommunications Facilities or Premises for which Tenant shall remain responsible. In the event Landlord's construction, repair, alteration, or modification of the Property or improvements thereon is necessitated by

Tenant's use of the Premises or Telecommunications Facilities, Tenant shall be solely responsible for the costs of such construction repair, alteration, or modification made by Landlord. Tenant shall fully and promptly pay for all utilities furnished to the Premises for the constructing, maintaining, and operating of the Telecommunication Facilities. If permitted by the local utility company servicing the Property, Tenant will install a separate meter for the measurement of electric power and will pay for the electricity used by Tenant. If installation of a separate meter is not permitted by the utility, Tenant shall furnish and install, at its sole cost and expense, an electrical sub-meter at the Premises, for the measurement of electrical power used by the Tenant, in which event, Tenant shall reimburse Landlord for such utility usage at the same rate charged to Landlord by the utility service provider. Landlord shall maintain accurate and detailed records of all utility expenses, invoices and payments applicable to Tenant's reimbursement obligations hereunder. Within fifteen (15) days after a request from Tenant, Landlord shall provide copies of such utility billing records to the Tenant in the form of copies of invoices, contracts and cancelled checks. If the utility billing records reflect an overpayment by Tenant, Tenant shall have the right to deduct the amount of such overpayment from any monies due to Landlord from Tenant.

- H. Tenant May Restrict Access. Tenant, at its expense, may use any and all appropriate means of restricting access to the Telecommunication Facilities, subject to Landlord approval.
- I. Modifications to Wireless Facilities. Tenant shall have the right to replace, repair, or otherwise modify the Telecommunication Facilities or any portion thereof during the Term of this Agreement, provided Tenant ensures that such modifications or additions will not interfere with other then existing systems on the Property and does not exceed the Premises. Before commencing any subsequent alterations to the Telecommunications Facilities, Tenant shall have obtained all required governmental approvals, including those of Landlord, in its capacity as regulator. Further, upon request of Landlord, as property owner, Tenant shall submit specifications and plans for Landlord's written approval, which approval shall not be unreasonably withheld, conditioned, or delayed, at no additional cost to Tenant.

6. CONDITION OF PREMISES

Tenant has inspected and hereby accepts the Premises in the condition existing as of the date of execution hereof, subject to all applicable laws and regulations. Except as expressly provided in this Agreement, Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the condition of the Premises or the suitability thereof for the conduct of Tenant's business,

nor has Landlord agreed to undertake any modification, alteration or improvement to the Premises.

7. LANDLORD'S RIGHT OF INSPECTION

Landlord, through its employees/agents, reserves the right of entry to enter in and upon the Premises at all reasonable times during the Term of this Agreement for the purpose of the inspection of the Premises upon seventy-two (72) hours prior notice to Tenant and Tenant having the opportunity to have its representative present, provided however, Landlord will not alter the Telecommunication Facilities or unreasonably interfere with the operations thereof. Landlord reserves the right of entry to the Premises in the case of an emergency, provided Landlord shall give notice to Tenant promptly after such emergency entry describing the nature of the emergency and the actions performed by Landlord to address such emergency. For purposes of this paragraph, "emergency" shall mean an imminent threat of property damage or harm to persons.

8. TAXES

Tenant's possession of the Premises may be subject to taxation under California Revenue and Taxation Code section 107 et seq. Tenant shall be solely responsible for and shall promptly pay any such taxes attributable to Tenant's improvements on the Premises.

9. INDEMNIFICATION

Tenant agrees to defend, indemnify and hold harmless Landlord, its elected officials, officers, agents, volunteers and employees from any claims, losses, damages, costs, expenses, liabilities, causes of action, fines or penalties, including but not limited to attorney's fees (collectively "**Claims**") for personal injury or death or damage to property incurred by Landlord arising out of or related to the activities and operations of Tenant or its officers, agents or employees on the Property or Premises, whether such activities or operations are authorized by this Agreement or not. The defense obligation provided for hereunder shall apply without any advance showing of negligence or wrongdoing by Tenant. Further, Tenant shall pay for any and all damage, loss or theft to the property of Landlord to the extent such damage, loss or theft is related to the activities and operations of Tenant or its officers, agents and employees on the Property. Landlord shall not be responsible for any loss or damage to any property owned or controlled by Tenant that is situated on the Property, except to the extent such damage is caused by Landlord, its elected officials, officers, agents, employees, contractors or subcontractors. The indemnification obligations of this paragraph do not apply to any Claims to the extent such Claims are attributable to the negligence or willful misconduct of Landlord or any of its elected officials, officers, agents, volunteers or employees.

The indemnities set forth in this Section shall survive the expiration or termination of this Agreement.

10. INSURANCE

Notice of the Tenant's exercise of its right to terminate shall be given to Landlord in writing by certified mail, return receipt requested, and shall be effective upon the mailing of such notice by the Tenant. All Rent payments made to said termination date shall be retained by the Landlord. Upon such termination, this Agreement shall be of no further force or effect except to the extent of the representations, warranties and indemnities made by each Party

to the other hereunder. Otherwise, all the Parties shall have no further obligations including the payment of money, to each other.

12.REMOVAL UPON TERMINATION

Tenant, upon termination of the Agreement, shall, within sixty (60) days thereafter, remove any improvements it has installed on the Property, including but not limited to building(s), structures, fixtures and all personal property, and otherwise restore the Premises to its original condition on the date of execution of this Agreement, reasonable wear and tear and casualty excepted.

14.INTEGRATION

This Agreement contains all agreements, promises and understandings between the Landlord and Tenant and no verbal or oral agreements, promises or understandings shall be binding upon either the Landlord or Tenant in any dispute, controversy or proceeding at law, and any addition, variation or modification to this Agreement shall be void unless made in writing and signed by the Parties.

15.SEVERABILITY

If any provision of the Agreement is found to be invalid or unenforceable, such finding shall not affect the validity and enforceability of the remaining provisions of this Agreement.

16.NO WAIVER

The failure of either Party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights under the Agreement shall not waive such rights and such Party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Agreement, either in law or in equity.

19. SUBLEASING/COLLOCATION

Tenant may sublease any portion of the Premises at its discretion and with immediate notice to Landlord provided that either (a) the sublease requires payments at a rate that is no less than half of the Rent; or (b) Landlord grants written permission in writing regarding the amount of compensation to be paid to Landlord. Any sublease that is entered into by Tenant shall be subject to the provisions of this Agreement and shall be binding upon the successors, assigns, heirs and legal representative of the respective parties hereto.
