We urgently need your assistance with an issue at the Fullerton Community Center. The double doors leading from the Grand Hall to the service gate area have a malfunctioning middle metal bar that is not staying in place. As a result, we are unable to properly secure this entrance. We would greatly appreciate your prompt attention to this matter.

Work request 2050 Youth Way Bldg 2			
We had our annual fire inspection today. They noted that we have 2 emergency exit/lights that are out of batties. They said that it's a specialized battery so I'm thinking you probably have them in stock and it's a quick fix. I'm attaching pics so that you can see which units need batteries. One is at the back wall (with the dolphins) and one is in the toddler room right where it connects to the hope center hallway.

Agenda Report

Parks and Recreation Commission

MEETING DATE: OCTOBER 14, 2024

TO: PARKS AND RECREATION COMMISSION

SUBMITTED BY: DAISY PEREZ, DEPUTY CITY MANAGER

PREPARED BY: CHRISTIAN HERNANDEZ, PARKS AND RECREATION MANAGER

SUBJECT: RENAME VALENCIA PARK TO TOMMY LASORDA PARK

SUMMARY

The City of Fullerton is proposing the renaming of Valencia Park to Tommy Lasorda Park to honor the legacy and contributions of Tommy Lasorda, a long-time Fullerton resident and Major League Baseball Hall of Famer. This renaming recognizes his connection to the community, his passion for youth sports, and his lasting legacy in the city.

RECOMMENDATION

Approve the renaming of Valencia Park to Tommy Lasorda Park.

FISCAL IMPACT

There is no additional fiscal impact associated with the renaming of Valencia Park to Tommy Lasorda Park. A new monument sign was already part of the park improvement project funded through the Community Development Block Grant (CDBG), and the renaming will simply be reflected on the new sign.

BACKGROUND

On July 17, 2018, the Fullerton City Council adopted Resolution 2018-47, which adopted certain policies, objectives, and principles, as a guide for the naming of public parks and recreation facilities. As stated in the resolution, the City of Fullerton Park and Recreation Commission (Commission) shall assume the responsibility for the naming of all public parks and recreation facilities within the corporate limits of the City of Fullerton. The Commission shall review all recommended names and make their recommendations to the City Council for the Council's review and final adoption.

As outlined in Resolution 2018-47, public parks and recreation facilities adjacent to a

school may be named:

- a. After California native trees
- b. After significant leaders and events in the history of Fullerton, State of California or United States of America
- c. After individuals or groups that dedicate services, land, facilities, or funds to the City of Fullerton
- d. To describe the flora of the area, or any unique or distinct geographical or environmental location
- e. After prominent individuals with a Fullerton connection that represent or exemplify a highly valued ideal to be commemorated.

Tommy Lasorda, a Fullerton resident for over 50 years, was an iconic figure in Major League Baseball. As the manager of the Los Angeles Dodgers for over 20 years, he led the team to two World Series titles and was inducted into the Baseball Hall of Fame. Lasorda's influence extended beyond baseball, as he was an active supporter of community activities and youth sports in Fullerton. He often used his platform to inspire youth, embodying a philosophy of hard work and self-belief that resonated throughout the community.

In 2021, the City of Fullerton declared September 22nd as Tommy Lasorda Day. Since his passing, Lasorda's deep connection to Fullerton has been celebrated annually through the Tommy Lasorda Day Festival, with the City hosting its 3rd annual event in 2023. The festival, held on September 22nd in honor of Lasorda's birthday, features live music, community baseball games, and activities for residents of all ages. The event underscores Lasorda's ongoing impact on Fullerton, fostering a sense of community and pride.

Staff recommends renaming Valencia Park to Tommy Lasorda Park in recognition of Tommy Lasorda's contributions to the sport of baseball and the Fullerton community. Valencia Park, a 3.93-acre neighborhood park located in an area with limited open green space, provides an ideal venue for renaming in Lasorda's honor. Many of the park's amenities are over 20 years old and in need of significant renovation. In 2023, the City of Fullerton secured Community Development Block Grant (CDBG) funding to implement critical improvements, including restroom renovations, ADA compliance upgrades, new turf installation, re-striping of the basketball court, and the replacement of drinking fountains, benches, and tables. A new playground is also planned, and staff is currently applying for a Kaboom playground grant to further enhance the site with modern, inclusive play equipment.

The renaming of Valencia Park to Tommy Lasorda Park would be accompanied by the installation of a new monument sign, which was already planned as part of the park improvements. The name change would honor Lasorda's legacy while enhancing a valuable community space that serves as a central gathering place for local residents.
