Hello,

The Orange County Board of Supervisors has approved the 2025 Prop 69 award. Attached you will find the documentation for the Board actions and the master claim form with instructions. Please note that it is expected that the award will be expended and claimed within 18 months (August 2027).

If you have any questions or concerns, please let me know.

Subject: Prop 69 2025 Award Notification-Fullerton

Thank you for your interest in the County's Prop 69 Funding Request opportunity.

The Prop 69 Committee has completed their review of the Funding Requests received. The total amount of the requests exceeded the available funding for the 2025 allocation. As such, each request was carefully discussed with a focus on the benefit to the overall DNA program in Orange County. I'm pleased to inform your organization of the Prop 69 Committee's recommendation for approval for the following:

Description	Awarded
Fume Hood w/Blue Flammable Storage Cabinets	\$16,000
Crime-Lite 82S Pro CSI Kit	23,200

Total: \$39,200

Final approval is still required by the County's Board of Supervisors, which is scheduled for January 27, 2025, with the Mid-Year Budget Report. Once final approval is received, I will follow up with a confirming email and claiming instructions.

Thank you for your continued efforts in supporting your DNA Program. I am available should you have any questions during this process. I can be reached at (714) 834-5302 or via email at bertalicia.tapia@ceo.oc.gov
