After the Initial Term, this Agreement may be renewed for no more than two (2) successive terms of **12 months** each (a "Renewal Term"), upon at least 60 days' written notice by the Customer. The Agreement is subject to the right of either party to cancel renewal at any time upon at least 60 days' written notice. Statement of Work | City of Fullerton

Introduction

The purpose of this Statement of Work (SoW) document is to clearly define the Implementation, Training and Support.

1. Implementation:

First Due works very closely with you to ensure the application is ready for go-live. During the Implementation you will be assigned a Client Success Manager and Implementation Manager who will lead you through the process. Below is a description of each component of our implementation.

- a) **Discovery & Planning:** During a project kick-off meeting we will flesh out the key components of the configuration, customer stakeholders and project timelines. After this stage we will have a clear plan to when and how your agency will be live with First Due.
- b) **Configuration:** First Due is an out-of-the box system but can be configured for your Agency's needs. Our team will work with you to configure all the parts of the application necessary for go-live and beyond. These configuration sessions will generally occur weekly, and act as administrator training.
- c) **Optimization:** Once the account is configured, we will arrange a small end-user testing group to begin to use the application out-in-the-field. This is an iterative process in which we listen to feedback and make adjustments to the product on the fly.
- d) **Training:** Once we have sign-off the product is ready for go-live we will build the necessary training plan together, which may include train-the-trainer sessions, end user training, training videos/content or even onsite sessions. The training section below provides more detail on included training.
- e) **Roll Out:** After training is complete, we are ready to roll-out the platform. We will work closely with you to ensure First Due is rolled out effectively across your agency.
- f) **Support:** Once we achieve sign-off that the system is live and stable, we will transition to support (as described in the support section below). However, you will continue to have a dedicated Client Success Manager moving forward.

2. Training:

Training is an integral part of any successful implementation. First Due is focused on providing your agency adequate training to ensure effective user adoption of the platform.
