Hi, Please see the attached photos for your reference. A patron and a staff member informed me this morning that the Fitness Room has been warm by the entrance of the Fullerton Community Center Gymnasium. I attempted to lower the temperature, but the thermostat displayed 55.5°F before reverting back to 75.6°F. It also appears that the thermostat controls are not working—the buttons to adjust the temperature do not seem to work. We would appreciate it if this issue could be checked out at your earliest convenience. Please feel free to contact Joanna, Alma, or me at the time of service. Thank you,

Hello Maintenance, can we please get your assistance installing a grab bar that fell off from one of the stalls in the women's restroom by the main hallway at the Fullerton Community Center. Bar is in Miriam's office. Please see attached photo for your reference. Please check in with me or Joanna Sanchez at the time of service.

Thank you,
Alma Peralta 714.738.5365

Hello,

Please and kindly send someone over to repair the Malfunctioning Soap Dispenser in Men's Bathroom at Hunt Library.
The soap is not coming out and seems jammed.

Thank you so much.

TO: PARKS & RECREATION COMMISSION

SUBMITTED BY: EDGAR ROSALES, SR. ADMINISTRATIVE ANALYST

PREPARED BY: RACHEL CASTANON, ADMINISTRATIVE ANALYST

SUBJECT: MEMORIAL BENCH DONATION

SUMMARY

Fullerton resident would like to donate a memorial bench at Hillcrest Park in memorial of their late mother.

RECOMMENDATION

Approve and accept the donation of the memorial bench to be located at Hillcrest Park.

FISCAL IMPACT

Residents may have a memorial bench installed with a donation amount of \$3,200. This fee includes purchase, installation, and annual maintenance of donation.

DISCUSSION

Individuals may donate a memorial bench, kiosk, or tree for placement in a Fullerton city park, pursuant to Fullerton City Council Resolution No. 10-37 and the subsequent Parks & Recreation Memorial Tree, Kiosk and Bench Policy.

The Budde Family has applied to donate a memorial bench at Hillcrest Park. The bench will provide additional seating near the upper picnic area of Hillcrest Park.

SUBJECT: REVIEW OF FY 2025-26 PARKS & RECREATION
OPERATING BUDGET

SUMMARY

Review of the Parks and Recreation Department's proposed operating budget budget for Fiscal Year (FY) 2025-2026.

RECOMMENDATION

Recommend approval of the Parks and Recreation Department's proposed operating budget and for FY 2025-2026 to City Council.

FISCAL IMPACT

The total increase in the proposed Parks & Recreation budget is \$87,495 across all funds, decreasing by \$27,990 in the General Fund.

BACKGROUND

The 2025-26 FY begins on July 1, 2025 and ends of June 30, 2026. The City's FY 2025-26 operating and CIP budgets will be presented to the City Council on May 13, 2025 at the budget study session. The City Council will hold a public hearing on the City budget in June before adoption. The Infrastructure and Natural Resources Committee (INRAC) reviewed the proposed City CIP budget, including the Parks projects, at their meeting on April 21, 2025. INRAC is recommending approval to the City Council pending approval from the Parks and Recreation Commission.

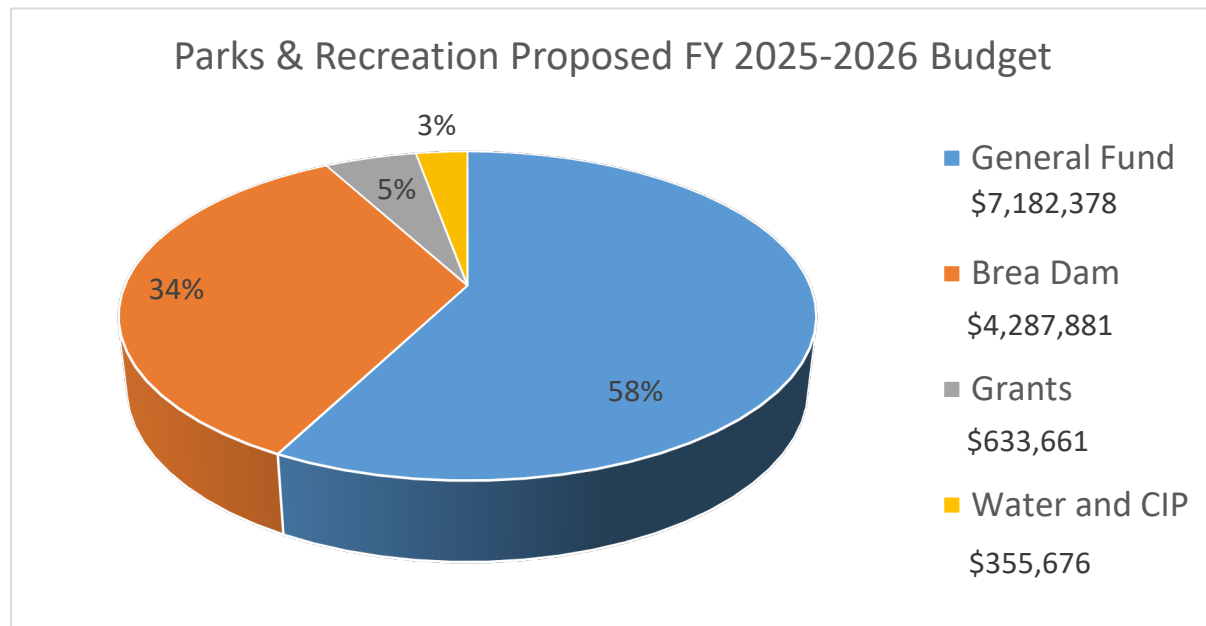

PARKS & RECREATION DEPARTMENT OPERATING BUDGET

The Parks and Recreation Department submitted a proposed FY 2025-26 operating budget of \$12,459,596. The total budget including all funds is 0.7% or \$87,495 higher than the current FY 2024-25 budget. The table below summarizes the proposed 2025-26 budget and compares it to the current 2024-25 budget.

All Funds	FY 2024-25	FY 2025-26	Change
Expenditures	\$12,372,101	\$12,459,596	0.7%
Revenue	<u>(6,160,877)</u>	<u>(6,231,847)</u>	1.2%
Net Cost / Subsidy	\$6,211,224	\$6,227,749	0.3%

The Parks and Recreation Department's budget includes several funding sources including City subsidy and revenue. In the proposed 2025-2026 budget, revenue will make up 50% of the department's budget. The remaining 50% of the budget will come from the General Fund and Water Fund.

The Parks & Recreation Department's total budget is depicted in the pie chart below.

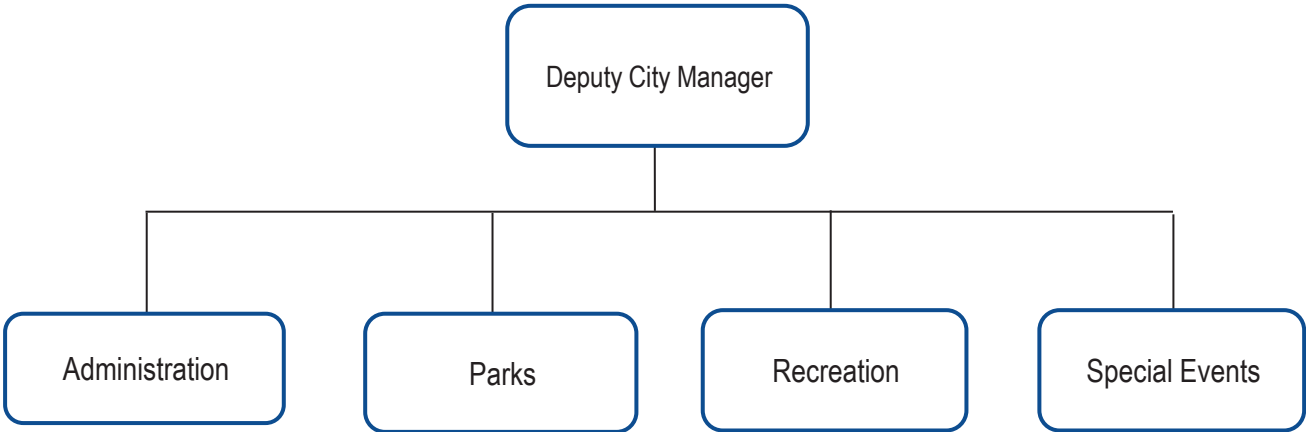

The proposed 2025-26 Parks and Recreation budget includes two key enhancements: the opening of the Independence Park gymnasium and the expansion of programs at the Fullerton Tennis Center. These additions will provide residents with greater access to fitness opportunities.

FISCAL YEAR 2025-26

FY 2025-26 Department Goals & Initiatives

Parks & Rec Administration

- Streamline processes to improve efficiency in managing park facilities and capital projects
- Increase utilization of websites and social media platforms to highlight available programs, services, and park amenities available in our community
- Successfully secure funding for park improvement projects through collection of Park Dwelling fees (including ADU's > 750 sq feet) and grants, ensuring financial resources are allocated for key upgrades and enhancements
- Identify new revenue streams through program fees, special events, partnerships, lease negotiations, and facility rentals
- Complete construction of Union Pacific Trail Phase 2 and UP Park

Parks, Fields & Trails

- Complete an inventory of sports field infrastructure and create a priority list for repairs and renovations.
- Increase weekend patrol of our Parks and Trails to include full day coverage.
- Increase the Lions Field rental revenue by 10%.
- Revamp the Adopt-A-Park program and promote through schools and organizations
- Ensure the equitable distribution of the City's Sports Fields to local youth sport organizations per the Department's Field Allocation Policy.
- Expand adult sport program(s) and offerings to enhance community engagement
- Reopen Independence Park gym and complete Independence Park master plan
- Expand access to the Tennis Center by offering additional classes, camps, and private instruction; explore addition of pickleball courts

Recreation Programs & Fullerton Community Center

- Provide recreational, educational, and wellness activities that enhance the well-being of older adults in Fullerton. Expand Senior Mobility Program and provide upgraded transportation options to seniors.
- Offer cultural events, language classes, and heritage celebrations that celebrate the diversity of Fullerton's population, fostering cultural understanding and community cohesion.
- Promote affordable and accessible initiatives to support the independence and well-being of Fullerton's aging population.

CITY OF FULLERTON

PERFORMANCE MEASURES

Performance Measures are quantifiable metrics collected throughout the fiscal year regarding the City's operational activities and achievement of goals to gain a better understanding of the City's condition and operations and assess effectiveness of Citywide goals. These data driven metrics assist departments to monitor and track operations and to make informed decisions. Performance Measures were submitted by departments during the annual budget process to align City Council priorities to their respective operations.

Fullerton's City Council identified three top priorities that are important to the organization and the community: **Fiscal and Organizational Stability, Public Safety, and Infrastructure**. In addition to City Council's top three priorities, the City identified other key priority areas during the Fiscal Year 2024-25 budget development process, such as: **Organizational Efficiencies, Community Preservation, and Community Services & Events**. These priorities in conjunction with Council's top three priorities serve as a roadmap for the upcoming fiscal year and focus areas for City departments. Every department established performance measures to align with these City priorities to better track and monitor progress.

FISCAL IMPACT

None.

BACKGROUND

The City of Fullerton boasts a diverse array of public parks, offering recreational opportunities for residents and visitors alike. Fullerton's 53 parks vary in size and amenities, providing spaces for sports, picnics, walking trails, and community events.

The restrooms at various parks vary in cleanliness, availability, vandalism, and maintenance. Staff make a great effort to report issues daily; however, due to the high volume of use, some restrooms are in better condition than others, depending on the location of the park within the City. The hours of operation for each restroom vary to prevent vandalism before the public uses them. For example, restrooms located at athletic parks are opened in the afternoon for the sports teams use. Restrooms located in neighborhood parks are open all day.

All park restrooms are cleaned daily by a third-party contractor hired by the City. The contractor cleans the restrooms each morning before opening. Staff are provided with

daily or weekly updates on restroom conditions and any vandalism found within the restroom space.

Vandalism continues to affect the park's restroom facilities at every location. Due to ongoing vandalism at several parks, some restrooms have been closed or remain out of service for an extended period. Brea Dam Park is an example of ongoing vandalism in the restrooms, causing significant damage and resulting in the closure of the facilities. To prevent further vandalism, staff have installed iron gates on the outside of the restroom doors, which have effectively prevented individuals from gaining access to the restrooms when they are closed.

The Public Works Department has recently completed two ADA restroom conversions at Chapman Park and Valencia Park. Initially, the restrooms at each park had two stalls and a hand-washing sink for men's and women's use. With the ADA conversion, the toilets are now unisex and have one ADA stall and a handwashing sink. The approximate cost for each restroom renovation is \$200,000. The feedback from the public has been mixed due to the downsizing of toilet stalls and the increase in individuals locking themselves in the restroom for an extended period.

City staff have explored alternative options for future park restroom projects. Below are a few options:

Prefabricated Restrooms: Prefabricated restrooms are tailored to the specific needs of the City, depending on the placement in each park. The restroom is designed with input from the City to be multifunctional. The restroom is constructed using a modular approach, allowing for customization as needed. The final product is dropped in place, and you have a finished building. The existing restroom building would need to be demolished before final installation. The cost can vary significantly depending on the design of the restroom.

Self-Cleaning Restrooms: Self-cleaning restrooms have recently become an option for agencies when installing restrooms at local parks. With state-of-the-art technology, these restrooms have automatic cleaning after every use, remote control access, and a vandal-proof design.

Elevated Portable Restrooms: In the past, city staff have placed portable restrooms at various parks for programming or events. Throne is a company that offers a smart restroom at a cost-effective price. The throne restroom is a non-permanent restroom that is placed on a flat surface and provides a turnkey service. Access to the restroom is available by phone and utilizes data to provide valuable information to the City regarding actual use. There are no upfront costs to this restroom. The fees associated are for janitorial services, which can range from one cleaning per day to four cleanings per day. The price ranges from \$4,250 to \$8,000. Various customizations are available for the restroom. This option can be a great alternative in high-use parks without restroom access. Staff will be exploring a pilot program for Independence Park.

Reliable, safe, and accessible restrooms are essential for a high-quality park system. Addressing both immediate maintenance needs and long-term planning will ensure that Fullerton parks continue to meet the expectations of residents and visitors.
