# ***Agenda Report***

## ***Parks & Recreation Commission***

**MEETING DATE:** JUNE 10, 2024

**TO:** PARKS & RECREATION COMMISSION

**SUBMITTED BY:** DAISY PEREZ, DEPUTY CITY MANAGER

**PREPARED BY:** CHRISTIAN HERNANDEZ, PARKS AND RECREATION MANAGER

**SUBJECT:** POOCH PARK SITE OPTIONS

---

### **SUMMARY**

On March 21, 2023, the City Council rejected construction bids and allocation of park dwelling funds to relocate the Fullerton Pooch Park from Hunt Library Park to Brea Dam Park. The council also directed staff to return to the Parks and Recreation Commission for direction. On January 8, 2024, the Parks and Recreation Commission directed staff to seek alternative locations for Pooch Park. The staff has since been working with the Fullerton Dog Park Foundation to identify various locations that would be best suited for the relocation of the dog park.

### **RECOMMENDATION**

Recommend approval of one of the following options to the City Council:

1. Direct Staff to incorporate Pooch Park into the Independence Park Master Plan.

OR

2. Propose relocation of Pooch Park to an alternate location.

### **FISCAL IMPACT**

This action has no fiscal impact. Based on the direction provided, staff will return with a final concept plan prepared.

### **BACKGROUND**

The Fullerton Pooch Park was established in June 2007 by the Parks & Recreation Department on a temporary basis at the Hunt Branch Park and Hunt Branch Library

property. It became a permanent facility in 2009. It is very popular and has been in constant operation for six days a week since. The Pooch Park is 1.5 acres and divided into three fenced-in areas: a grass yard for large dogs, a grass yard for small dogs, and a wood chip yard for overflow or inclement weather. The Fullerton Dog Park Foundation operates Pooch Park through an operations agreement with the City. The Foundation has operated the Pooch Park for the City since 2011.

## DISCUSSION

The Fullerton Pooch Park is an extremely popular venue, extensively used by both residents and non-residents alike. It is an extremely popular outdoor destination, and in a typical summer, it is not unusual for hundreds of dogs to use the park on any given day.

With the repurposing of the Hunt Branch Library to a new public/private venue, library, and cultural center, the reduction of the footprint and relocation of the current Pooch Park has been heavily discussed.

As a result, the Parks & Recreation Department received direction from the City Manager's office to relocate Pooch Park. Several sites were reviewed, considering size, suitability, access, parking, shade, impacts to adjacent areas, existing infrastructure, amenities, and cost.

Independence Park, located at 801 W. Valencia Dr, has been identified as the best option for Pooch Park. With the pending upgrades to Independence Park, this site will be a destination park for members of the community and greater Orange County. In addition, with Union Pacific Trail being designed to begin or end at Independence Park, the Dog Park would be a valued amenity for all visitors with dogs.

Before allocating any additional costs to this project, the staff is seeking direction from the Parks and Recreation Commission on the future of Pooch Park. The commission may recommend that the City Council keep Pooch Park at its current location and make modifications at that site or relocate it to another location in the city.

## EXISTING POOCH PARK SITE UPDATES

Until the City Council approves a new location, staff proposes that the existing Pooch Park remain at its current location. City staff have met with the Fullerton Dog Park Foundation twice to discuss the current issues and possible relocation. Several issues were identified at the meeting that necessitate immediate attention to enhance the overall experience for both dogs and their owners.

During the most recent meeting on April 30, 2024, with the Pooch Park Foundation, the foundation expressed an interest in moving the dog park to Independence Park and reducing the footprint of the current location.

## RELOCATION OPTIONS

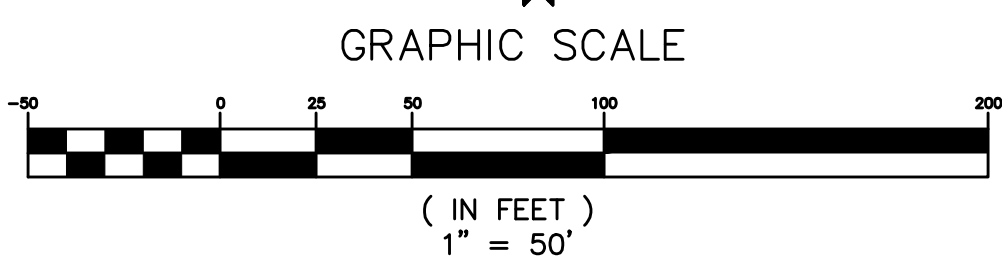

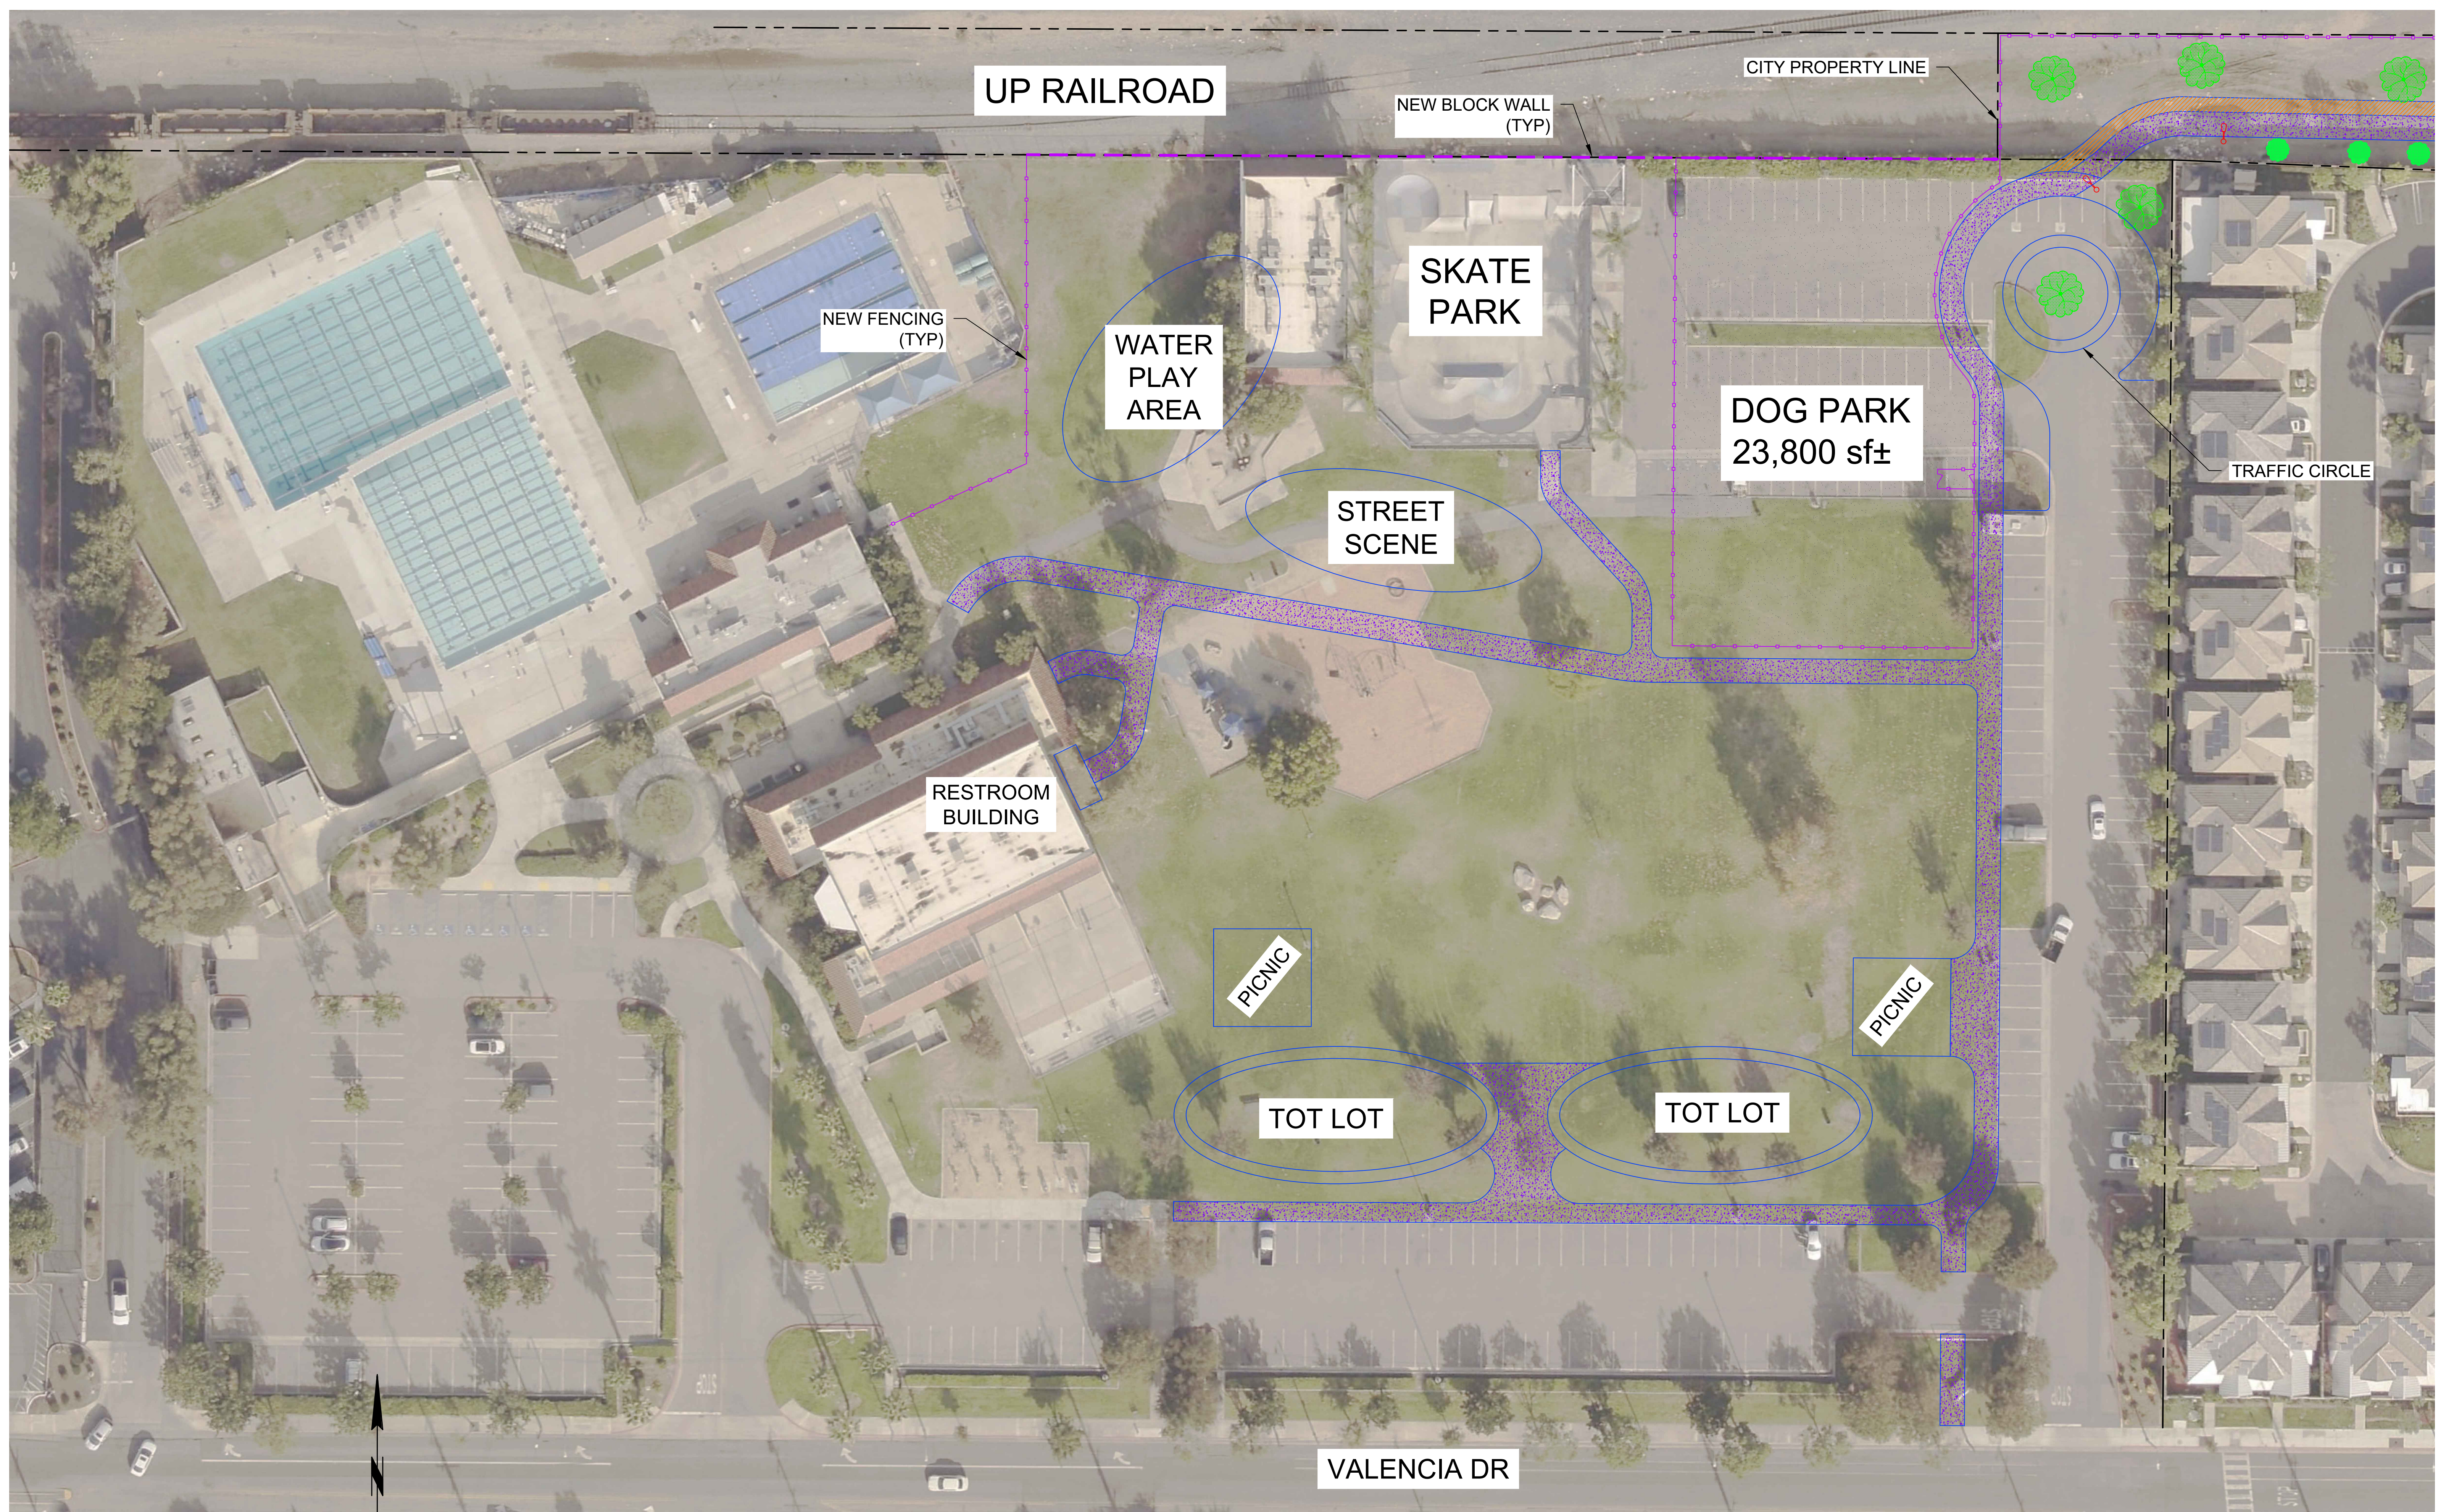

### 1. Independence Park

Staff is proposing to relocate Pooch Park to Independence Park. A small and large dog park would be incorporated into the Independence Master Plan. The dog park would be in the northeast corner adjacent to the skate park. The park would undergo a significant upgrade with a new playground, picnic shelters, demolition of the racquetball courts, a street element for the skate park, and a water feature. New restrooms will also be built, and seating areas will be provided throughout the park.

Staff members met with the Pooch Park Foundation and expressed support for this location. With the new amenities and upgrades being planned for Independence Park, adding the dog park would benefit the Fullerton community.
