October 3rd, 2024

To whom it may concern:

Decals/stickers applied to parking signs that are utilizing OL 1000 Anti Graffiti will not adhere well. We do not recommend that you apply any overlays to the signage as it will not stick and will peel off over a short time. The coating used in OL 1000 is made to make it easier to take off stickers and any graffiti that is applied to the signage.

Sincerely,

Jon C Adams
