Hello Maintenance Team,

There is a big hole in the fence behind the green storage bin leading to the train tracks and it is actively being used. If we could please get it repaired that would be greatly appreciated. Thanks

Fairly Urgent Work Request: 2050 youth Way, Bldg 2

We have a toilet in one of our classrooms which is currently running. I would say that it is running to a much more significant degree than might be typical. We tried to take a look at it ourselves, but I believe that some plumbing tools will be needed to fix it. This toilet is in classroom 3 (towards the back of the school.) It is in the stall on the left.

Hello Folks!

The crash bar at the north entrance door has been sticking and will no longer open with a key from the outside.

Can we get it looked at? It is the only entrance we can use to disalarm the place without setting off the alarm using another door.

Thanks!

SUBJECT: REVIEW OF FY 2024-25 PARKS & RECREATION
OPERATING BUDGET AND DEPARTMENT OVERVIEW

SUMMARY

Review of the Parks and Recreation Department's proposed operating budget and Capital Improvement Program (CIP) budget for Fiscal Year (FY) 2024-2025.

RECOMMENDATION

Recommend approval of the Parks and Recreation Department's proposed operating budget and CIP budget for FY 2024-2025 to City Council.

FISCAL IMPACT

The total increase in the proposed Parks and Recreation Budget is \$998,539 across all funds, \$594,540 in the general fund.

BACKGROUND

The 2024-25 FY begins on July 1, 2024 and ends of June 30, 2025. The City's FY 2024-25 operating and CIP budgets were presented to the City Council on April 23, 2024 at the budget study session. City Council comments related to Parks and Recreation were in support of bringing back special events for the community and additional security services at Hunt Library. The City Council will hold a public hearing on the City budget in June for adoption. The Infrastructure and Natural Resources Committee (INRAC) reviewed the proposed City CIP budget, including the Parks projects, at their meeting on April 15, 2024. INRAC is recommending approval to the City Council pending approval from the Parks and Recreation Commission.

PARKS & RECREATION DEPARTMENT OPERATING BUDGET

The Parks and Recreation Department submitted a proposed FY 2024-25 operating budget of \$12,253,295 with 21 full time employees. 7 of the 21 positions are currently vacant or underfilled. Total expenditures across all funds are 14.9% or \$1,598,489 higher than the current FY budget. Revenues across all funds are 9.8% higher or \$599,950 higher than current FY budget. The table below summarizes the proposed 2024-25 budget and compares it to the current 2023-24 budget.

All Funds	FY 2023-24	FY 2024-25	Change
Expenditures	\$10,654,806	\$12,253,295	15.0%
Revenue	<u>(6,151,988)</u>	<u>(6,751,938)</u>	9.8%
Net Cost / Subsidy	\$4,502,818	\$5,501,357	22.2%

The Parks and Recreation Department’s budget includes several funding sources including City subsidy and revenue. In the proposed 2024-2025 budget, revenue will make up 55% of the department’s budget. The remaining 45% of the budget will come from the General Fund, Brea Dam Fund and Water Fund.

PARK CIP BUDGET

Park CIP projects are typically funded by Park Dwelling fees, which are new housing development impact fees restricted to park improvement and acquisition including trails, facilities and open space. The Parks and Recreation department currently has a minimal amount of Park Dwelling funds due to Covid restrictions and a minimal amount of housing development in recent years. However, the department is expecting to receive a significant amount of funding in the upcoming years.

The Parks and Recreation Department currently has \$676,000 left in the Park Dwelling Fund. The table below shows projects that were budgeted for fiscal year 23-24 as well as the remaining available Park Dwelling fund balance.

Project Name	Budget	Status

Park Facility Improvements	\$125,000	In Progress
Independence Park Improvements (Concept Design and Demo)	\$60,000	In Progress
Current Park Dwelling Fund Balance	\$676,000	

After reviewing the needs of the parks and assessing the costs of those projects, Staff recommends the available Park Dwelling funds be used to construct a new playground at Emery Park as this project was previously approved by City Council in June of 2021 as an official park capital improvement project (Attachment 3).

Staff is also recommending the following projects be included in the budget for FY 2024-2025. The expenditures for these projects will be contingent on receipt of additional Park Dwelling funds.

Project Name	Budget	Status
Independence Park Renovation	\$2,000,000	Pending Approval
Lions Field Turf Replacement	\$2,000,000	Pending Approval

The Independence Park Renovation project will include the construction of Fullerton's 1st adaptive playground as well as outdoor restrooms, demolition of existing racquetball building, and landscape and irrigation renovations. Staff has submitted an earmark request to the Office of Congressman Correa for \$7.5 million to revitalize the gym and enhance amenities at the park. If successful, this will require a 20% local match (\$1.5 million).

The Lions Field Turf Replacement project aims to renovate existing artificial turf areas within Lions Field to enhance the aesthetic appeal, functionality, safety and sustainability of all turf areas. The existing field turf has exceeded its useful life. By replacing the current outdated and/or worn-out turf with high quality, resilient, and environment friendly alternatives, this project will create a vibrant, usable, and low maintenance green space that will benefit residents, visitors, and local user groups.

**SUBJECT: REQUEST FOR PARTNER GROUP STATUS – FULLERTON
CITY FOOTBALL CLUB**

SUMMARY

The Parks and Recreation Department has received an application on behalf of Fullerton City Football Club (FCFC) requesting an exemption to the one (1) year application date requirement of the Field Allocation to obtain Partner Group status for field allocations in the City of Fullerton. After reviewing the application and confirming the program is substantially different than other Partner programs within the City, the staff is seeking approval or denial of the request.

RECOMMENDATION

Consider approval of Fullerton City Football Club's application and consideration of Partner Group status for the Fullerton City Football Club.

FISCAL IMPACT

There is no fiscal impact associated with this action.

BACKGROUND

Per the Athletic Field Use and Allocation Policy A community youth sports organization seeking Partner group status must apply in writing to the Parks and Recreation Department at least one (1) year prior to the estimated starting date. A Partner application may be obtained by contacting the Parks and Recreation Department and must include information and documents evidencing the requirements set forth below,

with a detailed explanation describing the proposed field use and long-term growth intentions. The City will issue a receipt of acknowledgement within seven (7) days of receiving an application. City staff will review the application and will issue a written notice within thirty (30) days if an application is deemed incomplete or inaccurate. The applicant may submit a revised application. If an application is deemed complete and accurate by City staff, it will be scheduled for consideration by the Parks and Recreation Commission. The Parks and Recreation Commission shall approve an application only if it finds all of the following to be true: 1) Requirements A through D are met, 2) granting Partner status to the applicant will not overly burden the fields, and 3) granting Partner status will not negatively impact the field usage of existing Partners. The decision of the Parks and Recreation Commission shall be final.

FCFC is a youth soccer organization founded in 2024 which is led by volunteers committed to the development and well-being of our city's youth. It was created by a coach and parents whose children currently play with the existing soccer organization in Fullerton, Rangers FC.

DISCUSSION

In early 2024, Raymond Kim approached the Parks and Recreation Commission to discuss the possibility of forming a new soccer organization within the City of Fullerton, Fullerton City Football Club. At that time, Fullerton Rangers, the current soccer group in Fullerton, had been given multiple citations for violating the Athletic Field Use and Allocation Policy resulting in the loss of their Partner Group status.

Per FCFC application, the organization will provide a true “recreational” soccer program. FCFC primary goal will be for player development and enjoyment of the game. Every player in each team will play at least 50% of every game and no player will be cut from a team.

To promote fair and balanced teams, every FCFC player will participate in a player evaluation and be drafted onto a team in the fall season. Every registered player will be assigned to a team, regardless of their skill level. For the spring season, the director of coaching and director of registration will assign players to teams based on each player’s prior evaluations and ratings provided by coaches following the fall season. All registered players will be placed on a team, regardless of experience or skill level. Coaches will select players using a draft system. Select Head Coaches will draft players first. All players not drafted for a Select team will be drafted by a Recreational Coach.

For the Spring season, the Director of Coaches and the Director of Registrar will assign all registered (not frozen) players to teams. The Head Coach may freeze up to the number of players as indicated in table above. Permission of a parent or legal guardian is required to freeze a player. All proposed freezes are subject to the approval of the Director of Coaches. No player will be cut for poor performance.

Ages and Divisions

For its first operational year (Fall 2024 and Spring 2025 seasons), FCFC plans to provide soccer programs for ages 4 through 12 only. Over time, FCFC will provide soccer programs for ages 4 through 18 (subject to registration numbers), separated by gender beginning at the U-8 level.

Two Levels of Recreational Soccer:

FCFC will provide two categories of recreational teams: (i) Recreational; and (ii) Select. Generally, Recreational teams will be composed of beginner players who have limited soccer experience. Generally, Select teams will be composed of intermediate-recreational or advanced-recreational players who have played two or more seasons on a recreational team. FCFC players may only play on one team, Recreational or Select.

For the Fall season, to ensure fairness and balance amongst teams, FCFC teams will be formed following a player evaluation where registered coaches will evaluate and rate all registered players based on FCFC's Player Evaluation Matrix. The evaluation will be followed by a draft. Based on player evaluations submitted by coaches, players will be drafted onto a Recreational team.

Field Use Request

FCFC is requesting fields at Bastanchury Park and Fullerton Sports Complex.

RE: Fullerton City Football Club’s Partner Group Application – Written Proposal

Dear Mr. Echeverria, Mr. Hernandez, Ms. Perez, and the Parks and Recreation Commission,

Enclosed is the Youth Sports Partner Group Application of Fullerton City Football Club (“FCFC”). The City’s Athletic Field Use and Allocation Policy (“Field Use Policy”) provides that the Parks and Recreation Department may take up to thirty (30) days to review and respond to an application. The deadline to submit a Field Request form for the Fall 2024 soccer season is May 15, 2024. As such, FCFC requests that the Parks and Recreation Department expedite this application for consideration at the upcoming May 13 Parks and Recreation Commission meeting.

I. The Genesis of FCFC

FCFC is a youth soccer organization founded and led by passionate volunteers committed to the development and well-being of our youth in the City of Fullerton. FCFC was created by a coach and parents (“FCFC Founders”) whose children currently play with the existing soccer organization in Fullerton, Rangers FC. The Rangers provides three levels of youth soccer: (i) **Recreational**; (ii) **Signature**; and (iii) **Competitive** (also known as “club soccer”). Recreational soccer is primarily for beginners and developing players who play on teams where each player plays at least one-half of each game. Signature soccer is the middle tier between Recreational and Competitive, where experienced players – perhaps with limited financial resources and/or an interest in playing multiple sports without specializing in soccer only – can play soccer at an intermediate-recreational level without the significant financial and temporal commitments of Competitive soccer. In the past the Signature program came under the Recreational soccer umbrella, and Signature players were also guaranteed to play one-half of each game. Competitive soccer is for advanced players seeking a higher level of competition over that of Recreational or Signature play. Competitive soccer players are expected to commit more time and significantly more money (thousands of dollars more) to soccer than Recreational and Signature players. Competitive soccer players are not guaranteed any playing time, and

sometimes players may not set foot on the pitch during a game. Over the past two decades, the number of Competitive youth soccer organizations has exploded, primarily because of the money generated for competitive soccer programs.¹ For this reason, competitive youth soccer programs are often referred to as “pay to play programs.”

According to the executive director of the Sports & Society Program at The Aspen Institute, “Pay to play is more of a problem than ever before. We now have families being charged thousands of dollars for their children to chase a ball on a green field and try and push the ball into the back of a net that cost very little.”² The Rangers is certainly not immune to this problem. This was particularly evident in late 2023 when the Rangers attempted to increase the cost of Signature from \$450 to over \$1,000, while depriving Signature players of any opportunity to play during the Spring season. This meant Signature players, a vast majority who are Fullerton residents, could neither practice nor play games on their own City fields during the Spring. Concerned Signature coaches raised their concerns with the Rangers and repeatedly requested a meeting with the Rangers board of directors. In response to one of the emails from the Signature coaches, the former Director of Signature (a paid Rangers employee) explained, “The decision to eliminate Spring for Signature was not my decision. ***This was a club decision.***”

It was clear to the FCFC Founders and Signature coaches that the Rangers’ intention was to make Signature a less desirable product, push players towards the Competitive program, and eventually dissolve the Signature program. The only way to ensure this could never happen again would be to create two separate, independent boards: one to govern the Rangers Competitive program, and another to govern the Recreational/Signature program. One FCFC Founder had numerous meetings with Diego Guayan (Rangers interim president) and the Rangers board to discuss the Rangers’ corporate structure and proposed the creation of a separate, independent board for Recreational/Signature. The Rangers refused.

It was against this backdrop that FCFC was born. FCFC’s mission is to provide a recreational youth soccer program for the Fullerton community guided by the pillars of integrity, quality, and community.

As a result, more and more clubs are popping up around the country, and they’re being offered to younger and younger kids.”).

² See Footnote 1. See also *In youth sports, talent helps but money rules*, The Washington Post, December 12, 2022 (available at <https://www.washingtonpost.com/sports/2022/12/12/youth-sports-rising-costs/>) (“Soccer was the costliest sport; parents shell out an average of \$1,188 annually per child.”).

II. FCFC Is “Substantially Different” From Any Existing Youth Soccer Programs in Fullerton

FCFC will provide a true “recreational” soccer program. As such, it is not subject to the same pressures as a Competitive club or team, which measures success primarily by wins and losses. FCFC’s primary goal for its players is development and enjoyment of the game. If the youth are improving and having fun, winning will be a natural byproduct. And there is no question that all parents want to see their children playing on the pitch. No parent wants to watch a game where their child plays for five minutes at the very end of the match. It is an agonizing feeling, especially considering the commitment and resources parents invest in their child’s soccer experience. To that end, every FCFC player will play at least 50% of every game, and no player will be cut from a team for poor playing performance.

To promote fair and balanced teams, in the Fall season every FCFC player will participate in a player evaluation and be drafted onto a team. Every registered player will be assigned to a team, regardless of their skill level. For the Spring season the Director of Coaching and Director of Registrar will assign players to teams based on each player’s prior evaluations and rating provided by coaches following the Fall season (as available).

FCFC is managed and operated by *volunteers only*. Not a single person, from the board of directors, operational directors (e.g. director of registrar, director of coaches), officers, coaches to team managers will receive any monetary compensation. Thus, no one in the FCFC organization will be driven by profit or feel the need to increase costs for FCFC families. In fact, FCFC aims to reduce registration costs by organizing fundraisers, where the money raised will be directly applied to offset player registration fees.

FCFC seeks to be a true “partner” with the City and work hand-in-hand in growing recreational youth soccer in Fullerton. FCFC will organize an “Opening Day”/Fullerton Soccer Festival for the community to celebrate the sport of soccer and bring residents together to enjoy a day of games, food, and community. At the Opening Day residents will participate in various soccer-related games (e.g. juggling challenge, penalty shoot-out competition, soccer golf, toe-tap tic-tac-toe), and funds raised from food sales will be used to offset costs for player registration. In addition, FCFC plans to work with Fullerton schools to provide affordable after-school soccer programs where kids can learn soccer and exercise in a safe environment.

FCFC will invest resources to obtain sponsorships from local businesses and national retailers to offset registration fees, provide player grants and discounts, cap fees for families with 3 or more players in FCFC, and offer discounts on soccer equipment from a sports retailer.

FCFC understands that the Rangers will not be a Recreational Partner Group as of Fall 2024. As such, there is an opening for a Recreational partner group. FCFC seeks to fill this void and provide a fresh, new recreational youth soccer program led by dedicated volunteers whose goal is to serve Fullerton youth and their families.

III. Ages and Divisions of FCFC Players

A. Ages and Divisions

For its first operational year (Fall 2024 and Spring 2025 seasons), FCFC plans to provide soccer programs for ages 4 through 12 only. Over time, FCFC will provide soccer programs for ages 4 through 18 (subject to registration numbers), separated by gender beginning at the U-8 level. The following table illustrates FCFC’s recommended number of players, the minimum and maximum number of players, and number of freezes on a team within each division (freeze limits for the Spring Recreational teams only), although the Director of Coaching may deviate from this table in forming Spring season teams:

Age	Recommended	Minimum	Maximum	Freezes
U-19, 18	16	11	18	18
U-17, 16	15	11	18	18
U-14, 13	15	11	18	5
U-12, 11, 10	13	9	14	5
U-9, 8	10	7	11	3
U-7, 6, 5	10	8	10	4

The recommended and maximum number of players age for groups U-8 and older is lower than that of other youth soccer programs. This is because FCFC aims to have each child play substantially more than 50% of each game. Limiting the number of players per team will facilitate this goal and make it easier for coaches to give each player as much pitch time as reasonably possible.

B. Two Levels of Recreational Soccer: Recreational and Select

FCFC will provide two categories of recreational teams: (i) Recreational; and (ii) Select. Generally, Recreational teams will be composed of beginner players who have limited soccer experience. Generally, Select teams will be composed of intermediate-recreational or advanced-recreational players who have played two or more seasons on a recreational team. FCFC players may only play on one team, Recreational or Select.

For the Fall season, to ensure fairness and balance amongst teams, FCFC teams will be formed following a player evaluation where registered coaches will evaluate and rate all registered players based on FCFC’s Player Evaluation Matrix. The evaluation will be followed by a draft. Based on player evaluations submitted by coaches, players will be drafted onto a Recreational

team or Select team. All registered players will be placed on a team, regardless of experience or skill level. Coaches will select players using a draft system. Select Head Coaches will draft players first. All players not drafted for a Select team will be drafted by a Recreational Coach.

For the Spring season, the Director of Coaches and the Director of Registrar will assign all registered (not frozen) players to teams. The Head Coach may freeze up to the number of players as indicated in table above. Permission of a parent or legal guardian is required to freeze a player. All proposed freezes are subject to the approval of the Director of Coaches

No player will be cut for poor performance. Further information regarding team formation can be found in FCFC's Regulations, attached as **Exhibit A**.

IV. Field Use Request

If the City approves FCFC as a Recreational Partner group in time for the Fall 2024 season, FCFC will seek field locations at Bastanchury Park and Fullerton Sports Complex ("FSC") for practices and games.

A. Field Size and Dimensions

For games, the field of play must be rectangular. The length of the touch line must be greater than the length of the goal line. Ideally, the field of game play will have the following dimensions:

For U10 and older

Length: minimum 100 yards, maximum 130 yards

Width: minimum 50 yards, maximum 100 yards

Goal Size: 8 yards wide and 8 feet high from ground to lower edge of crossbar

Age U8 and U9 Modifications

Field Size: 50 yards wide x 70 yards long maximum Goal Size: 6 feet high x 18 feet wide

Goal Area Size: 6 yards x 18 yards Penalty Area Size: 14 yards x 34 yards Center Circle Radius: 8 yards

U7 and U6 Modifications

Field Size: 25 yards wide x 40 yards long

Maximum Goal Size: 4 feet high x 6 feet wide

For practices, for U8 and older FCFC requests half of a field for each team at Bastanchury Park. For U7 and younger, ideally teams will have access to a full field (i.e. 25 yards wide and 40 yards long) at FSC to practice.

B. Games and Practices

The Fall playing season will officially open with practices beginning on or after August 1st. The regular season will be 10 weeks long. Regular season games usually begin the weekend before or after Labor Day weekend and continue through November and potentially into December (depending on holidays and rain outs). Teams will practice twice per week, for 1 hour to 1.5 hours. During the Fall season, Recreational players who qualify and are selected will play in an All-Star game. Players selected for the FCFC All-Star competition will compete against other FCFC All-Star teams and/or FCFC Select teams. The All-Star season will cover a 3-4 week period, likely in December and possibly through early January.

The Spring playing season will open with practices beginning on the Presidents’ Day holiday in February. The regular season will be 9 weeks long with an additional weekend of post-season playoff games. Games will not be played Easter weekend or on Mother’s Day. Teams will play games once per week, generally on Sundays. Teams will practice once or twice per week, for 1 hour to 1.5 hours, subject to the coach’s discretion.

C. Tournaments and Clinics

FCFC is a new organization. Over time (hopefully in the next two to three years), FCFC will be in the position to host tournaments. FCFC looks forward to requesting fields for tournaments by 2026.

FCFC will host coaching clinics for all of its coaches. The clinics will include two in-person sessions at Fullerton fields before the start of the season.

FCFC will host an opening day/Fullerton Soccer Festival before the commencement of the Fall season. FCFC will request FSC as the venue to host the opening day.

V. FCFC’s Growth and Expansion Plans

FCFC’s long-term goal is to become the standard for recreational youth soccer in Orange County. To accomplish this goal, FCFC plans to work with the school districts in Fullerton, other established, non-profit youth sports leagues in Fullerton, and experienced youth soccer administrators and coaches. FCFC will make every effort to provide a quality soccer product that is affordable and accessible to all Fullerton residents. When the time comes, FCFC will request fields at all of the City’s parks (and separately from Fullerton schools).

VI. Other Space and Amenities Needed

FCFC will seek limited space to lock its goals at the parks where FCFC teams will practice and play games. At this time, FCFC does not foresee the need for any other special storage facilities or concession stands.

VII. Conclusion

The creation and growth of a new youth soccer organization in Fullerton is a massive undertaking. Despite this, we firmly believe that a new recreational youth soccer organization, which exists to serve Fullerton youth and their families, is necessary. We are committed to bringing FCFC to fruition, and by partnering with the City we are confident FCFC will grow into a successful and productive youth soccer program for the City.

We thank you for your prompt and careful consideration of our application.

Sincerely,

The board of directors may from time to time adopt specific purposes that shall define and restrict the activities of the Corporation within the limitations of the General Purpose stated in section 2 above.

SECTION 4. CONTROLLING LAW; GRAMMAR USAGE

Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the California Nonprofit Corporation Law shall govern the construction of these bylaws. Without limiting the generality of the preceding sentence, the singular includes the plural, the plural includes the singular, and the term “person” includes both a legal entity and a natural person.

classes of nonvoting members; the class or classes shall have such rights and obligations as the board finds appropriate.

SECTION 6. TAX-EXEMPT STATUS

All directors, officers, committee members, coaches, team managers, office personnel and any other person acting for or on behalf of FCFC will be volunteers and will not receive payment. FCFC may pay third parties (e.g. consultants, attorneys, specialized trainers, equipment vendors) with the board's written approval, following the board's review and consideration of a written proposal reasonably justifying the expense.

It is the intention and desire of FCFC to maintain this Section in its original form and content in perpetuity, and for this Section never to be amended or modified. This Section may only be amended with the **unanimous vote** of all directors then in office of FCFC at the time of the proposed amendment.

ARTICLE II

SECTION 2. STANDARD OF CARE

A director shall perform the duties of a director, including duties as a member of any board committee, in good faith, in a manner such director believes to be in the best interest of the Corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. In performing such duties of a director, a director shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

- (a) one or more officers or employees of the Corporation whom the director believes to be reliable and competent as to the matters presented;

Except as provided in California Corporations Code §5233, a person who performs the duties of a director in accordance with this Section shall have no liability based upon any alleged failure to discharge that person's obligations as a director, including, without limiting the generality of the foregoing, any actions or omissions which exceed or defeat a public or charitable purpose to which the Corporation, or assets held by the Corporation, are dedicated.

SECTION 3. NUMBER

The board of directors shall consist of at least 3 but no more than 15 directors unless changed by amendment to these bylaws. The exact number of directors shall be fixed, within those limits, by a resolution adopted by the board of directors. The qualifications for directors are to be determined from time to time at the discretion of the board of directors by a majority vote of the board of directors then in office.

SECTION 4. INTERESTED PERSONS

No more than 49 percent of the persons serving on the board may be "interested persons." An interested person is (1) any person compensated by the Corporation for services rendered to it within the previous 12 months, whether as a full-time or part-time employee, independent contractor, or otherwise, excluding any reasonable compensation paid to a director as director; and (2) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of such person. However, any violation of this paragraph shall not affect the validity or enforceability of transactions entered into by the Corporation.

SECTION 5. NOMINATIONS

The board of directors may determine from time to time the process for nominating nominees to the board of directors as the board may establish by resolution to be just and reasonable as to the Corporation at the time that the resolution is adopted.

SECTION 8. VACANCIES FILLED BY BOARD

Vacancies on the board may be filled by approval of the board or, if the number of directors then in office is less than a quorum, by (1) the unanimous written consent of the directors then in office, (2) the affirmative vote of a majority of the directors then in office at a meeting held according to notice or waivers of notice complying with Corporations Code § 5211, or (3) a sole remaining director.

Any reduction of the authorized number of directors shall not result in any director's being removed before his or her term of office expires.

SECTION 9. TERM FOR VACANCIES

Any vacancy filled by the board of directors as provided in Article III, section 8 above shall be for the remaining term only.

SECTION 10. RESIGNATION OF DIRECTORS

Except as provided below, any director may resign by giving written notice to the president or the secretary of the board. The resignation shall be effective when the notice is given unless it specifies a later time for the resignation to become effective. If a director's resignation is effective at a later time, the board may elect a successor to take office as of the date when the resignation becomes effective.

Except on notice to the California Attorney General, no director may resign if the Corporation would be left without a duly elected director or directors.

SECTION 11. REMOVAL OF DIRECTORS

Any director may be removed, with or without cause, by the vote of the majority of the members of the entire board of directors at a special meeting called for that purpose, or at a regular meeting, provided that notice of that meeting and of the potential removal of the director at issue are given as provided in these bylaws. Any vacancy caused by the removal of a director shall be filled as provided in section 8.

SECTION 12. DIRECTOR COMPENSATION

Directors and members of committees of the board may not receive compensation of any kind for their services as directors or officers. However, directors and members of committees may receive such reimbursement of expenses related to their services as directors or committee members (e.g. purchase of equipment for FCFC's use), as the board may establish by resolution to be just and reasonable as to the Corporation at the time that the resolution is adopted.

ARTICLE IV

(1) Each member participating in the meeting can communicate concurrently with all other members.

(2) Each member is provided the means of participating in all matters before the board, including the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

SECTION 3. ANNUAL MEETING OF BOARD

The board shall annually hold a general meeting for purposes of organization, election of officers, and transaction of other business. Notice of this meeting is not required.

Other general meetings of the board may be held without notice at such time and place as the board may fix from time to time.

SECTION 4. SPECIAL MEETINGS

Special meetings of the board for any purpose may be called at any time by the president or any vice president, the secretary, or any two directors.

SECTION 5. NOTICE OF SPECIAL MEETINGS

Notice of the time and place of special meetings shall be given to each director by (1) personal delivery of written notice; (2) first-class mail, postage prepaid; (3) telephone, including a voice messaging system or other system or technology designed to record and communicate messages, or by electronic transmission, either directly to the director or to a person at the director's office who would reasonably be expected to communicate that notice promptly to the director; (4) facsimile; (5) electronic mail; or (6) other electronic means. All such notices shall be given or sent to the director's address, e-mail address, or telephone number as shown on the Corporation's records.

Notices sent by first-class mail shall be deposited in the United States mails at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or electronic transmission shall be delivered, telephoned, or sent, respectively, at least 48 hours before the time set for the meeting.

The notice shall state the time of the meeting and the place if the place is other than the Corporation's principal office. The notice shall specify the purpose of the meeting.

SECTION 6. QUORUM

A majority of the number of directors then authorized, according to the resolution of the board per Article III, Sec. 3, shall constitute a quorum for the transaction of any business except adjournment. Every action taken or decision made by a majority of the directors present at a duly held meeting at which a quorum is present shall be an act of the board, subject to the more stringent provisions of the California Nonprofit Public Benefit Corporation Law, including, without limitation, those provisions relating to (1) approval of contracts or transactions in which a director has a direct or indirect material financial interest, (2) approval of certain transactions between corporations having common directorships, (3) creation of and appointments to committees of the board, and (4) indemnification of directors. A meeting at which a quorum is initially present may continue to transact business, despite the withdrawal of some directors from that meeting, if any action taken or decision made is approved by at least a majority of the required quorum for that meeting.

SECTION 7. WAIVER OF NOTICE

Notice of a meeting need not be given to any director who, either before or after the meeting, signs a waiver of notice, a written consent to the holding of the meeting, or an approval of the minutes of the meeting. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meetings. Notice of a meeting need not be given to any director who attends the meeting and who, before or at the beginning of the meeting, does not protest the lack of notice to him or her.

SECTION 8. ADJOURNMENT

A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place.

SECTION 9. NOTICE OF ADJOURNED MEETING

Notice of the time and place of holding an adjourned meeting need not be given unless the original meeting is adjourned for more than 24 hours. If the original meeting is adjourned for more than 24 hours, notice of any adjournment to another time and place shall be given, before the time of the adjourned meeting, to the directors who were not present at the time of the adjournment.

SECTION 10. BOARD ACTION WITHOUT MEETING

An action required or permitted to be taken by the board may be taken without a meeting if all directors individually or collectively consent in writing to that action and if, subject to Corporations Code §5224(a), the number of directors then in office constitutes a quorum. The written consent or consents shall be filed with the minutes of the proceedings of the board. The action by written consent shall have the same force and effect as an unanimous vote of the directors. For purposes of Corporations Code §5211(b) only, “all directors” does not include an “interested director” as defined in Corporations Code §5233(a) or a “common director” as described in Corporations Code §5234(b) who abstains in writing from providing consent, when (i) the facts described in Corporations Code §5233(d)(1) or (d)(2) are established or the provisions of Corporations Code §5233(a) are satisfied, as appropriate, at or before the execution of the written consent or consents; (ii) the establishment of those facts or satisfaction of those provisions is included in the written consent or consents executed by the noninterested or noncommon directors or in other records of the Corporation; and (iii) the noninterested or noncommon directors approve the action by a vote that is sufficient without counting the votes of the interested directors or common directors.

SECTION 11. DIRECTOR VOTING

Each director shall have one vote on each matter presented to the board of directors for action. No director may vote by proxy.

ARTICLE V

For any tax year in which the Corporation is required to have an audit because it has gross revenues of \$2,000,000 or more, the Corporation shall have an audit committee appointed by the board, which shall include the Director of Internal Audit. The audit committee shall have at least three (3) members and may include both directors and non-directors, subject to the following limitations: (a) a majority of the members of the audit committee may not consist of members of the finance committee; (b) the chair of the audit committee may not be a member of the finance Committee; (c) the audit committee may not include any member of the staff or the President or Treasurer; and

SECTION 3. COMMITTEE MEETINGS

Meetings and actions of committees of the board shall be governed by, held, and taken under the provisions of these bylaws concerning meetings and other board actions, except that the time for general meetings of board committees and the calling of special meetings of board committees may be set either by board resolution or, if none, by resolution of the committee. Minutes of each meeting shall be kept and shall be filed with the corporate records. The board may adopt rules for the governance of any committee as long as the rules are consistent with these bylaws. If the board has not adopted rules, the committee may do so.

SECTION 3. ADDITIONAL OFFICERS

The board may appoint and authorize the chair of the board, the president, or another officer to appoint any other officers that the Corporation may require. Each appointed officer shall have the title and authority, hold office for the period, and perform the duties specified in the bylaws or established by the board.

SECTION 4. REMOVAL OF OFFICERS

Without prejudice to the rights of any officer under an employment contract, the board may remove any officer with or without cause. Removal of an officer requires a majority vote of the directors.

SECTION 5. RESIGNATION OF OFFICERS

Any officer may resign at any time by giving written notice to the board. The resignation shall take effect on the date the notice is received or at any later time specified in the notice. Unless otherwise specified in the notice, resignation need not be accepted to be effective. Any resignation shall be without prejudice to any rights of the Corporation under any contract to which the officer is a party.

SECTION 6. VACANCIES

A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these bylaws for normal appointments to that office. However, vacancies need not be filled on an annual basis.

SECTION 7. RESPONSIBILITIES OF PRESIDENT

Subject to such supervisory powers as the board may give to the chair of the board, if any, and subject to the control of the board, the president shall be the general manager of the Corporation and shall supervise, direct, and control the Corporation's activities, affairs, and officers. The president shall preside in the absence of the chair of the board, or if none, at all board meetings. The president shall have such other powers and duties as the board, or the bylaws may require. CONTRACTS, INDEMNIFICATION, AND INSURANCE

SECTION 1. CONTRACTS WITH DIRECTORS

No director of FCFC nor any other Corporation, firm, association, or other entity in which one or more of FCFC's directors are directors or have a material financial interest, shall be interested, directly or indirectly, in any contract or transaction with FCFC unless (1) the material facts regarding that director's financial interest in such contract or transaction or regarding such common directorship, officership, or financial interest are fully disclosed in good faith and noted in the minutes, or are known to all members of the board prior to the board's consideration of such contract or transaction; (2) such contract or transaction is authorized in good faith by a majority of the board by a vote sufficient for that purpose without counting the votes of the interested directors; (3) before authorizing or approving the transaction, the board considers and in good faith decides after reasonable investigation that the Corporation could not obtain a more advantageous arrangement with reasonable effort under the circumstances; and (4) the Corporation for its own benefit enters into the transaction, which is fair and reasonable to the Corporation at the time the transaction is entered into.

SECTION 2. LOANS TO DIRECTORS AND OFFICERS

FCFC shall not lend any money or property to or guarantee the obligation of any director or officer without the approval of the California Attorney General, provided, however, that the Corporation may advance money to a director or officer of the Corporation for expenses reasonably anticipated to be incurred in the performance of his or her duties for FCFC if that director or officer would be entitled to reimbursement for such expenses by the Corporation.

SECTION 3. INDEMNIFICATION

To the fullest extent permitted by law, FCFC shall indemnify its directors and officers, and may indemnify employees and other persons described in Corporations Code §5238(a), including persons formerly occupying any such positions, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any "proceeding," as that term is used in that section, and including an action by or in the right of the Corporation, by reason of the fact that the person is or was a person described in that section. "Expenses," as used in this bylaw, shall have the same meaning as in that section of the Corporations Code.

On written request to the board by any person seeking indemnification under Corporations Code §5238(b) or §5238(c) the board shall promptly decide under Corporations Code §5238(e) whether the applicable standard of conduct set forth in Corporations Code §5238(b) or §5238(c) has been met and, if so, the board shall authorize indemnification.

Fullerton City Football Club
EIN: 99-0398003

To the fullest extent permitted by law and except as otherwise determined by the board in a specific instance, expenses incurred by a person seeking indemnification under these bylaws in defending any proceeding covered by those Sections shall be advanced by the Corporation before final disposition of the proceeding, on receipt by the Corporation of an undertaking by or on behalf of that person that the advance will be repaid unless it is ultimately found that the person is entitled to be indemnified by the Corporation for those expenses.

SECTION 4. INSURANCE

FCFC shall have the right, and shall use its best efforts, to purchase and maintain insurance to the full extent permitted by law on behalf of its officers, directors, employees, and other agents, to cover any liability asserted against or incurred by any officer, director, employee, or agent in such capacity or arising from the officer's, director's, employee's, or agent's status as such.

SECTION 2. DIRECTORS' INSPECTION RIGHTS

Every director shall have the absolute right at any reasonable time to inspect the Corporation's books, records, and documents of every kind, and to inspect the physical properties of the Corporation. The inspection may be made in person or by the director's agent or attorney. The right of inspection includes the right to copy and make extracts of books, records, and documents of every kind.

SECTION 3. ANNUAL REPORT

The board shall cause an annual report to be sent to the directors within 120 days after the end of the Corporation's fiscal year. That report shall contain the following information, in appropriate detail:

This requirement of an annual report shall not apply if the Corporation receives less than \$25,000 in gross receipts during the fiscal year, provided, however, that the information specified above for inclusion in an annual report must be furnished annually to all directors who request it in writing. If the board approves, the Corporation may send the report and any accompanying material sent pursuant to this section by electronic transmission. If a report sent to the Attorney General in compliance with the requirements of California Government Code §§12580–12599.7 includes the information required in the annual report, then the Corporation may furnish a copy of its report to the Attorney General in lieu of the annual report whenever it is required to furnish an annual report.

SECTION 4. ANNUAL STATEMENT

The statement shall include a brief description of the transaction, the names of interested persons involved, their relationship to the Corporation, the nature of their interest in the transaction, and, if practicable, the amount of that interest, provided that if the transaction was with a partnership in which the interested person is a partner, only the interest of the partnership need be stated.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

FCFC PARTICIPANT ROSTER

Presently, FCFC has no registered players. However, FCFC plans to register players from Coach Raymond Kim's boys 2015 team, at the very least. The participant roster for Coach Ray's team is enclosed below.

FCFC intends to open registration for the Fall 2024 season within the coming weeks. FCFC's registration opening date depends primarily on whether the City approves FCFC as a Recreational Partner Group before Wednesday, May 15, 2024 (the deadline to submit City Field Request Forms). Although FCFC does not have registered players at this time, with the intention of registering four to five teams FCFC will request field space at Bastanchury Park and Fullerton Sports Complex for the Fall 2024 soccer season. Following the conclusion of the registration period, if the number of registered players is *de minimis* and FCFC does not need both these fields, FCFC will notify the Parks and Recreation Department so the fields may be reallocated to other sports organizations.

I. Introduction

The City of Fullerton Parks and Recreation Department is committed to providing quality recreational sports experiences in a safe and equitable environment for the Fullerton community, promoting values of sportsmanship, respect, and fun.

The City issues permits for the use of athletic fields in City parks and at Fullerton School District, “FSD” fields to sports groups and the general public for activities and programs. The City and the FSD work cooperatively in accordance with a Joint Use Agreement.

The purpose of the *Athletic Field Use and Allocation Policy* is to outline procedures and allocation priorities for the permitted use of the City and FSD athletic fields. The City is dedicated to maintaining partnerships with Fullerton youth sports organizations and the general public to foster a multitude of recreational athletic opportunities on well-maintained and safe sports fields. This policy will provide a guide for the equitable allocation, safe and responsible use, and proper care of sports fields.

The cost of providing sports services (for field preparation, maintenance, and equipment, lighting, and staff time) must be shared with the groups that utilize these services. Providing the public access to sports fields requires a substantial subsidy from the City; therefore, in order to sustain such assets for the community’s use, cost recovery is crucial and fees are required to help offset such costs.

II. Definition of Terms

Recreational Play

Recreational play is where all participants are guaranteed a minimum playing time each game and teams are competitively balanced. Recreational leagues are those that allocate players through a draft or player evaluation to ensure fairness and balance amongst teams, and do not cut players for poor playing performance. Post season all-star teams are exempt. Recreational-based groups do not have paid positions directly related to managing and operating the league.

Competitive Play

Competitive-based play is where participants gain playing time based on skill level and are not guaranteed a minimum each game. Competitive leagues are those that hold tryouts to find the best players. Players are not guaranteed to make a team. Competitive play emphasizes learning advanced and specialized skills and includes travel outside the City to play other advanced teams. Competitive-based groups may have paid positions directly related to managing and operating the league.

Resident

A person whose primary residence is within the Fullerton City limits.

Resident Percentage

The resident percentage is calculated by dividing a group’s total number of Fullerton residents by the total number of group participants. A group’s resident percentage helps to determine and maintain its priority group classification. Certain documentation, such as rosters, player addresses, photo IDs, and utility bills,

will be required to verify residency status. Where an organization contains both a recreational group and a competitive group, the resident percentage is calculated separately for each group.

Youth Status

Youth status is given to a person 18 years of age or under at the start date of a permit.

Non-Profit Status 501(c)(3)

A non-profit organization is one that meets all the requirements of Section 501(c)(3) of the Internal Revenue Code. The organization must submit to the City a Letter of Determination or Letter of Affirmation from the IRS. The organization is also required to submit to the City annual financial forms including 990 forms (Federal), 199 forms (State), and other documentation as requested by the City, including, but not limited to, financial records demonstrating non-profit status. Visit www.irs.gov for additional information on non-profit status. Organizations must also remain in good standing with the California Secretary of State, including, but not limited to, paying all recurring filing fees.

III. Priority Group Classifications

An organization's priority group classification determines its priority for field allocations. After City and FSD field needs are met, the Partner groups will have first priority for field allocations, Fullerton Competitive/Club/Travel groups will have second priority, and Rental groups will have third priority. Priority levels and associated fees are set forth in the Parks and Recreation Department's *Policy Statement and Fee Schedule*.

Partner Group - 1st Priority

A community youth sports organization seeking Partner group status must apply in writing to the Parks and Recreation Department at least one (1) year prior to the estimated starting date. A Partner application may be obtained by contacting the Parks and Recreation Department and must include information and documents evidencing the requirements set forth below, with a detailed explanation describing the proposed field use and long-term growth intentions. The City will issue a receipt of acknowledgement within seven (7) days of receiving an application. City staff will review the application and will issue a written notice within thirty (30) days if an application is deemed incomplete or inaccurate. The applicant may submit a revised application. If an application is deemed complete and accurate by City staff, it will be scheduled for consideration by the Parks and Recreation Commission. The Parks and Recreation Commission shall approve an application only if it finds all of the following to be true: 1) Requirements A through D are met, 2) granting Partner status to the applicant will not overly burden the fields, and 3) granting Partner status will not negatively impact the field usage of existing Partners. The decision of the Parks and Recreation Commission shall be final.

Community youth sports organizations obtaining Partner status are considered independent partners of the City in the delivery of recreational sports programs. The City assumes no jurisdiction over the administration, operation, and planning of group activities. The City expects each Partner to conduct its business in a professional manner. This includes posting of meeting notices, taking meeting minutes,

making financial reports available to the membership, and keeping its membership well-informed of activities and board decisions.

The following requirements must be met for an organization to be considered for and to maintain Partner status:

- A. Partner groups must provide **recreational play** that is substantially different in nature from existing programs of the Parks and Recreation Department and approved Partners. Characteristics such as variations in equipment, team size, field size, and playing dates do not constitute substantial differences in the nature of a sport. A single team cannot qualify as a Partner when its league cannot.
- B. Partner groups must have an affiliation with a **state or national sports governing body**. Those state and national bodies must have governance over the Partner. This includes all requirements for training (per each league's manual), equipment safety, playing technique safety, financial oversight, and background checks. Background checks must be conducted for coaches, managers, team parents, umpires/referees, board members and anyone on the field with the players. Photo ID cards are encouraged for coaches at all interactions with players. Partner groups must show proof of background checks each season.
- C. Partner groups must be a Fullerton tax-exempt, non-profit 501(c)(3) youth sports organization (incorporated and based in Fullerton). The following documents are required to show proof:
 - A copy of the organization's Articles of Incorporation and Bylaws.
 - A copy of the IRS application, supporting documents, and the IRS determination letter.
 - A copy of the organization's current financial statements and filed tax forms (IRS Form 990 or 990EX, CA 199).
 - Board of Directors' names, addresses, and phone numbers; board meeting dates, times, and locations; board election dates and terms of office.

A Partner group's governing board, recreational coaches, and their family members must be volunteers, cannot be compensated in any way, and must comply with the organization's conflict of interest policy.

All Partner groups must comply with the City's standard insurance requirements which include a certificate of insurance and two endorsements - 1) Additional insured, and 2) Primary and non-contributory. (*See Standard Insurance Requirements (Part 9)*)

The City must be named as an additional insured for all permits. If school district property is being used, the Fullerton School District must be named as additional insured. If the Fullerton Sports Complex is being used, the US Army Corps of Engineers must be named as additional insured.

- D. The resident percentage for Partner groups must be a minimum of **80%**. An organization will be required to provide the most current league roster with addresses and phone numbers of each player to verify the percentage.

Note: If a Partner group's residency rate falls under 80% for two consecutive permitting periods, it will pay fees equivalent to group 2 in the *Parks and Recreation Department Policy*

Statement and Fee Schedule. If the group does not regain a residency percentage of 80% in the following permitting period, it will be treated as a rental group and pay fees equivalent to group 3.

Additionally, Partner groups must survey participants annually and report results to City. Failure to maintain satisfaction of all requirements may result in the revocation of Partner status.

Fullerton Competitive (Non-Recreational) Group – 2nd Priority

A Fullerton Competitive group must be a Fullerton tax-exempt, non-profit 501(c)(3) youth sports organization (incorporated and based in Fullerton) with a state or national sports governing body, and a resident percentage equaling 55% or more with Fullerton residents. All Competitive groups must submit current participant and team information by the seasonal deadline in order to be considered for a field allocation. This includes details by team (age group, division, coach, number of residents and number of non-residents). In the event an organization has not completed the selection process for one or more teams, the organization must provide a partial roster.

Competitive groups may not include teams below the U8 age group.

If there are conflicting requests, fields may be allocated based on verifiable Fullerton residency percentage.

Rental Group – 3rd Priority

Rental groups do not meet the standards listed above for Partner and Fullerton Competitive groups. These groups get third priority for field allocation. Rental groups are limited in the number of reservations they can make. See Section V. Field Allocation Process for rental group allocation procedures.

New Section/Divisions of Play

When a current Partner is considering a new section/division, for example, a new age category or level of play, it must be for recreational play and the impact on the field space and the other Partners that share City fields must be determined. It must meet all Partner requirements.

Partner leagues forming a new section/division must submit a request to the Parks and Recreation Department at least one (1) year prior to the estimated starting date of the new division. **Submittal of an application does not guarantee that an organization will be allocated fields.** The application must include all information required to apply for Partner status plus:

- *Field Request Form* (Partner Groups) for use of City and FSD fields.
- Explanation of why the new division is necessary.
- Description of the impact on field space. For example, how much time and space is required to start and what is the long-term plan for expansion of the division.

An organization choosing to expand its league with a new section/division must submit information and documentation that shows the new section/division is part of the same non-profit number, has the same insurance carrier, and is governed by the same Board, Articles of Incorporation, and Bylaws.

Failure to notify the Parks and Recreation Department of changes in an organization could result in forfeiture of fields or revocation of Partner status.

If approved, a new division may be given a lower priority than existing leagues in order to maintain adequate field rest and renovation periods. The Parks and Recreation Department may deny a new division based on field availability, conditions, and other related factors.

A change in an organization's name, parent or affiliated national, state, regional or local organization (provided the former organization's name is not also being used), may not render it a new organization. The Parks and Recreation Department must be notified of any proposed changes. If the organization provides information and documentation that demonstrate only a name change and not a change to the structure of the organization, then the organization shall not be considered a new organization.

IV. Field Permit Application Process

Requests to use City and FSD athletic fields are made through the City of Fullerton Parks and Recreation Department located at Fullerton City Hall, 303 W. Commonwealth Avenue, Fullerton, (714) 738-2879. A request for field use does not constitute approval. A \$100 deposit is required with application.

Application Deadlines for **Partner and Fullerton Competitive Groups**:

SPRING DEADLINE Due by November 15 for the season from January 15 through June 30

FALL DEADLINE Due by May 15 for the season from July 1 through January 15

Rental groups that submit field requests by the deadlines above will be considered in the seasonal rental group allocation process. Rental field requests will be allocated as fields are available after Partner and Fullerton Competitive groups receive their permits.

Rental groups must complete, sign, and submit the following documents (available in the Parks and Recreation Department and online at www.cityoffullerton.com/parks):

- *Field Request Form (Rental Groups)*

Any group of twenty-five (25) or more is required to obtain a facility use permit prior to using any field. However, organized groups or teams of any size must obtain a permit for field use. At Lions Field, groups of ten (10) people or more are required to obtain a facility use permit.

No individual, group, or business may operate a private business (including outdoor classes) on public park property without a permit issued by the Director of Parks and Recreation. This also includes operating businesses where no money is exchanged for service.

V. Field Allocation Process

Partner Groups

- Partner groups must turn in their field requests on time to participate in the first priority allocation process. Increases in field requests are only considered if the league has not added new sections/divisions or materially altered its sports program. Increases due to the development of new sections/divisions of play (new age groups, new styles of play, and new alliances with outside programs) and absorption of players from disbanded leagues - often from neighboring cities - will not be accepted in the seasonal *Field Request Form*. These increases are to be proposed according to the “New Divisions of Play” requirements on page 6 of this policy.
- Seasonal priority will be given to traditional primary season sports over secondary season sports. Spring season is primary for baseball, softball, and rugby. Fall season is primary for football and soccer. Fields used for games will be given priority over fields used for practice. Off-season play (between seasons) will be reviewed after allocations are granted for all other Partner primary season requests.
- Under a Partner’s field permit at least one Fullerton partner team must be on the field at all times. Only during a tournament/playoffs may two non-Fullerton teams use a field under a Partner’s permit.
- When there is a conflict for field space, the groups will be given the opportunity to resolve the conflict at the semi-annual Sports Field Users Group meeting. If an agreement cannot be reached, fields will be allocated by staff.
- Partner groups must attend the semi-annual Sports Field User Group meeting where spring and fall season fields are allocated. Partner groups with competitive divisions must send only recreational representatives to the Sports Field User Group meetings.

Fullerton Competitive Groups

- Seasonal priority will be given to traditional primary season sports over secondary season sports. Spring season is primary for baseball, softball, and rugby. Fall season is primary for football and

soccer. Fields used for games will be given priority over fields used for practice. Off-season play (between seasons) will be reviewed after allocations are granted for all other Fullerton Competitive primary season requests.

- Under a Fullerton Competitive field permit at least one Fullerton Competitive team must be on the field at all times. Only during a tournament/playoffs may two non-Fullerton teams use a field under a Fullerton Competitive group's permit. Fullerton Competitive groups will be allocated fields after Partners are fully allocated.
- If there are conflicting requests, fields may be allocated based on verifiable Fullerton residency percentage and an allocation meeting may be held to work out the conflicts.

Rental Groups

- Rental groups will be allocated fields after Partner and Fullerton Competitive groups are fully allocated.
- Rental groups may reserve a field up to three (3) months at a time, if space is available and use will not overly burden the fields or negatively impact the field usage of current Partners and Fullerton Competitive groups.
- If there are conflicting requests, fields may be allocated based on verifiable Fullerton residency percentage.

Field Allocation Disclaimer

A field permit will be issued only after all requirements have been met. A request for field use does not constitute approval.

The City reserves the right to cancel or re-assign an allocation to accommodate the needs of any City, FSD sponsored/co-sponsored events, tournaments, or field and facility work and when the health and safety of participants are threatened due to weather conditions (i.e., air quality, high temperatures, rain, lightning, etc.). The City will make a determination or recommendation to close fields as conditions require.

In an effort to provide balanced sports opportunities on athletic fields, the Parks and Recreation Department has the discretion to modify exclusive use at athletic facilities and to make changes to group priorities.

VI. Compliance with Field Use Rules

After receiving a field permit, groups must abide by the following policies to keep the permit in good standing.

Partner and Fullerton Competitive groups are required to

- Provide schedules to show that all of the allocated fields are being utilized.
- Provide rosters to establish the Fullerton residency percentage of the participants.

- Provide background check reports

All groups are required to comply with the policies of this *Athletic Field Use and Allocation Policy*, the *Athletic Field Use Rules and Regulations*, and all applicable laws.

Field Permit Policy Violations

Violations of this policy that occur within one calendar year will be subject to the following disciplinary actions:

- First Violation:** Written notice of the violation.
- Second Violation:** Written notice of the violation, loss of the \$100 deposit, and suspension of all permits until another \$100 deposit is posted. The Parks and Recreation Commission will be notified.
- Third Violation:** Written notice of the violation, loss of the \$100 deposit. Field fees increase one level. Partner fees rise from level 1 to 2 and Fullerton Competitive fees rise from level 3 to 4. The Parks and Recreation Commission will be notified.
- Fourth Violation:** Written notice of the violation. Review of the status of Partner or Fullerton Competitive by the Parks and Recreation Commission for loss of privileges or status revocation.

Some violation examples include, but are not limited to:

Category A – Equivalent to two violations

- Subletting - If permitted group #1 allowed non-permitted group #2 to use its field without City approval, this would constitute subletting, which would be a strike against both groups. In addition, if a Partner group’s recreation level permit is used by its competitive club level this would constitute subletting, as well.
- Failure to disclose full details of a special event.
- Overuse of a field (placing more players on field than has been approved)

Category B – Equivalent to one violation

- Advertising field use before permit has been approved.
- Using a field that has been closed due to weather or maintenance.
- Using a field at unpermitted time.
- Driving vehicles on fields, school blacktops and sidewalks without written permission on permit.
- Bringing out food trucks without permission.
- Using amplified sound without permission.

Failure to:

- Submit required paperwork on time, including but not limited to, schedules, rosters, financial documents, and insurance.
- Meet a Partner group standard (see pages 5 and 6)
- Meet a Fullerton Competitive group standard (see page 6)
- Return unused allocated fields to the City's inventory.
- Maintain a clean site after use, including litter pickup on fields and in parking lots, and having portable restrooms cleaned regularly.
- Comply with the *Athletic Field Use and Allocation Policy* or *Athletic Field Use Rules and Regulations* or City ordinance.

In the event that a violation causes damage to City or FSD property or loss of field use fees, the organization will be required to reimburse the City or FSD for such damage or loss.

Violations deemed by City to be of a serious nature, such as criminal conduct, will result in immediate termination of permits and field use and will be turned over to the proper authorities.

VII. Fees

The *Policy Statement and Fee Schedule* sets forth the current listing of facilities and fees.

All Fullerton Competitive and Rental group fees must be paid in full when the reservation is made.

Parks and Recreation staff may be required for rental. A per hour staffing fee shall be charged.

Partner groups with continuous monthly usage will be invoiced at the end of each month.

Permits may be cancelled and/or rescheduled. Permits canceled by the City or due to inclement weather may be rescheduled as availability allows or may be refunded in full. Permits cancelled by the group at least ten (10) working days prior to the event will be charged a 10% admin fee. No refunds will be issued if group cancels less than ten (10) working days prior to the event.

VIII. Tournaments

All general rules and reservation procedures as specified in the *Policy Statement and Fee Schedule* are applicable during tournaments.

Additional provisions for tournaments are stated in this section.

Tournament applicants must complete a *Field Request Form*, sign the *Athletic Field Use Rules and Regulations Form* and review the *Tournament Orientation Checklist* with City staff at least six (6) months prior to the tournament date. Forms are available at the Parks and Recreation Department and online. Submission of these forms does not constitute approval. A permit is issued only after deposits and fees are paid. Tournament applicants must receive City approval to sell food, use food trucks or use a snack bar and/or BBQ. This approval must be noted on the use permit.

Tournaments cancelled by the City or due to inclement weather may be rescheduled as availability allows or may be refunded in full. Tournament permits cancelled by the group at least ten (10) working days prior to the event will be charged a 10% admin fee. No refunds will be issued if group cancels less than ten (10) working days prior to the event.

City reserves the right to have a tournament reviewed by other City departments to minimize the impact on neighbors, fields, parking, traffic, etc. Additional fees may be required.

IX. Field Maintenance

Field Rest and Renovation

An annual rest and renovation program is scheduled at all sites to maintain field sustainability. The City attempts to be flexible in accommodating field requests but ultimately, the health and safety of the players and the condition and playability of the fields take priority. This requires the closure of fields and facilities for a number of days deemed necessary by City staff.

Field and Facility Closures

The City of Fullerton reserves the right to cancel or suspend field use permits when field conditions could result in injury to players or cause damage to the fields. Permits may also be cancelled when the health and safety of participants are threatened due to impending conditions, including but not limited to rain, lightning, air quality, high temperatures, unsafe fields, and maintenance issues.

Inclement Weather Guidelines

During inclement weather, City staff will assess the playability of all City and FSD fields to determine if use will occur. The Parks and Recreation Director or designated representative shall have the authority to close any/all City and FSD fields.

A field status update will be posted on the Parks and Recreation web site by noon on weekdays and by 8 a.m. on the weekends, if any fields are closed.

Failure to follow these guidelines will result in suspension or cancellation of existing permit(s) and/or loss of rental/allocation privileges and/or a strike against the organization.

Turf Preservation

Cooperation from groups is required to preserve City and FSD fields by following these guidelines:

- Fields may not be used during or after a heavy rain, or when fields are wet or muddy.

- Field use must be rotated in order to reduce excessive turf damage in one area. For example, practices in heavy traffic areas (goal boxes, center circles, pitching areas, etc.) must be limited.
- Field occupancy may not exceed the approved number of players.
- Only softball and baseball practices may be held on the infield area of a softball or baseball diamond.
- All equipment must be removed or locked up at the end of each day.
- No vehicles are allowed on City and FSD fields or property, other than parking lots, without written permission on the permit.
- Report hazards and immediate emergencies (broken water lines, leaking sprinkler heads, etc.) to Public Works at 714-738-6897. When calling, identify yourself, your location (park/school), and the specific nature of the situation so that staff can bring the appropriate repair equipment. After hours, call the Police Department at 714-738-6710 to dispatch the on-call staff to respond to the emergency.

Athletic Field Lining

- Lining of fields on City and FSD fields is prohibited without City approval. Line colors must be approved by City.
- Burning lines on City and FSD fields is prohibited.

Field Modifications

Requests to modify, resize, or make improvements to a City or FSD field shall be submitted with conceptual drawings to the City (Parks and Recreation Department) and will be reviewed and approved by the appropriate and corresponding departments. Modification requests on fields being used by multiple Partner groups must be agreed by all organizations before request is made. Any permanent field modifications or improvements shall become the property of the City of Fullerton.

X. Other Information

Concessions and Vendors

All groups must receive City approval for all concession operations and have permission noted on their field use permit. Only Partner groups with permanent snack bar facilities may sell concessions on a regular basis. All other groups may only provide concessions at tournaments or special occasions.

Partner groups operating concessions are considered first party vendors. A business license is not required for first party vendors; however food sales must meet Orange County Health Department codes and requirements. Insurance requirements must be met as a condition of field use. First party vendors are highly encouraged to attend a food handling class.

Commercial food providers (food trucks, carts, etc.) are considered second party vendors. Second party vendors must have an Orange County Health Department Permit and a seller's permit. Vendor information, must be submitted to the City no later than two weeks prior to the event.

Barbecue Use

Groups wanting to use a barbecue must receive City approval on their use permit and may require a fire permit. Only portable propane barbecues may be used. All groups selling or preparing food must comply with all Orange County Health Code food handling regulations.

Barbecues are not allowed:

- Within twenty-five feet (25') of any sports field, courts, playground or City building entrance.
- Within ten feet (10') of any walkway.
- Within parking lots or public rights-of-way.

Parking

Groups must always maintain safe parking and circulation practices for their events. Should parking become an issue during permitted time, the group must provide the proper resources to direct participants and spectators to designated parking areas. It is the group's responsibility to alleviate parking issues. No vehicles are allowed along red curbs, on City or FSD fields or property (other than parking lots) without written permission noted on the field use permit.

No programs are allowed on any parking lot without a review and approval by City staff. Important safety concerns must be adhered to in order to use a parking area for programming, i.e. trunk or treat, equipment distribution, etc.

Restrooms at FSD Sites

FSD restrooms are not available for use without a separate fee permit issued by FSD. Portable restrooms are allowed on school property only with a location map and the written approval from FSD and City.

Banners/Signage/Advertisement

A Partner group can have sponsorship banners from supporting businesses to defray the costs of operating the league. The advertisement shall be directed toward the sports viewing audience and not to the passersby on roadways. Since each sports field is designed differently, the banner direction may not always be obvious. Banners are generally removed after the games are over. The exception to this rule is the home field sponsorship banner. This applies to baseball and softball facilities with temporary homerun fencing. A homerun fence banner can remain up throughout the season, although some leagues may take them down after games. All signage must comply with Fullerton Municipal Code chapter 15.49, Sign Standards and Regulation.

The City provides three park banner frame locations to post 2' by 6' banners. An application and nominal fee is required to reserve a spot on one of the 18 banner display slots. A separate Banner Policy is available in the Parks and Recreation Department. *Banner Permit Request Forms* are also available in the Parks and Recreation Department and online.

Portable Lights

Private portable lights are prohibited in park and school without City and/or FSD approval.

XI. Field Use Code of Conduct

The City of Fullerton places great value on providing outdoor field space for recreational use. It is expected that all groups display positive sportsmanship and respectable conduct. All groups are required to comply with the following code of conduct. Failure to comply will result in a strike against a group.

- All leadership, coaches, and field users will show respect for the rules of play, authority of officials and City staff, and the opposing team.
- All leadership, coaches and field users will respect and protect the property of the City and the FSD.
- Any form of obscenity or abuse towards participants, staff, spectators, coaches, and/or officials will not be tolerated. Any individual using abusive or foul language will be removed from the field.
- All groups must abide by and observe all rules and regulations which have been established by the City of Fullerton.
