DISCUSSION

Staff have been working with Administrative Services, Human Resources, and the City Manager's Office throughout the 2020-21 fiscal year as the City has responded to reduced revenues and the changing COVID health orders and their effect on the City and Library budget. Below is our current staffing of library open hours. The report to the Board will contain information presented at and voted upon as direction to staff from the City Council Budget Study Session of May 18, 2021 and any information that might be gleaned from the City Council Meeting Agenda of June 1, 2021 should it be posted in time to be discussed at the Library Board meeting of May 27, 2021. Staff understands that the City Council will consider approval of the 2021-22 City Budget at their June 1, 2021 meeting.

The library closed to public access on March 18, 2020. In April 2020 34 part-time employees were separated from the Library as part of the City's response to anticipated revenue shortfalls due to the financial effects of COVID. By May 11, 2020 Curbside Pick-up service was implemented so patrons could request library items, and schedule

to pick up the items between 11:00 to 4:00 p.m. or make a pick-up appointment that may suit a special circumstance during the staff workday of 10:00 a.m. to 6:00 p.m. Mondays through Fridays.

In September 2020, two librarians were separated from the City in a continued effort to respond to diminished revenue to the City because of COVID. One was an Adult Services Librarian who was also a Passport Acceptance Agent, and the libraries only Spanish speaking librarian. The other was an Adult Services Librarian who was responsible for collection development and programming for teens and young adults. On March 20, 2021, the Libraries request to re-hire her was approved. She now works not only Adult Services, but in Children's Services, Technical Services, and Circulation due to staffing shortages Library-wide.

On March 16, 2021 the library began Grab & Go service model which allows patrons to enter the library with masks, social distancing, and visits of 30 minutes or less. There are no seating, computers, or passport acceptance services at this time. The use of Curbside service has lessened over time as more patrons became comfortable with entering the library to pick up items they had requested. Staff continue to bring requested items to patrons who prefer not to enter the library.
