Developer agrees to provide those public benefits identified in Exhibit C ("Public Benefits"). Developer acknowledges by its approval and execution of this Agreement that it is voluntarily agreeing to the Public Benefits identified in Exhibit C and that its obligation to provide said Public Benefits is an essential term of this Agreement and is not severable from City's obligations and Developer's vested rights to be acquired hereunder, and that Developer expressly waives any constitutional, statutory, or common law right it might have in the absence of this Agreement to protest or challenge the Public Benefits identified in Exhibit C on any ground whatsoever, including without limitation pursuant to the Fifth and Fourteenth Amendments to the United States Constitution, California Constitution Article I Section 19, the Mitigation Fee Act (California Government Code section 66000 et seq.), or otherwise.

In addition, it is understood and agreed that nothing in this Agreement is intended to vest Developer's rights with respect to any laws, regulations, rules, or official policies of any other governmental agency or public utility company with jurisdiction over the Property or the Project; or any applicable federal or state laws, regulations, rules, or official policies that may be inconsistent with this Agreement and that override or supersede the provisions set forth in this Agreement, and regardless of whether such overriding or superseding laws, regulations, rules, or official policies are adopted or applied to the Property or the Project prior or subsequent to the Agreement Date.

Developer has expended and will continue to expend substantial amounts of time and money planning and preparing for Development of the Project. Developer represents and City acknowledges that Developer would not make these expenditures without this Agreement, and that Developer is and will be making these expenditures in reasonable reliance upon its vested rights to Develop the Project as set forth in this Agreement.

Developer may apply to City for permits or approvals necessary to modify or amend the Development specified in the Development Regulations, without amending this Agreement, provided that the request does not propose an increase in the maximum allowable density, intensity, height, or size of proposed structures, or a change in use. Developer may apply to the City's Community and Economic Development Director for approval of minor amendments to the tract map, if any, or associated conditions of approval. Minor amendments may be approved by the Community and Economic Development Director provided (a) no greater number of lots, units, or building sites or structures are added; (b) the changes are consistent with the intent and

spirit of the original Tract Map; and (c) there are no resulting violations of The Fullerton Plan or the Subdivision Map Act. Amendments to the tract map that in the opinion of the Community and Economic Development Director are not minor, shall be presented to the original decision-making body for consideration. This Agreement does not constitute a promise or commitment by City to approve any such permit or approval other than minor amendments, or to approve the same with or without any particular requirements or conditions, and City's discretion with respect to such matters shall be the same as it would be in the absence of this Agreement.

4.2 No Conflicting Enactments.

Except to the extent City reserves its discretion as expressly set forth in this Agreement, during the Term of this Agreement City shall not apply to the Project or the Property any ordinance, policy, rule, regulation, or other measure relating to Development of the Project that is enacted or becomes effective after the Effective Date to the extent it conflicts with this Agreement unless Developer consents in writing. This Section 4.2 shall not restrict City's ability to enact an ordinance, policy, rule, regulation, or other measure applicable to the Project pursuant to California Government Code Section 65866 consistent with the procedures specified in Section 4.3 of this Agreement. In *Pardee Construction Co. v. City of Camarillo* (1984) 37 Cal.3d 465, the California Supreme Court held that a construction company was not exempt from a city's growth control ordinance even though the city and construction company had entered into a consent judgment (tantamount to a contract under California law) establishing the company's vested rights to develop its property consistent with the zoning. The California Supreme Court reached this result because the consent judgment failed to address the timing of development. The Parties intend to avoid the result of the *Pardee* case by acknowledging and providing in this Agreement that Developer shall have the vested right to Develop the Project on and with respect to the Property at the rate, timing, and sequencing that Developer deems appropriate within the exercise of Developer's sole subjective business judgment, provided that such Development occurs in accordance with this Agreement and the Development Regulations, notwithstanding adoption by City's electorate of an initiative to the contrary after the Effective Date. No City moratorium or other similar limitation relating to the rate, timing, or sequencing of the Development of all or any part of the Project and whether enacted by initiative or another method, affecting subdivision maps, building permits, occupancy certificates, or other entitlement to use, shall apply to the Project to the extent such moratorium or other similar limitation restricts Developer's vested rights in this Agreement or otherwise conflicts with the express provisions of this Agreement.

4.3 Reservations of Authority.

Notwithstanding any other provision set forth in this Agreement to the contrary, the laws, rules, regulations, and official policies set forth in this Section 4.3 shall apply to and govern the Development of the Project on and with respect to the Property.

4.3.1 Procedural Regulations. Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals, and any other matter of procedure shall apply to the Property, provided that such procedural regulations are adopted and applied City-wide or to all other properties similarly situated in City.

4.3.2 Processing and Permit Fees. City shall have the right to charge, and Developer shall be required to pay, all applicable processing and permit fees at the rates to cover the reasonable cost to City of processing and reviewing applications and plans for any required Subsequent Development Approvals, building permits, excavation and grading permits, encroachment permits, and the like, for performing necessary studies and reports in connection therewith, inspecting the work constructed or installed by or on behalf of Developer, and monitoring compliance with any requirements applicable to Development of the Project, all at the rates in effect at the time fees are due.

4.3.3 Consistent Future City Regulations. City ordinances, resolutions, regulations, and official policies governing Development which do not conflict with the Development Regulations, or with respect to such regulations that do conflict, where Developer has consented in writing to the regulations, shall apply to the Property.

4.3.4 Development Exactions Applicable to Property. During the Term of this Agreement, Developer shall be required to satisfy and pay all Development Exactions at the time performance or payment is due to the same extent and in the same amount(s) that would apply to Developer and the Project in the absence of this Agreement; provided, however, that to the extent the scope and extent of a particular Development Exaction for the Project has been established and fixed by City in this Agreement or the conditions of approval for any of the Development Regulations approved on or before the Agreement Date City shall not alter, increase, or modify said Development Exaction in a manner that is inconsistent with such Development Regulations without Developer's prior written consent or as may be otherwise required pursuant to overriding federal or state laws or regulations (Section 4.3.5 hereinbelow). In addition, nothing in this Agreement is intended or shall be deemed to vest Developer against the obligation to pay any of the following (which are not included within the definition of "Development Exactions") in the full amount that would apply in the absence of this Agreement: (i) City's normal fees for processing, environmental assessment and review, tentative tract and parcel map review, plan checking, site review and approval, zone change applications, variances, administrative review, building permit, grading permit, use permits inspection, and similar fees imposed to recover City's costs associated with processing, reviewing, and inspecting project applications, plans, and specifications; (ii) fees and charges levied by any other public agency, utility, district, or joint powers authority, regardless of whether City collects those fees and charges; or (iii) community facility district special taxes or special district assessments or similar assessments, business license fees and/or taxes, bonds or other security required for public improvements, transient occupancy taxes, sales taxes, property taxes, water service connection fees, and new water meter fees.

4.3.5 Overriding Federal and State Laws and Regulations. Federal and state laws and regulations that override Developer's vested rights set forth in this Agreement shall apply to the Property, together with any City ordinances, resolutions, regulations, and official policies that are necessary to enable City to comply with the provisions of any such overriding federal or state laws and regulations, provided that (i) Developer does not waive its right to challenge or contest the validity of any such purportedly overriding federal, state, or City law or regulation; and (ii) upon the discovery of any such overriding federal, state, or City law or regulation that prevents or precludes compliance with any provision of this Agreement, City or Developer shall provide to the other Party a written notice identifying the federal, state, or City law or regulation, together with a copy of the law or regulation and a brief written statement of

the conflict(s) between that law or regulation and the provisions of this Agreement. Promptly thereafter City and Developer shall meet and confer in good faith in a reasonable attempt to determine whether a modification or suspension of this Agreement, in whole or in part, is necessary to comply with such overriding federal, state, or City law or regulation. In such negotiations, City and Developer agree to preserve the terms of this Agreement and the rights of Developer as derived from this Agreement to the maximum feasible extent while resolving the conflict. City agrees to cooperate with Developer at no cost to City in resolving the conflict in a manner which minimizes any financial impact of the conflict upon Developer. City also agrees to process in a prompt manner Developer's proposed changes to the Project and any of the Development Regulations as may be necessary to comply with such overriding federal, state, or City law or regulation; provided, however, that the approval of such changes by City shall be subject to the discretion of City, consistent with this Agreement.

4.3.6 Public Health and Safety. Any City ordinance, resolution, rule, regulation, program, or official policy that is necessary to protect persons on the Property or in the immediate vicinity from conditions dangerous to their health or safety, as reasonably determined by City, shall apply to the Property, even though the application of the ordinance, resolution, rule, regulation, program, or official policy would result in the impairment of Developer's vested rights under this Agreement.

4.3.7 Uniform Building Standards. Existing and future building and building-related standards set forth in the uniform codes adopted and amended by City from time to time, including building, plumbing, mechanical, electrical, housing, swimming pool, and fire codes, and any modifications and amendments thereof shall all apply to the Project and the Property to the same extent that the same would apply in the absence of this Agreement.

4.3.8 Public Works Improvements. To the extent Developer constructs or installs any public improvements, works, or facilities, the City standards in effect for such public improvements, works, or facilities at the time of City's issuance of a permit, license, or other authorization for construction or installation of same shall apply.

4.3.9 No Guarantee or Reservation of Utility Capacity. Notwithstanding any other provision set forth in this Agreement to the contrary, nothing in this Agreement is intended or shall be interpreted to require City to guarantee or reserve to or for the benefit of Developer or the Property any utility capacity, service, or facilities that may be needed to serve the Project, whether domestic or reclaimed water service, sanitary sewer transmission or wastewater treatment capacity, downstream drainage capacity, or otherwise, and City shall have the right to limit or restrict Development of the Project if and to the extent that City reasonably determines that inadequate utility capacity exists to adequately serve the Project at the time Development is scheduled to commence. Notwithstanding the foregoing, City covenants to provide utility services to the Project on a non-discriminatory basis (i.e., on the same terms and conditions that City undertakes to provide such services to other similarly situated new developments in the City of Fullerton as and when service connections are provided and service commences).

4.4 Tentative Subdivision Maps.

City agrees that Developer may file and process vesting tentative maps for the Property consistent with California Government Code sections 66498.1-66498.9 and City of Fullerton

Municipal Code Chapter 16.10. Developer agrees that filing and issuance of a new tentative subdivision map may trigger additional development impact fees. Pursuant to the applicable provision of the California Subdivision Map Act (California Government Code section 66452.6(a)), the life of any tentative subdivision map approved for the Property, whether designated a “vesting tentative map” or otherwise, shall extend for the Term of this Agreement.

4.5 Sourcing of Sales Tax

Developer shall use commercially reasonable efforts to cause its contractors, subcontractors and suppliers where, in each case, the value of their individual contract is at least \$5.0 million and such entity is normally a retailer of fixtures (collectively, “Contractors”), to participate in directing local tax to the City of Fullerton wherever possible. Developer shall require all Contractors to obtain a California Department of Tax and Fee Administration (CDTFA) seller’s sub-permit for the jobsite and allocate all eligible transactions and use (sales) tax payments to the City of Fullerton. The Developer shall require each Contractor, before they begin operating on site, to provide the City with a copy of their sub-permit and CDTFA account number, or a statement that transactions and use tax does not apply to their portion of the project. Developer shall further require that Contractors notify the CDTFA of any delays in project completion in order to extend the active period of the sub-permit as appropriate.

5. Amendment or Cancellation of Agreement.

Other than modifications of this Agreement under Section 4.1, this Agreement may be amended or canceled in whole or in part only by mutual written and executed consent of the Parties in compliance with California Government Code section 65868 or by unilateral termination by City in the event of an uncured default of Developer.

5.1 Extension.

Upon receipt of a written request from Developer, City shall grant two (2) five (5) year extensions that extend the Term of this Agreement for a total of ten (10) additional years provided that (a) at the time of the request for the first extension, the Developer has been granted final occupancy approval for the Project’s 83rd unit and Developer is in compliance with all other provisions of this Agreement; and (b) at the time of the request the second extension, the Developer has been granted final occupancy approval for the Project’s 124th unit and Developer is in compliance with all other provisions of this Agreement; and (c) each request for extension is submitted to the City no earlier than six months prior to the date this Agreement would otherwise terminate. Pursuant to California Government Code sections 65863.9 and 66452.6(a), the expiration date of the Development Plan shall be extended through the Term of this Agreement, and any extension pursuant to this Section 5.1.

6. Enforcement.

Unless this Agreement is amended, canceled, modified, or suspended as authorized herein or pursuant to California Government Code section 65869.5, this Agreement shall be enforceable by either Party despite any change in any applicable general or specific plan, zoning, subdivision, or building regulation or other applicable ordinance or regulation adopted by City (including by City’s electorate) that purports to apply to any or all of the Property.

7. Annual Review of Developer's Compliance With Agreement.

7.1 General.

City shall review this Agreement once during every twelve (12) month period following the Effective Date for compliance with the terms of this Agreement as provided in Government Code section 65865.1. Developer (including any successor to the owner executing this Agreement on or before the Agreement Date) shall pay City a reasonable fee in an amount City may reasonably establish from time to time to cover the actual and necessary costs for the annual review. City's failure to timely provide or conduct an annual review shall not constitute a Default hereunder by City.

7.2 Developer Obligation to Demonstrate Good Faith Compliance.

During each annual review by City, Developer is required to demonstrate good faith compliance with the terms of the Agreement. Developer agrees to furnish such evidence of good faith compliance as City, in the reasonable exercise of its discretion, may require, thirty (30) days prior to each anniversary of the Effective Date during the Term.

7.3 Procedure.

The Zoning Administrator shall conduct a duly noticed hearing and shall determine, on the basis of substantial evidence, whether or not Developer has, for the period under review, complied with the terms of this Agreement. If the Zoning Administrator finds that Developer has so complied, the annual review shall be concluded. If the Zoning Administrator finds, on the basis of substantial evidence, that Developer has not so complied, written notice shall be sent to Developer by first class mail of the Zoning Administrator's finding of non-compliance, and Developer shall be given at least ten (10) calendar days to cure any noncompliance that relates to the payment of money and thirty (30) calendar days to cure any other type of noncompliance. If a cure not relating to the payment of money cannot be completed within thirty (30) calendar days for reasons which are beyond the control of Developer, Developer must commence the cure within such thirty (30) calendar days and diligently pursue such cure to completion. If Developer fails to cure such noncompliance within the time(s) set forth above, such failure shall be considered to be a Default and City shall be entitled to exercise the remedies set forth in Section 8 below.

7.4 Annual Review a Non-Exclusive Means for Determining and Requiring Cure of Developer's Default.

The annual review procedures set forth in this Section 7 shall not be the exclusive means for City to identify a Default by Developer or limit City's rights or remedies for any such Default.

8. Events of Default.

8.1 General Provisions.

In the event of any material default, breach, or violation of the terms of this Agreement ("Default"), the Party alleging a Default shall deliver a written notice (each, a "Notice of

Default”) to the defaulting Party. The Notice of Default shall specify the nature of the alleged Default and a reasonable manner and sufficient period of time (twenty (20) calendar days if the Default relates to the failure to timely make a monetary payment due hereunder and not less than thirty (30) calendar days in the event of non-monetary Defaults) in which the Default must be cured (the “Cure Period”). During the Cure Period, the Party charged shall not be considered in Default for the purposes of termination of this Agreement or institution of legal proceedings. If the alleged Default is cured within the Cure Period, then the Default thereafter shall be deemed not to exist. If a non-monetary Default cannot be cured during the Cure Period with the exercise of commercially reasonable diligence, the defaulting Party must promptly commence to cure as quickly as possible, and in no event later than thirty (30) days after it receives the Notice of Default, and thereafter diligently pursue said cure to completion.

8.2 Default by Developer.

If Developer is alleged to have committed Default and it disputes the claimed Default, it may make a written request for an appeal hearing before the City Council within ten (10) calendar days of receiving the Notice of Default, and a public hearing shall be scheduled at the next available City Council meeting to consider Developer’s appeal of the Notice of Default. Failure to appeal a Notice of Default to the City Council within the ten (10) calendar day period shall waive any right to a hearing on the claimed Default. If Developer’s appeal of the Notice of Default is timely and in good faith but after a public hearing of Developer’s appeal the City Council concludes that Developer is in Default as alleged in the Notice of Default, the accrual date for commencement of the thirty (30) day Cure Period provided in Section 8.1 shall be extended until the City Council’s denial of Developer’s appeal is communicated to Developer.

8.3 City’s Option to Terminate Agreement.

In the event of an alleged Developer Default, City may not terminate this Agreement without first delivering a written Notice of Default and providing Developer with the opportunity to cure the Default within the Cure Period, as provided in Section 8.1, and complying with Section 8.2 if Developer timely appeals any Notice of Default with respect to a non-monetary Default. A termination of this Agreement by City shall be valid only if good cause exists and is supported by evidence presented to the City Council at or in connection with a duly noticed public hearing to establish the existence of a Default. The validity of any termination may be judicially challenged by Developer. Any such judicial challenge must be brought within sixty (60) calendar days of service on Developer, by first class mail, postage prepaid, of written notice of termination by City or a written notice of City’s determination of an appeal of the Notice of Default as provided in Section 8.2.

8.4 Default by City.

If Developer alleges a City Default and alleges that the City has not cured the Default within the Cure Period, Developer may pursue any equitable remedy available to it under this Agreement, including, without limitation, an action for a writ of mandamus, injunctive relief, or specific performance of City’s obligations set forth in this Agreement. Upon a City Default, any resulting delays in Developer’s performance hereunder shall neither be a Developer Default nor constitute grounds for termination or cancellation of this Agreement by City and shall, at Developer’s option (and provided Developer delivers written notice to City within thirty (30)

days of the commencement of the alleged City Default), extend the Term for a period equal to the length of the delay.

8.5 Waiver.

Failure or delay by either Party in delivering a Notice of Default shall not waive that Party's right to deliver a future Notice of Default of the same or any other Default.

8.6 Specific Performance Remedy.

Due to the size, nature, and scope of the Project, it will not be practical or possible to restore the Property to its pre-existing condition once implementation of this Agreement has begun. After such implementation, both Developer and City may be foreclosed from other choices they may have had to plan for the development of the Property, to utilize the Property or provide for other benefits and alternatives. Developer and City have invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of this Agreement. It is not possible to determine the sum of money which would adequately compensate Developer or City for such efforts. For the above reasons, City and Developer agree that damages would not be an adequate remedy if either City or Developer fails to carry out its obligations under this Agreement. Therefore, specific performance of this Agreement is necessary to compensate Developer if City fails to carry out its obligations under this Agreement or to compensate City if Developer fails to carry out its obligations under this Agreement.

8.7 Monetary Damages.

The Parties agree that monetary damages shall not be an available remedy for either Party for a Default hereunder by the other Party; provided, however, that nothing in this Section 8.7 is intended or shall be interpreted to limit or restrict City's right to recover the Public Benefits described in Exhibit C consistent with the terms of this Agreement or Developer's indemnity obligations set forth in Article 10.

8.8 Additional City Remedy for Developer's Default.

In the event of any Default by Developer, in addition to any other remedies which may be available to City, whether legal or equitable, City shall be entitled to receive and retain any Development Exactions applicable to the Project or the Property, including any fees, grants, dedications, or improvements to public property which it may have received prior to Developer's Default without recourse from Developer or its successors or assigns.

8.9 No Personal Liability of City Officials, Employees, or Agents.

No City official, employee, or agent shall have any personal liability hereunder for a Default by City of any of its obligations set forth in this Agreement.

8.10 No Recovery of Legal Expenses by Prevailing Party in Any Action.

In any judicial proceeding, arbitration, or mediation (collectively, an “Action”) between the Parties that seeks to enforce the provisions of this Agreement or arises out of this Agreement, the prevailing Party shall not be entitled to recover any costs and expenses, regardless of whether they would be recoverable under California Code of Civil Procedure section 1033.5 or California Civil Code section 1717 in the absence of this Agreement. These costs and expenses include court costs, expert witness fees, attorneys’ fees, and costs of investigation and preparation before initiation of the Action.

9. Force Majeure.

Neither Party shall be deemed to be in Default where failure or delay in performance of any of its obligations under this Agreement is caused, through no fault of the Party whose performance is prevented or delayed, by floods, earthquakes, other acts of God, fires, wars, riots or similar hostilities, strikes or other labor difficulties, state or federal regulations, or court actions. Except as specified above, nonperformance shall not be excused because of the act or omission of a third person. In no event shall the occurrence of an event of force majeure operate to extend the Term of this Agreement. In addition, in no event shall the time for performance of a monetary obligation be extended pursuant to this Section.

10. Indemnity Obligations of Developer.

10.1 Indemnity Arising From Acts or Omissions of Developer.

Except to the extent caused by the intentional misconduct or grossly negligent acts, errors or omissions of City or one or more of City’s officials, employees, agents, attorneys, and contractors (collectively, the “City’s Affiliated Parties”), Developer shall indemnify, defend, and hold harmless City and City’s Affiliated Parties from and against all suits, claims, liabilities, losses, damages, penalties, obligations, and expenses (including but not limited to reasonable attorneys’ fees and costs) (collectively, a “Claim”) that may arise, directly or indirectly, from the acts, omissions, or operations of Developer or Developer’s agents, contractors, subcontractors, agents, or employees in the course of Development of the Project or any other activities of Developer relating to the Property or Project or pursuant to this Agreement. These obligations shall apply, irrespective of whether a court issued a final determination in a matter. City shall have the right to select and retain counsel to defend any Claim filed against City and/or any of City’s Affiliated Parties, and Developer shall pay the reasonable cost for defense of any Claim. The indemnity provisions in this Section 10.1 shall commence on the Agreement Date, regardless of whether the Effective Date occurs, and shall survive the Termination Date.

10.2 Third Party Litigation.

In addition to its indemnity obligations set forth in Section 10.1, Developer shall indemnify, defend, and hold harmless City and City’s Affiliated Parties from and against any Claim against City or City’s Affiliated Parties seeking to attack, set aside, void, or annul the approval of this Agreement, the Adopting Ordinance, any of the Development Regulations for the Project (including without limitation any actions taken pursuant to CEQA with respect thereto), any Subsequent Development Approval, or the approval of any permit granted pursuant to this Agreement. These obligations shall apply irrespective of whether a court issued a final

determination in a matter. Said indemnity obligation shall include payment of reasonable attorney's fees, expert witness fees, and court costs. City shall promptly notify Developer of any such Claim and City shall cooperate with Developer in the defense of such Claim. If City fails to promptly notify Developer of such Claim, Developer shall not be responsible to indemnify, defend, and hold City harmless from such Claim until Developer is so notified and if City fails to cooperate in the defense of a Claim Developer shall not be responsible to defend, indemnify, and hold harmless City during the period that City so fails to cooperate or for any losses attributable thereto. City shall be entitled to retain separate counsel to represent City against the Claim and the City's defense costs for its separate counsel shall be included in Developer's indemnity obligation, provided that such counsel shall reasonably cooperate with Developer in an effort to minimize the total litigation expenses incurred by Developer. In the event either City or Developer recovers any attorney's fees, expert witness fees, costs, interest, or other amounts from the party or parties asserting the Claim, Developer shall be entitled to retain the same (provided it has fully performed its indemnity obligations hereunder). The indemnity provisions in this Section 10.2 shall commence on the Agreement Date, regardless of whether the Effective Date occurs, and shall survive the Termination Date.

10.3 Environmental Indemnity.

In addition to its indemnity obligations set forth in Section 10.1, from and after the Effective Date Developer shall indemnify, defend, and hold harmless City and City's Affiliated Parties from and against any and all Claims for personal injury or death, property damage, economic loss, statutory penalties or fines, and damages of any kind or nature whatsoever, including without limitation reasonable attorney's fees, expert witness fees, and costs, based upon or arising from any of the following: (i) the actual or alleged presence of any Hazardous Substance on or under any of the Property in violation of any applicable Environmental Law; (ii) the actual or alleged migration of any Hazardous Substance from the Property through the soils or groundwater to a location or locations off of the Property; and (iii) the storage, handling, transport, or disposal of any Hazardous Substance on, to, or from the Property and any other area disturbed, graded, or developed by Developer in connection with Developer's Development of the Project. The foregoing indemnity obligations shall not apply to any Hazardous Substance placed or stored on a separate legal lot within the Property after the Lot Termination Date for said lot, as provided in Section 2.4 of this Agreement. The indemnity provisions in this Section 10.3 shall commence on the Effective Date, and shall survive the Termination Date.

11. Assignment.

Developer shall have the right to sell, transfer, or assign (hereinafter, collectively, a "Transfer") Developer's interest in or fee title to the Property, in whole or in part, to a Permitted Transferee (which successor, as of the effective date of the Transfer, shall become the "Developer" under this Agreement) at any time from the Agreement Date until the Termination Date; provided, however, that no such Transfer shall violate the provisions of the Subdivision Map Act (Government Code section 66410 et seq.) or City's local subdivision ordinance and any such transfer shall include the assignment and assumption of Developer's rights, duties, and obligations set forth in or arising under this Agreement as to the Property or the portion thereof so Transferred and shall be made in strict compliance with the following conditions precedent: (i) no transfer or assignment of any of Developer's rights or interest under this Agreement shall be made unless made together with the Transfer of all or a part of Developer's interest in the

Property; and (ii) prior to the effective date of any proposed Transfer, Developer (as transferor) shall notify City, in writing, of such proposed Transfer and deliver to City a written assignment and assumption, executed in recordable form by the transferring and successor Developer and in a form subject to the reasonable approval of the City Attorney of City (or designee), pursuant to which the transferring Developer assigns to the successor Developer and the successor Developer assumes from the transferring Developer all of the rights and obligations of the transferring Developer with respect to the Property, or interest in the Property, or portion thereof to be so Transferred, including in the case of a partial Transfer the obligation to perform such obligations that must be performed outside of the Property so Transferred that are a condition precedent to the successor Developer's right to develop the portion of the Property so Transferred. Any Permitted Transferee shall have all of the same rights, benefits, duties, obligations, and liabilities of Developer under this Agreement with respect to the portion of, or interest in, the Property sold, transferred, and assigned to such Permitted Transferee; provided, however, that in the event of a Transfer of less than all of the Property, or interest in the Property, no such Permitted Transferee shall have the right to enter into an amendment of this Agreement that jeopardizes or impairs the rights or increases the obligations of the Developer with respect to the balance of the Property.

Notwithstanding any Transfer, the transferring Developer shall continue to be jointly and severally liable to City, together with the successor Developer, to perform all of the transferred obligations set forth in or arising under this Agreement unless there is full satisfaction of all of the following conditions, in which event the transferring Developer shall be automatically released from any and all obligations with respect to the portion of the Property so Transferred: (i) the transferring Developer no longer has a legal or equitable interest in the portion of the Property so Transferred other than as a beneficiary under a deed of trust; (ii) the transferring Developer is not then in Default under this Agreement and no condition exists that with the passage of time or the giving of notice, or both, would constitute a Default hereunder; (iii) the transferring Developer has provided City with the notice and the fully executed written and recordable assignment and assumption agreement required as set forth in the first paragraph of this Article 11; and (iv) the successor Developer either (A) provides City with substitute security equivalent to any security previously provided by the transferring Developer to City to secure performance of the successor Developer's obligations hereunder with respect to the Property, or interest in the Property, or the portion of the Property so Transferred, as determined in the City's reasonable discretion, or (B) if the transferred obligation in question is not a secured obligation, the successor Developer either provides security reasonably satisfactory to City or otherwise demonstrates to City's reasonable satisfaction that the successor Developer has the financial resources or commitments available to perform the transferred obligation at the time and in the manner required under this Agreement and the Development Regulations for the Project. Any determination by the City pursuant to this paragraph shall be made in writing and shall expressly refer to this paragraph.

12. Mortgagee Rights.

12.1 Encumbrances on Property.

The Parties agree that this Agreement shall not prevent or limit Developer in any manner from encumbering the Property, any part of the Property, or any improvements on the Property

with any Mortgage securing financing with respect to the construction, development, use, or operation of the Project.

12.2 Mortgagee Protection.

This Agreement shall be superior and senior to the lien of any Mortgage. Nevertheless, no breach of this Agreement shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. Any acquisition or acceptance of title or any right or interest in the Property or part of the Property by a Mortgagee (whether due to foreclosure, trustee's sale, deed in lieu of foreclosure, lease termination, or otherwise) shall be subject to all of the terms and conditions of this Agreement. Any Mortgagee who takes title to the Property or any part of the Property shall be entitled to the benefits arising under this Agreement.

12.3 Mortgagee Not Obligated.

Notwithstanding the provisions of this Section 12.3, a Mortgagee will not have any obligation or duty under the terms of this Agreement to perform the obligations of Developer or other affirmative covenants of Developer, or to guarantee this performance except that: (i) the Mortgagee shall have no right to develop the Project under the Development Regulations without fully complying with the terms of this Agreement; and (ii) to the extent that any covenant to be performed by Developer is a condition to the performance of a covenant by City, that performance shall continue to be a condition precedent to City's performance.

12.4 Notice of Default to Mortgagee; Right of Mortgagee to Cure.

Each Mortgagee shall, upon written request to City, be entitled to receive written notice from City of: (i) the results of the periodic review of compliance specified in Article 7 of this Agreement, and (ii) any default by Developer of its obligations set forth in this Agreement.

Each Mortgagee shall have a further right, but not an obligation, to cure the Default within thirty (30) calendar days after receiving a Notice of Default with respect to a monetary Default and within sixty (60) calendar days after receiving a Notice of Default with respect to a non-monetary Default. If the Mortgagee can only remedy or cure a non-monetary Default by obtaining possession of the Property, then the Mortgagee shall have the right to seek to obtain possession with diligence and continuity through a receiver or otherwise, and to remedy or cure the non-monetary Default within sixty (60) calendar days after obtaining possession and, except in case of emergency or to protect the public health or safety, City may not exercise any of its judicial remedies set forth in this Agreement to terminate or substantially alter the rights of the Mortgagee until expiration of the sixty (60) calendar day period. In the case of a non-monetary Default that cannot with diligence be remedied or cured within sixty (60) calendar days, the Mortgagee shall have additional time as is reasonably necessary to remedy or cure the Default, provided the Mortgagee promptly commences to cure the non-monetary Default within sixty (60) calendar days and diligently prosecutes the cure to completion.

13. Miscellaneous Terms.

13.1 Notices.

Any notice or demand that shall be required or permitted by law or any provision of this Agreement shall be in writing. If the notice or demand will be served upon a Party, it either shall be personally delivered to the Party; deposited in the United States mail, certified, return receipt requested, and postage prepaid; or delivered by a reliable courier service that provides a receipt showing date and time of delivery with courier charges prepaid. The notice or demand shall be addressed as follows:

TO CITY: City of Fullerton
303 W. Commonwealth Avenue

Either Party may change the address stated in this Section 13.1 by delivering notice to the other Party in the manner provided in this Section 13.1, and thereafter notices to such Party shall be addressed and submitted to the new address. Notices delivered in accordance with this Agreement shall be deemed to be delivered upon the earlier of: (i) the date received or (iii) three business days after deposit in the mail as provided above.

13.2 Project as Private Undertaking.

The Development of the Project is a private undertaking. Neither Party is acting as the agent of the other in any respect, and each Party is an independent contracting entity with respect to the terms, covenants, and conditions set forth in this Agreement. This Agreement forms no partnership, joint venture, or other association of any kind. The only relationship between the Parties is that of a government entity regulating the Development of private property by the owner of the property.

13.3 Cooperation.

Each Party shall cooperate with and provide reasonable assistance to the other Party to the extent consistent with and necessary to implement this Agreement. Upon the request of a Party at any time, the other Party shall promptly execute, with acknowledgement or affidavit if reasonably required, and file or record the required instruments and writings and take any actions as may be reasonably necessary to implement this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

13.4 Estoppel Certificates.

At any time, either Party may deliver written notice to the other Party requesting that that Party certify in writing that, to the best of its knowledge: (i) this Agreement is in full force and effect and is binding on the Party; (ii) this Agreement has not been amended or modified either orally or in writing or, if this Agreement has been amended, the Party providing the certification shall identify the amendments or modifications; and (iii) the requesting Party is not in Default in the performance of its obligations under this Agreement and no event or situation has occurred that with the passage of time or the giving of Notice or both would constitute a Default or, if such is not the case, then the other Party shall describe the nature and amount of the actual or prospective Default. City shall be entitled to payment/reimbursement for its actual and reasonable costs of investigation and preparation of an estoppel certificate prior to issuing the same.

The Party requested to furnish an estoppel certificate shall execute and return the certificate within thirty (30) days following receipt.

13.5 Rules of Construction.

The singular includes the plural; the masculine and neuter include the feminine; “shall” is mandatory; and “may” is permissive.

13.6 Time Is of the Essence.

Time is of the essence regarding each provision of this Agreement as to which time is an element.

13.7 Waiver.

The failure by a Party to insist upon the strict performance of any of the provisions of this Agreement by the other Party, and failure by a Party to exercise its rights upon a Default by the other Party, shall not constitute a waiver of that Party’s right to demand strict compliance by the other Party in the future.

13.8 Counterparts.

This Agreement may be executed in two or more counterparts, each of which shall be identical and may be introduced in evidence or used for any other purpose without any other counterpart, but all of which shall together constitute one and the same agreement.

13.9 Entire Agreement.

This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter addressed in this Agreement.

13.10 Severability.

The Parties intend that each and every obligation of the Parties is interdependent and interrelated with the other, and if any provision of this Agreement or the application of the provision to any Party or circumstances shall be held invalid or unenforceable to any extent, it is the intention of the Parties that the remainder of this Agreement or the application of the provision to persons or circumstances shall be rendered invalid or unenforceable. The Parties intend that neither Party shall receive any of the benefits of the Agreement without the full performance by such Party of all of its obligations provided for under this Agreement. Without limiting the generality of the foregoing, the Parties intend that Developer shall not receive any of the benefits of this Agreement if any of Developer's obligations are rendered void or unenforceable as the result of any third party litigation, and City shall be free to exercise its legislative discretion to amend or repeal the Development Regulations applicable to the Property and Developer shall cooperate as required, despite this Agreement, should third party litigation result in the nonperformance of Developer's obligations under this Agreement. The provisions of this Section 13.10 shall apply regardless of whether the Effective Date occurs and after the Termination Date.

13.11 Construction.

This Agreement has been drafted after extensive negotiation and revision. Both City and Developer are sophisticated parties who were represented by independent counsel throughout the negotiations or City and Developer had the opportunity to be so represented and voluntarily chose to not be so represented. City and Developer each agree and acknowledge that the terms of this Agreement are fair and reasonable, taking into account their respective purposes, terms, and conditions. This Agreement shall therefore be construed as a whole consistent with its fair meaning, and no principle or presumption of contract construction or interpretation shall be used to construe the whole or any part of this Agreement in favor of or against either Party.

13.12 Successors and Assigns; Constructive Notice and Acceptance.

The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties to this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to Development of the Property: (i) is for the benefit of and is a burden upon every portion of the Property; (ii) runs with the Property and each portion thereof; and (iii) is binding upon each Party and each successor in interest during its ownership of the Property or any portion thereof. Every person or entity who now or later owns or acquires any right, title, or interest in any part of the Project or the Property is and shall be conclusively deemed to have consented and agreed to every provision of this Agreement. This Section 13.12 applies regardless of whether the instrument by which such person or entity acquires the interest refers to or acknowledges this Agreement and

regardless of whether such person or entity has expressly entered into an assignment and assumption agreement as provided for in Article 11.

13.13 No Third Party Beneficiaries.

The only Parties to this Agreement are City and Developer. This Agreement does not involve any third party beneficiaries, and it is not intended and shall not be construed to benefit or be enforceable by any other person or entity.

13.14 Applicable Law and Venue.

This Agreement shall be construed and enforced consistent with the laws of the State of California, without regard to conflicts of law principles. Any action at law or in equity arising under this Agreement or brought by any Party for the purpose of enforcing, construing, or determining the validity of any provision of this Agreement shall be filed and tried in the Superior Court of the County of Orange, State of California, or the United States District Court for the Central District of California. The Parties waive all provisions of law providing for the removal or change of venue to any other court.

13.15 Section Headings.

All section headings and subheadings are inserted for convenience only and shall not affect construction or interpretation of this Agreement.

13.16 Incorporation of Recitals and Exhibits.

All of the Recitals are incorporated into this Agreement by this reference. Exhibits A and B are attached to this Agreement and incorporated by this reference as follows:

13.17 Recordation.

The City shall record this Agreement and any amendment, modification, or cancellation of this Agreement in the Office of the County Recorder of the County of Orange within the period required by California Government Code section 65868.5. The date of recordation of this Agreement shall not modify or amend the Agreement Date, Effective Date or Termination Date.

13.18 Operating Memoranda.

The provisions of this Agreement require a close degree of cooperation between City and Developer and the refinements and further development of the Project may demonstrate that clarifications are appropriate with respect to the details of performance of City and Developer. If and when, from time to time, during the Term of this Agreement, City and Developer agree that such clarifications are necessary or appropriate, they shall effectuate such clarifications through operating memoranda approved by City and Developer, which, after execution, shall be attached hereto, and may be further clarified from time to time as necessary with future approval by City and Developer. No such operating memoranda shall constitute an amendment to this Agreement requiring public notice or hearing. The City Planning Director shall be authorized to make the determination whether a requested clarification may be effectuated pursuant to this Section 13.18 and may execute any operating memoranda hereunder without City Council action.
