DISCUSSION

California's Assembly Bill 361 allows local agency legislative body members to participate remotely in meetings during a declared state of emergency through December 31, 2023, provided local agencies comply with specified requirements. City Council adopted Resolution No. 2021-73 on October 5, 2021, making the legally required findings to continue to authorize remote legislative body member participation for City Council and Fullerton board / commission / committee meetings. AB 361

requires that the legislative body continue to make the determination every 30 days from the initial determination.

City Council authorized the Mayor and City Manager to determine when to implement teleconferenced meeting protocols at its February 1, 2022 meeting.

The attached resolution contains the findings required to continue remote legislative body meeting participation.
