Bill	Summary	Status	Recommend ed Position	ACCOC Position	Legislative Platform	City Advocacy
AB 27 (Melendez)	This bill would define as violent felonies rape, sodomy, penetration with a foreign object, or oral copulation, if the victim was unconscious, if the victim was incapable of giving consent due to intoxication, if the victim was incapable of giving legal consent because of a mental disorder or developmental or physical disability, if the victim submitted to the act under the belief that the person committing the act was someone known to the victim other than the accused, or if the act was accomplished against the victim's will by threatening to use the authority of a public official for purposes of the specified sentencing enhancements.	Dead	Support	Support	43. Support measures that encourage community safety and well-being including those which support state and federal reimbursement of homeland security related expenses.	3/29/17 Support Letter Sent
AB 28 (Frazier)	Current federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Current law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program. This bill would reinstate the operation of the latter provision. The bill would repeal that provision on January 1, 2020. This bill would declare that it is to take effect immediately as an urgency statute.	Signed into Law	Support	Support	59. Support increased State and Federal funding of transportation improvements with regional or sub-regional benefits for all modes of transportation.	
AB 33 (Quirk)	Would require the PUC, by March 30, 2018, in consultation with the State Air Resources Board and the Energy Commission, to consider authorizing electrical corporations to offer programs and investments that support customers who purchase a used electric vehicle. If authorized by the PUC, the bill would require that the programs and investments be designed to accelerate widespread transportation electrification, achieve ratepayer benefits, reduce dependence on petroleum, meet air quality standards, and reduce emissions of greenhouse gases. AB 42 (Bonta)	The bill would require each county to establish a pretrial services agency that would be responsible for gathering information about newly arrested persons, conducting pretrial risk assessments, preparing individually tailored recommendations to the court regarding release options and conditions, and providing pretrial services and supervision to persons on pretrial release. The bill would require an unspecified agency to take certain actions relating to the implementation of the revised pretrial release procedure, including, among others, selecting a pretrial risk assessment tool to be used in conducting pretrial risk assessments that meets specified requirements and reviewing collected data to monitor compliance with state law and guidelines relating to pretrial release. The bill would also authorize that agency to take certain actions relating to the implementation of the revised pretrial release procedure, including, among other things, providing training and assistance to judges, prosecutors, defense attorneys, pretrial services agencies, jail staff, and law enforcement agencies. The bill would require the Board of State and Community Corrections, in consultation with that unspecified agency, to develop a plan that establishes statewide requirements for counties relating to annual reporting of pretrial release and detention information.	Dead		Oppose	46. Oppose legislative attempts at early release of incarcerated prisoners and measures that would further de-criminalize non-violent offenses.	
AB 74 (Chiu)	Would require Department of Housing and Community Development to, on or before January 1, 2019, establish the Housing for a Healthy California Program and award grants on a competitive basis to eligible grant applicants based on guidelines that HCD would draft, as prescribed, and other requirements. One priority of the program would be on the ability of the applicant to administer a program offering interim and long-term rental assistance to people experiencing homelessness.	Signed into Law	Watch		32. Support housing measures that promote the development and enhancement of safe and affordable housing and accessible housing within the City for all economic segments of the population, while still retaining local control.	
AB 150 (Mathis)	This bill would establish notice requirements for a plaintiff to follow before bringing an action against a small business, as defined, for an alleged violation of the Americans with Disabilities Act of 1990 (ADA). The bill would require the plaintiff to provide notice to a business at least 6 months before filing the complaint. The bill would also preclude commencement of an action against a small business for an alleged ADA violation if the small business has made a good faith effort to correct the alleged violation.	Dead	Support		41.Support legislation to amend the Americans with Disabilities Act to require notice prior to filing a lawsuit.	4/4/17 Support Letter Sent
AB 179 (Cervantes)	Current law creates the California Transportation Commission Current law provides that the commission consists of 13 members: 11 voting members, of which 9 are appointed by the Governor subject to Senate confirmation, one is appointed by the Senate Committee on Rules, and one is appointed by the Speaker of the Assembly, and 2 Members of the Legislature who are appointed as nonvoting ex officio members. This bill would require that 7 of those voting members have specified qualifications and experiences.	Signed into Law	Watch	Oppose		

AB 199 (Chu)	This bill would require private residential projects built on private property that are built pursuant to an agreement with the state or a political subdivision to meet the requirements for projects that are defined as "public works," thus expanding the types of projects that must meet these requirements. AB 199 mandates the payment of prevailing wages on new privately constructed residential housing. Incorporates changes to Labor Code proposed by AB 1066 if both are passed. AB 252 (Ridley Thomas)	Would, until January 1, 2023, prohibit the imposition by a city, city and county, or county, including a chartered city, city and county, or county, of a tax on video streaming services, including, but not limited to, any tax on the sale or use of video streaming services or any utility user tax on video streaming services. This bill contains other related provision	Dead	Oppose	Oppose	I. PRESERVE LOCAL CONTROL: Preserve and protect the City's powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority. Local agencies should preserve authority and accountability for revenues raised and services provided	Letter Pending
AB 285 (Melendez)	This bill would define a "drug and alcohol free residence" as a residential property that is operated as a cooperative living arrangement to provide an alcohol and drug free environment for persons recovering from alcoholism or drug abuse, or both, who seek a living environment that supports personal recovery. The bill would authorize a drug and alcohol free residence to demonstrate its commitment to providing a supportive recovery environment by applying and becoming certified by an approved certifying organization that is approved by the State Department of Health Care Services.	Dead	Support	Support	34.Support local control over the licensure and regulation of alcoholism or drug abuse recovery or treatment facilities.	4/4/17 Support Letter Sent
AB 346 (Daly)	Existing law authorizes 2 or more of specified types of housing successors to transfer funds among their respective low and moderate housing asset funds for financing specific projects. This bill would add a regional homeless shelter to the current list of projects for which those types of housing successors may finance by transferring funds among their respective low and moderate income housing funds.	Signed into Law	Support	Sponsor	48. Support initiatives involving county, state, and federal governments to reduce and prevent homelessness in Orange County.	4/4/17 Support Letter Sent
AB 510 (Quirk Silva)	Would appropriate for the 2018–19 fiscal year an unspecified sum from the General Fund to the Wildlife Conservation Board to be used for the purchase of specified property. Is anticipated to take amendments in the next few weeks to include the \$15 million in funding that was allocated through the State Budget.	Dead	Oppose unless Amended		I. PRESERVE LOCAL CONTROL: Preserve and protect the City's powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority. AB 572 (Quirk Silva)	AB 572 would require the State Department of Health Care Services to establish a pilot program to investigate complaints against licensed adult alcoholism or drug abuse recovery or treatment facilities within the County of Orange. The Department will provide the County with an investigator if the Board of Supervisors agrees to participate in this pilot program, which would require the County to reimburse the Department for the expenses associated with the investigator.	Dead	Recommend Support once amendments are added	Sponsor	Parks and Recreation: Support funding for the acquisition of additional land in West Coyote Hills.	
AB 574 (Quirk)	AB 574 would require the State Water Resources Control Board (SWRCB), on or before June 1, 2018, to establish a framework for the regulation of potable reuse projects that includes specified elements. The bill would require the SWRCB, on or before December 31, 2021, to adopt uniform water recycling criteria for potable reuse through raw water augmentation and would allow the board to extend this date if certain criteria is met. Once uniform recycling criteria is adopted, this bill authorizes the state board to reconvene or reestablish the expert review panel.	Signed into Law	Watch		21. Support and monitor legislation that increases the availability of, and funding for, water conservation, water reuse technologies, water recycling, local water storage and other water supply technologies such as the Groundwater Replenishment System project.	
AB 663 (Bloom)	This bill would suspend the operation of the provision specifying that local coastal programs are not required to include housing policies and programs beginning January 1, 2018, until January 1, 2023. This bill would, until January 1, 2023, require housing opportunities for persons of low and moderate income in the coastal zone to be protected, encouraged, and, where feasible, provided. The bill would require the commission, no later than January 1, 2019, to adopt interpretive guidelines for the development, implementation, and construction of housing opportunities for persons of low- and moderate-income in the coastal zone. This bill would, on or after January 1, 2018, prohibit the commission from entering into a PILOT agreement with a property owner of a low-income housing project that is eligible for that exemption, and would make any PILOT agreement entered into in violation of that provision void and unenforceable.	Dead	Watch	Oppose	I: PRESERVE LOCAL CONTROL: Preserve and protect the City's powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority. 31. Support efforts to strengthen the legal and fiscal capability of local agencies to prepare, adopt and implement plans for orderly growth, development, beautification and conservation of local planning areas.	
AB 686 (Santiago)	Would require a public agency to administer its programs and activities relating to housing and community development in a manner to affirmatively further fair housing, and to not take any action that is inconsistent with this obligation. The bill would make it unlawful under the California Fair Employment and Housing Act for a public agency to fail to meet its obligation to affirmatively further fair housing, and would provide that failure would constitute housing discrimination under the act.	Dead	Watch	Oppose	I: PRESERVE LOCAL CONTROL: Preserve and protect the City's powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority.	
AB 869 (Rubio)	Current law imposes various water use reduction requirements that apply to urban retail water suppliers, including a requirement that the state achieve a 20% reduction in urban per capita water use by December 31, 2020. This bill would require long-term standards for urban water conservation and water use to include a credit for recycled water, as specified.	Dead	Support	Support	21. Support and monitor legislation that increases the availability of, and funding for, water conservation, water reuse technologies, water recycling, local water storage and other water supply technologies such as the Groundwater Replenishment System project.	

AB 890 (Medina)	Would require a proponent of a proposed initiative ordinance, at the time he or she files a copy of the proposed initiative ordinance for preparation of a ballot title and summary with the appropriate elections official, to also request that an environmental review of the proposed initiative ordinance be conducted by the appropriate planning department, as specified. The bill would require the elections official to notify the proponent of the result of the environmental review.	Vetoed	Watch		II: Promote Fiscal Stability: Oppose measures that shift local funds to the County, State or Federal Governments and/or make cities more dependent on the County, State or Federal Governments for financial stability, such as unfunded mandates or mandated costs with no guarantee of local reimbursement or offsetting benefits.	
AB 968 (Rubio)	Would require each urban retail water supplier to develop a water efficiency target, as defined, for 2025 in its 2020 urban water management plan required to be submitted by July 1, 2021, and to achieve that target. The bill would authorize an urban retail water supplier to adjust and update the water efficiency target, as appropriate, when the supplier reports its compliance in achieving the water efficiency targets and its implementation of the identified performance measures in its 2025 urban water management plan required to be submitted by July 1, 2026. The bill would require each urban retail water supplier to meet its adjusted 2025 water efficiency target by December 31, 2025, unless the supplier makes a certain report to the department.	Dead	Support	Support	24. Monitor the development of a State framework for long term water conservation measures.	
AB 1000 (Friedman)	This bill would prohibit a transferor of water from using a water conveyance facility that has unused capacity to transfer water from a groundwater basin underlying desert lands, as defined, that is in the vicinity of specified federal lands or state lands to outside of the groundwater basin unless the State Lands Commission, in consultation with the Department of Fish and Wildlife, finds that the transfer of the water will not adversely affect the natural or cultural resources of those federal and state lands.	Dead	Oppose	Oppose	23. Support the enhancement of a reliable and sustainable water supply for California as well as measures that improve water quality in the region.	
AB 1069 (Low)	Would authorize a city or county to establish a maximum rate structure that would prohibit a taxicab transportation service from charging a rate to a passenger that is greater than a rate established by the city. This bill also would require that a city or county ensure that any charge imposed on a taxicab transportation service does not exceed the reasonable regulatory costs of administering and enforcing the program.	Signed into Law	Watch		65. Monitor legislation that will impact or change the reorganization of taxicab and ride-hailing services transportation services.	
AB 1129 (Stone)	The California Coastal Act of 1976 requires the permitting of revetments, breakwaters, groins, harbor channels, seawalls, cliff retaining walls, and other such construction that alters natural shoreline processes when required to serve coastal-dependent uses or to protect existing structures or public beaches in danger from erosion and when designed to eliminate or mitigate adverse impacts on local shoreline sand supply. This bill would also require that the permitted construction of those structures be consistent with the policies of the act, including policies regarding protection of public access, shoreline ecology, natural landforms, and other impacts on coastal resources, and would define the term "existing structure" for the purposes of those provisions.	Dead		Oppose	I: Preserve Local Control Preserve and protect the City's powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority. Local agencies should preserve authority and accountability for revenues raised and services provided.	

AB 1250 (Jones)	Would establish specific standards for the use of personal services contracts by counties. The bill would allow a county or county agency to contract for personal services currently or customarily performed by employees, as applicable, when specified conditions are met. Among other things, the bill would require the county to clearly demonstrate that the proposed contract will result in actual overall costs savings to the county and also to show that the contract does not cause the displacement of county workers. Bill was amended to no longer apply to cities.	Dead	Watch	Oppose	II: Promote Fiscal Stability: Oppose measures that shift local funds to the County, State or Federal Governments and/or make cities more dependent on the County, State or Federal Governments for financial stability, such as unfunded mandates or mandated costs with no guarantee of local reimbursement or offsetting benefits.	
AB 1326 (Cooper)	The Safe Neighborhoods and Schools Act (act), created the offense of shoplifting, and applied the \$950 limit to that crime and to the crimes of forgery of certain financial instruments, passing a check or certain other instruments knowing there are insufficient funds for payment of the check or instrument, petty theft, and buying or receiving stolen property, as specified. This bill would additionally provide that those offenses may be punishable as a felony if the property involved in the multiple commission of those offenses within a 12-month period has a value in the aggregate exceeding \$950, as specified.	Dead	Support	Support	43. Support measures that encourage community safety and well-being including those which support state and federal reimbursement of homeland security related expenses.	4/4/17 Support Letter Sent
AB 1397 (Low)	Current law requires the housing element to contain, among other things, an inventory of land suitable for residential development, including vacant sites and sites having the potential for redevelopment. This bill would require the inventory of land to be available for residential development in addition to being suitable for residential development and to include vacant sites and sites that have realistic and demonstrated potential for redevelopment during the planning period to meet the locality's housing need for a designated income level.	Signed into Law	Oppose	Oppose	31. AB 1408 (Calderon)	Current law requires the Department of Corrections and Rehabilitation to provide specified information to local law enforcement agencies regarding an inmate released by the department to the agency's jurisdiction on parole or postrelease community supervision, including a record of the offense for which the inmate was convicted that resulted in parole or postrelease community supervision. This bill would require the department to also provide the local law enforcement agency with copies of the record of supervision during any prior period of parole.	Vetoed	Support	Support	43. Support measures that encourage community safety and well-being including those which support state and federal reimbursement of homeland security related expenses.	

AB 1414 (Friedman)	This bill would revise the definition of “solar energy system” to specify that a design feature additionally includes any photovoltaic device or technology that is integrated into a building, including, but not limited to, photovoltaic windows, siding, and roofing shingles or tiles. This bill would extend the applicability of the limit on fees to all solar energy systems and would extend the repeal date to January 1, 2025. This bill would revise and reduce the maximum permit fees, as specified, for photovoltaic and thermal systems. This bill would authorize permit fees that exceed these charges if the city, county, city and county, or charter city provides substantial evidence, as part of a written finding and adopted resolution or ordinance, of the reasonable cost to issue the permit.	Signed into Law		Oppose	I: Preserve Local Control Preserve and protect the City’s powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority. Local agencies should preserve authority and accountability for revenues raised and services provided.	
AB 1450 (Obernolte)	This bill would require an official reporter or official reporter pro tempore to deliver a transcript in electronic form, in compliance with the California Rules of Court, to any court, party, or person entitled to the transcript, as specified, unless, among other things, the party or person requests the transcript in paper form. The bill would provide that an official reporter or official reporter pro tempore is not required to use a specific vendor, technology, or software to comply with this requirement unless he or she agrees with the court, party, or person entitled to the transcript to use a specific vendor, technology, or software.	Signed into Law		Oppose		
AB 1578 (Jones-Sawyer)	Would prohibit a state or local agency, as defined, from taking certain actions without a federal agent obtaining a court order signed by a judge and presenting that order to the state or local agency, including using agency money, facilities, property, equipment, or personnel to assist a federal agency to investigate, detain, detect, report, obtain information, or arrest a person for commercial or noncommercial cannabis activity that is authorized or allowed under state and local law in the State of California and from transferring an individual to federal law enforcement or detaining an individual at the request of federal law enforcement or federal authorities for cannabis-related activity that is legal under state and applicable local law.	Dead	Oppose	Oppose	50. Support local control for the regulation of cultivation, storage, manufacture, transport and use of medicinal and recreational marijuana and monitor legislative and administration activity to create a regulatory structure for medical and adult use.	
AB 1585 (Bloom)	Would establish in each city, county, and city and county in the state an affordable housing zoning board and procedures by which a public agency or nonprofit organization proposing to build affordable housing units, as defined, or a developer proposing to build a housing project that meets specified affordability criteria, could submit to that board a single application for a comprehensive conditional use or other discretionary permit.	Dead	Watch		Preserve and protect the City’s powers, duties and prerogatives to enact local legislation and policy direction concerning local affairs and oppose legislation that preempts local authority. AB 1770 (Stienorth)	Current law authorizes the legislative body of a local agency, as specified, that has money in a sinking fund or in its treasury not required for immediate needs to invest the money as it deems wise or expedient in certain securities and financial instruments. In this regard, existing law authorizes investment in a mortgage passthrough security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable passthrough certificate, or consumer receivable-backed bond that has a maximum of 5 years' maturity. This bill would revise the maximum 5-year maturity requirement to instead require that the securities have a maximum remaining security of 5 years or less.	On Governor's Desk	Watch			
AB 1884 (Calderon)	Current law establishes state programs for the regulation of various solid waste, including, among others, plastic products, tires, and electronics. Current law also imposes health and sanitation standards for retail food facilities, as defined, including restaurants. This bill would prohibit a food facility, as specified, where food may be consumed on the premises from providing single-use plastic straws to consumers unless requested by the consumer, as specified.	On Governor's Desk	Oppose		1. Support measures that maintain and enhance local authority and economic flexibility to regulate solid waste and recyclables.	
AB 1912 (Rodriguez)	AB 1912 would specify that all agencies of a joint powers agreement (JPA), both current and former, are jointly and severally liable for all obligations to the retirement system, and would eliminate the authority of those parties to agree otherwise with respect to the retirement liabilities of the agency. This would hold all agencies of a JPA accountable for the investment shortfalls, future discount rate reductions, and other assumptions changes made by retirement agencies.	On Governor's Desk	Oppose		4. Support maximum flexibility for local government in contracting and contract negotiations.	Draft letter sent to City on 04/19/2018

AB 2003 (Daly)	Current law authorizes a sanitation district to make and perform any agreement with a public or private corporation of any kind or a person for the joint construction, acquisition, disposition, or operation of any property or works of a kind that might be constructed, acquired, disposed of, or operated by the district. Current law requires a district, when an expenditure for work exceeds \$35,000, to contract with the lowest responsible bidder after notice. Current law requires the notice to be published, as specified. This bill would instead require the notice to be published in a manner that the district board determines to be reasonable, which may include, but is not limited to, newspapers, Internet Web sites, radio, television, or other means of mass communication	Dead	Support		4. AB 3162 (Friedman)	AB 3162 requires new single licenses to operate an alcoholism or drug abuse recovery or treatment facility (treatment facility) to be provisional for one year. This bill also increases fines on facilities that do not seek proper licensing.	On Governor's Desk	Support		34. Support local control over the licensure and regulation of alcoholism or drug abuse recovery or treatment facilities.	
AB 3178 (Rubio)	AB 3178 prohibits the Department of Resources Recycling and Recovery (CalRecycle) from taking enforcement action against a local jurisdiction for failing to meet the state's solid waste requirements due to a jurisdiction's need to dispose of recycled materials because of the lack of a market for the material. Requires CalRecycle to consider the availability of markets when determining whether a jurisdiction has made a good faith effort to implement its Source Reduction and Recycling Element (SRRE).	On Governor's Desk	Support		19. Support measures that maintain and enhance local authority and economic flexibility to regulate solid waste and recyclables.	Draft letter sent to City on 05/03/2018
SB 1 (Beall)	Would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would increase vehicle registration fees, raise the State's gasoline excise tax, raise the State's diesel excise tax, and charge an additional registration fee for electric vehicles to provide funding to local governments for transportation improvements. Under this proposal, the City of Fullerton is anticipated to receive \$4,451,945 in transportation funding annually.	Signed into Law	Watch	Watch	III. SUPPORT FUNDING OPPORTUNITIES: Support opportunities that allow the City to compete for its fair share of regional, state and federal funding.	
SB 2 (Atkins)	Part of the affordable housing package. Would impose a fee of \$75 on every real estate instrument, paper, or notice required or permitted by law. The maximum fee per single parcel will not exceed \$225. This fee is expected to generate \$229 million to \$258 million per year. During the first year of implementation (2018), 50 percent of the funding would be spent by the State on initiatives to reduce homelessness and the remaining 50 percent would be directed to local governments to update planning documents and zoning ordinances in order to streamline housing production. Starting in 2019, local governments will receive 70 percent of the revenue generated from the fee to fund local housing projects through both formulaic distribution and competitive grant programs	Signed into Law	Watch		32. Support housing measures that promote the development and enhancement of safe and affordable housing and accessible housing within the City for all economic segments of the population, while still retaining local control.	
SB 3 (Beall)	SB 3 would authorize the issuance of \$4 billion in General Obligation bonds for affordable housing, subject to voter approval. \$3 billion will be used for multi-family rental housing, transit oriented development rental housing, increasing home ownership, and grant funds for farmworker housing. \$1 billion will go towards farm, home, and mobilehome purchase assistance for veterans.
