Re: SB 856 Appropriated Funds of \$45,000

Ken,

This letter is in reference to the \$45,000 of appropriated funds per Assemblymember Sharon Quirk-Silva in SB 856 of the 2018-19 State Budget that will be provided to the City of Fullerton for the Boys & Girls Club of Fullerton. The allocation of these funds will go to assist in helping promote and support the many positive engagements the Club does in working with Fullerton's youth. We have over 1,100 members that range in age from 5 to 18 years old. These funds will help support our efforts to provide age-appropriate programs, so all members demonstrate Academic Success, Good Character & Citizenship and Healthy Lifestyles.

We appreciate the support and look forward to working on future projects together.

Sincerely,

Brett Ackerman
