

# Union Pacific Park ENA with Renewable Farms

Fullerton City Council  
November 5, 2019

# Union Pacific Park & Vicinity

12/15/2018 - 12/16/2018

# Union Pacific Park (1.7 acres)

# Union Pacific Park

- 1.7 acres
- Located near the downtown area, west of the Transportation Center
- Established in 2003 (purchased from Union Pacific Railroad in 1998)
- Closed for 10 years
  - Soil Remediation (DTSC) / Litigation between parties
  - Illicit Activity
  - Redevelopment Dissolution / State Department of Finance
  - Funding/Budget Issues

# Renewable Farms

- Established in 2008
- Mission - enhance communities through events, agriculture and education
- Current location in Anaheim
- Grow produce through Aquaponics
- Outdoor event rentals

# Proposed use for Union Pacific Park

- Urban Farm - similar to Renewable Farms
  - Recreation / open space for passive uses
  - Education
  - Internships
  - Public and private events
  - Retail - local residents / walking distance
  - Public Art
  - Festivals

# Recommendation:

Authorize the City Manager to enter into an ENA with Renewable Farms.

Staff will return to City Council for approval of a formal agreement and to present a concept for the park's proposed use.
