

RESOLUTION 2020-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FULLERTON, CALIFORNIA, UPDATING AUTHORIZATION FOR HANDLING LIABILITY CLAIMS AND RESCINDING RESOLUTION NO. 08-47

The City of Fullerton has undertaken a self-insured, program for liability claims against the City. California Government Code Section 935.4 provides for the authorization of an employee of the City to perform claims handling functions including denials, compromise or settlement of such claims on behalf of the City.

Resolution No. 08-47 adopted by the City Council July 1, 2008, authorized the Director of Human Resources, Risk Manager and/or Risk Management Analyst the authority for all claim denial determinations and granted the City Manager \$20,000 authority for claims settlement and authority to grant settlement authority to the aforementioned positions.

Changes in personnel and the addition of new classifications has necessitated an update to the designation of authorized positions, as well as an increase to the City Manager's settlement authority.

THE CITY COUNCIL OF THE CITY OF FULLERTON HEREBY RESOLVES:

1. That the Director of Human Resources, Director of Administrative Services, Deputy City Manager, Risk Manager and/or Risk Management Analyst are hereby delegated the authority for all claims denial determinations.
2. That the City Manager is hereby granted \$50,000 authority for claims settlements and, at the City Manager's discretion, settlement authority may be granted to the Director of Human Resources, Director of Administrative Services, Deputy City Manager, Risk Manager, and/or Risk Management Analyst in an amount not to exceed \$20,000 per claim.
3. This resolution supersedes Resolution No. 08-47 and is effective upon approval.

ADOPTED BY THE FULLERTON CITY COUNCIL ON MARCH 3, 2020.
