DISCUSSION

SCAG will host its Regional Conference and General Assembly on June 4, 2020 virtually via Zoom. This conference brings together elected officials, business executives and community leaders from across Southern California to address issues of regional significance. General Assembly delegates will have the opportunity to propose any policy matter for determination by the General Assembly in the form of a proposed resolution

and / or to propose revisions to the SCAG Bylaws. Traditionally the conference has been a two day event in the Southern California area requiring travel and hotel accommodations, of which SCAG has covered the majority of the Delegate's costs. Due to the public health crisis, the event will be a video meeting. Generally, the Mayor is the designated delegate. However, the Mayor has recommended that Council Member Silva serve as the Delegate and Council Member Zahra serve as the Alternate Representative.
