RESOLUTION NO. 2020-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FULLERTON, CALIFORNIA, APPROVING AND ADOPTING THE PROPOSED OPERATING BUDGET FOR FISCAL YEAR 2020-21 AND APPROPRIATING THE FUNDS NECESSARY TO MEET THE EXPENDITURES SET FORTH THEREIN

WHEREAS, the City Manager of the City of Fullerton, in conformity with Section 2.09.150 of the Fullerton Municipal Code, has submitted to the Fullerton City Council a Proposed Operating Budget for all City funds, including the Water and Sewer enterprise funds and all other funds, and the Capital Improvement Program for Fiscal Year 2020-21 in the total amount of \$240,357,800; and

WHEREAS, the City's chief operating fund budget; the General Fund, submitted herein will total \$106,087,083 for Fiscal Year 2020-21; and

WHEREAS, the Fullerton City Council held an initial review of the Fiscal Year 2020-21 Proposed Budget at a regular City Council meeting on May 5, 2020 and provided input and comments to staff; and

WHEREAS, the Fullerton City Council has considered said budget and held a public hearing on June 2, 2020, relative to its adoption; and

WHEREAS, such hearing was duly noticed and included public input from its residents, the business community and any interested parties in the City of Fullerton.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FULLERTON AS FOLLOWS:

Section 1. The Operating Budget for all City Funds including the Water and Sewer Enterprise Funds and all other funds, and the Capital Improvement Program for Fiscal Year 2020-21 is hereby approved and adopted in the amount of \$240,357,800 and will be supported by \$240,357,800 in citywide revenues, proposed cost reduction measures, and available fund balance across all funds, as presented in the Fiscal Year 2020-21 Proposed Budget document hereto attached as Exhibit B.

<u>Section 2.</u> The Capital Improvement Program for Fiscal Year 2020-21 is hereby approved and adopted in the amount of \$50,129,561 as presented in the Fiscal Year 2020-21 Proposed Budget document attached hereto as Exhibit B.

<u>Section 3.</u> The Operating Budget for the City's General Fund will total \$106,087,083 in expenditures and will be supported by a revenue budget of \$98,163,272 and \$7,923,811 in proposed budget reduction measures, as specified and approved by the City Council hereto attached as Exhibit A.

<u>Section 4.</u> The Operating Budget for Fiscal Year 2020-21 shall be considered amended upon the close of Fiscal Year 2019-20 to include and re-appropriate any outstanding encumbrances on existing agreements or contracts that will be carried forward.

<u>Section 5</u>. The Capital Improvement Program budget for Fiscal Year 2020-21 shall be considered amended upon the close of Fiscal Year 2019-20 to include and reappropriate funds for all previously approved capital improvement projects that have not been initiated and/or not completed.

<u>Section 6.</u> This Resolution shall become effective at the start of the new fiscal year, July 1, 2020.

<u>Section 7.</u> The City Clerk shall certify to the adoption of this Resolution.

ADOPTED BY THE FULLERTON CITY COUNCIL ON JUNE 2, 2020.

Jennifer Fitzgerald, Mayor

ATTEST:

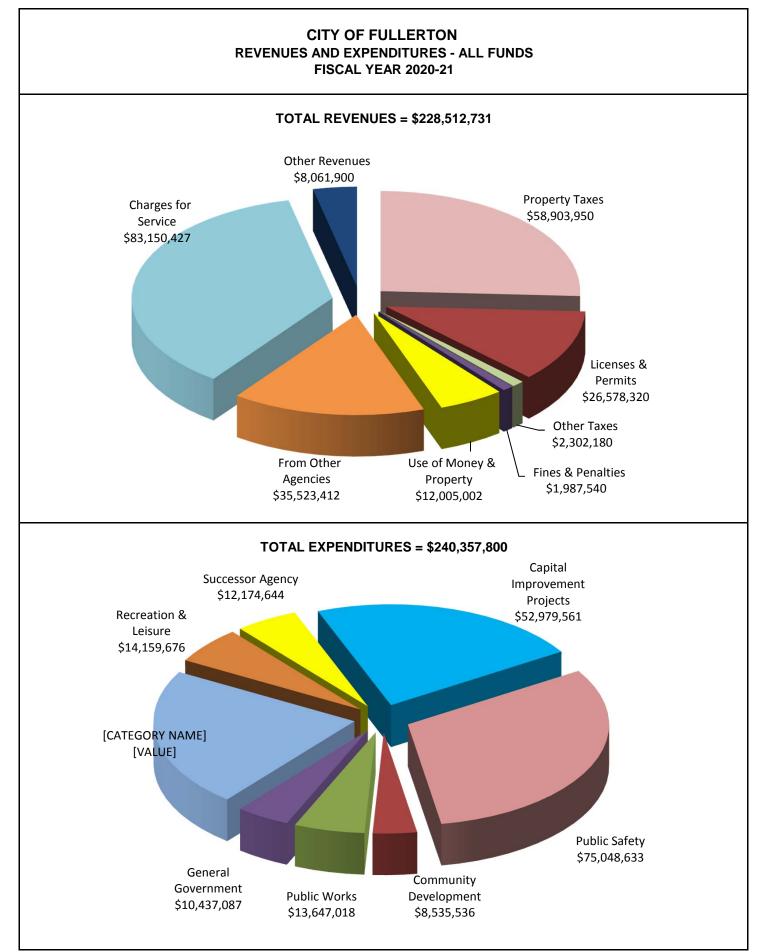

Lucinda Williams, City Clerk

* General Government <u>does not</u> include built-in Vacancy Savings at this time as the Council needs to approve and determine this amount for FY 2020-21.

CITY OF FULLERTON GENERAL FUND REVENUES FISCAL YEAR 2020-21 General Fund Revenues for FY 2020-21: \$98.163.272 **Property Tax** 48% Sales Tax 22% Other Taxes Parks & 5% **Recreation Fees** Licenses & 3% Permits Library Revenues _ 2% 0% Charges for Franchise Fees **Fines & Penalties** Service 2% 5% Use of Money & 9% Property Other Revenues **Other Agencies** 3% 0% 1%

Property Tax

All taxable real and personal property within the City limits is subject to ad valorem taxation, a tax based on value that is secured by a lien on real property. These taxes are subject to 1% of the market value limitations of Proposition 13. For every \$1 of tax collected, the City of Fullerton receives \$0.1564 and the remainder is allocated to schools and other special districts.

Sales and Use Tax

Sales tax applies to all retail sales of goods and merchandise except those specifically exempt by law. Use tax generally applies to the storage, use, or other consumption in California of goods purchased from retailers in transactions not subject to the sales tax. The City receives \$0.01 of every \$0.0775 of sales and use tax collected within the Fullerton city limits.

<u>Franchise Tax</u> - Fees are charged to electrical, gas, refuse and cable TV companies for the privilege of operating in the City. Fees are generally based on the gross receipts from sales within the City.

<u>Transient Occupancy Tax</u> - The City levies a 10% tax on hotel/motel room occupancy of less than 30 days in length.

<u>Business Registration Tax</u> - All persons conducting business within the City of Fullerton must pay a business registration tax based on a flat rate or gross receipts, depending on business type.

CITY OF FULLERTON GENERAL FUND REVENUES FISCAL YEAR 2020-21

Charges for Services

The City charges various fees and charges for services provided, including development and inspection fees, paramedic fees, charges for public works, police, fire, library and parks and recreation services. By law, the City may not charge more than the cost of providing the service.

Use of Money & Property

This category is comprised of a variety of activities including property leases and concessions and interest income. Interest earnings are allocated to various funds monthly based upon cash balances.

Licenses & Permits

The City charges for the issuance of licenses and permits to conduct certain operations in the City, such as development, public works projects, fireworks sales, parking on streets in certain areas and alarm permits.

Revenues From Other Agencies

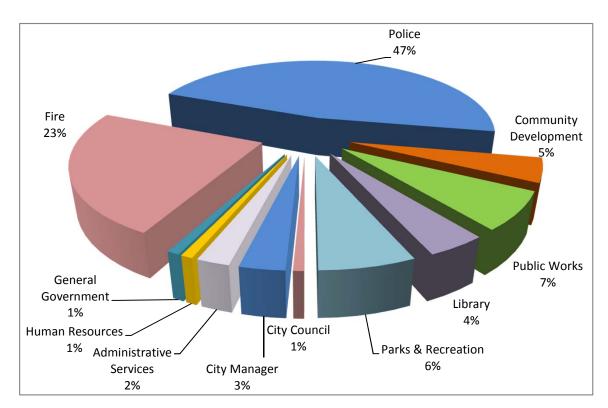

The City receives grants, subventions and reimbursements from the Federal, State and other local agencies. Examples include Motor Vehicle Licenses Fees, POST training reimbursements and disaster reimbursements when applicable.

Fines & Penalties

This revenue is generated from court fines related to parking citations.

CITY OF FULLERTON GENERAL FUND EXPENDITURES FISCAL YEAR 2020-21

General Fund Expenditures for 2020-21: \$106,087,083

* General Government does not include projected Vacancy Savings

Salaries & Benefits - \$74.6 Million

Salaries and Benefits account for over 70% of the General Fund budget and increased over \$4.0 million from the prior fiscal year. CalPERS retirement costs encompass the majority of this increase and show a budgeted increase of \$2.9 million over the prior fiscal year.

Maintenance & Support - \$31.4 Million

The Maintenance and Support budget was developed under a Maintenance of Effort (MOE) budget, which allows the budget to increase as a result of built-in contractual increases for the City's major services providers, utility rate increases, and cost allocations increased as a result of obligated personnel increases. In addition, departments were allowed to request budget enhancements as apporved by the City Council. For FY 20-21, the Maintenance & Support budget increased by \$2.8 million, laregly the result of outsourcing Parking Enforcement and Jailer professional services, in addition to one-time election costs.

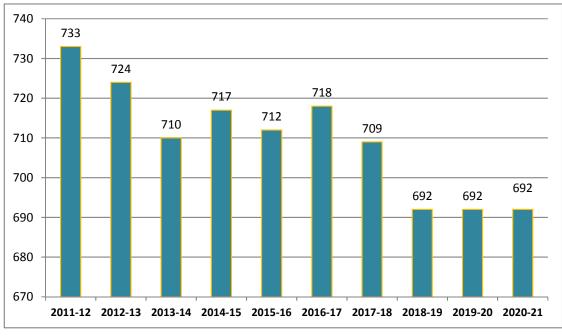

Capital Outlay - \$100,000

The capital outlay budget represents Public Safety equipment replacement costs.

CITY OF FULLERTON CAPITAL IMPROVEMENT PROGRAM OVERVIEW FISCAL YEAR 2020-21

The proposed Five-Year Capital Improvement Program (CIP), commencing July 1, 2020, and ending June 30, 2021, is presented in this section. The CIP is a planning tool for short- and long-range capital improvements and development. It links Fullerton's fiscal planning process to physical development.

City projects total \$50,129,561 for 2020-21. In accordance with the City's goals, design will be completed or a construction contract will be awarded by June 30, 2021 for the majority of the projects in the 2020-21 CIP. Included in this year's CIP is a status of capital projects that are still in progress and will be carried over to 2020-21.

The 2020-21 CIP utilizes exclusively restricted funds that are not available for general operations. The funding composition of the 2020-21 CIP budget is shown below. Reconstruction and rehabilitation of the City's infrastructure system and various facilities continue to be a high priority for the Five-Year CIP.

	Proposed Funding FY 2020-2021		
Funding Source	<u>Amount</u>	Percent	
RESTRICTED FUNDS		- <i>101</i>	
Air Quality Fund	\$30,000	0.1%	
Airport Enterprise Fund	\$370,000	0.7%

CITY OF FULLERTON FISCAL YEARS 2020-21 - 2024-25 Department: Public Works - Engineering (Streets) Project Priority Number: 1 Project Number: 44400 Project Name: Annual Arterial Street Program General Plan Element Section: Mobility General Plan Element Subsection: Policy P5.6 Project Category: Street Improvement Type of Project: Rehabilitation Project Location: CITYWIDE Expected Completion Date: Ongoing - Multivear Project Description: Deficiencies and priorities are based on the Pavement Management Plan (PMP), Average Daily Traffic (ADT), maintenance service orders, conjunction with water, sewer and/or drainage projects, participation of other jurisdictions, and on bi-annual staff surveys. This is a multiyear program of reconstruction and resurfacing of the City's arterial street system. The streets below are those in need of total or significant rehabilitation, and will reduce the overall pavement condition deficiencies on the arterial streets. Some of the highest priority arterial streets scheduled to be rehabilitated in The arterial streets scheduled to be rehabilitated in the next fiscal year are: Euclid Street - Williamson Avenue to Fern Drive Orangethorpe Avenue - Woods Avenue to Highland Avenue Sewer, water and/or drainage funds will be contributed proportionally when these improvements are conducted concurrently with the street improvements. PROJECT COSTS **Funding Source** FY 2020-21 FY 2021-22 FY 2022-23 FY 2023-24 FY 2024-25 TOTAL RMRA/SB1 \$2,260,000 \$2,485,000 \$2,485,000 \$2,485,000 \$2,485,000 \$12,200,000 \$0 \$0 \$0 \$0 \$0 TOTALS \$2,260,000 \$2,485,000 \$2,485,000 \$2,485,000 \$2,485,000 \$12,200,000 Restrictions or Deadlines Associated with Outside Funding Sources: RMRA/SB1 funds require project allocation in May prior to FY and expenditure report by October 1st of every year.

CITY OF FULLERTON FISCAL YEARS 2020-21 - 2024-25 2 Department: Public Works - Engineering (Streets) Project Priority Number: Project Number: 44589 Project Name: Annual Residential Street Program General Plan Element Section: Mobility General Plan Element Subsection: Policy P5.6 Project Category: Street Improvement Type of Project: Rehabilitation Project Location: CITYWIDE Expected Completion Date: Ongoing - Multivear Project Description: Deficiencies and priorities are based on the Pavement Management Plan (PMP), Average Daily Traffic (ADT), maintenance service orders, conjunction with water, and sewer and/or drainage projects. This is a multiyear program of reconstruction and resurfacing of the City's residential and local street system. Deficiencies and priorities are based on current engineering and maintenance surveys. This project includes both total and partial reconstruction with an asphalt concrete overlay for various streets throughout the City. Measure M2 funds and Gas Tax funds are used to fund this project. Sewer, water, and/or drainage funds will be contributed proportionally when the improvements are conducted concurrently with the street improvements. Measure M2 funds requires an updated Pavement Management Plan (PMP) for residential streets every six years. Some of the priority residential streets scheduled to be rehabilitated in the next fiscal year are: Victoria Drive - Chapman Avenue to Dorothy Lane Nutwood-Yale Area Hastings-Ash Area San Juan Area Locations are subject change as priorities and funding are continuously updated. PROJECT COSTS **Funding Source** FY 2020-21 FY 2021-22 FY 2022-23 FY 2023-24 FY 2024-25 TOTAL Measure M2 \$1,500,000 \$7,346,000 \$1,381,000 \$1,476,000 \$1,393,000 \$1,596,000 Gas Tax \$75,000 \$344,000 \$263.000 \$10,000 \$169.000 \$861,000 Grant - CDBG \$335,550 \$335,550 \$0 \$0 \$0 TOTALS \$1,910,550 \$1,725,000 \$1,739,000 \$1,403,000 \$1,765,000 \$8,542,550 Restrictions or Deadlines Associated with Outside Funding Sources: Measure M2 funds must be spent within 3 years of receipt. CITY OF FULLERTON FISCAL YEARS 2020-21 - 2024-25									
Department: Public Works	s - Engineerin	g (Streets)		Project Priority	Number:	3			
Project Number: 44792 Project Name: Curb/Gutter & Sidewalk Reconstruction - FY 20-21									
General Plan Element Section	: Mobility								
General Plan Element Subsec	tion: Policy P5	.6 & P5.7							
Project Category: Street Impro	vement		Type of Proje	ect: Rehabili	tation				
Project Location: CITYWIDE									
Expected Completion Date: On	igoing - Multiye	ar							
Project Description: A continuing program for curb/gutter and sidewalk repair, which will improve drainage, reduce unsightly ponding, and replace sidewalk damaged by parkways trees. Replacing the curb/gutter will also increase the life of the adjacent asphalt concrete paving, while replacing sidewalks will reduce the City's exposure to liability. Access ramps are installed near activity centers (i.e. parks, schools, commercial areas) and in areas of concern identified by residents needing disabled access. Installation of ramps is coordinated with the Residential Street Program whenever possible.									
Surveys throughout the City are being conducted to update current deficiency lists, which will be used to define the priorities for the program.

Project Category: Water Syste	m		Type of Proje	ect: Repair &	& Maintenance				
Project Location: CITYWIDE									
Expected Completion Date: Or	igoing - Annual	Project							
Project Description: This is a multi-year program to replace aging water mains in the City's water distribution system. The City has approximately 430 miles of pipeline. Many of the City's water mains are beyond its design service life. The City of Fullerton's oldest water mains were constructed in the 1910s. Some of these old pipes have water quality problems and many have had multiple leaks over the years.									
The Water Rate Study in 2019 recommended an accelerated replacement cycle. The study noted that over 50% of the pipes are over 50 years old. In 2019, the City approved an escalating 5-year water rate increase to support the annual replacement of 3, 3, 5, 7, and ultimately 9 miles of water main in FY 2024.									
Funding from FY 2020-21 will fund the following project areas: - San Juan Area - Nutwood/Yale Area - Victoria Area - West Ash Area These locations are subject to change as priorities are continuously updated.

Expected Completion Date	e: Ongoing - Multiyea	ar								
Project Description: This program is to replace water wells that have deteriorated beyond rehabilitation efforts. Replacing water wells will help improve system reliability, increase the accessibility to the lower cost groundwater supply, and meet projected water demands. Production from the water wells comprise approximately 77% of the City's water. Future changes in the region's water supply management may require the City to increase this percentage. City wells range in age from 18 to 93 years.

CITY OF FULLERTON FISCAL YEARS 2020-21 - 2024-25 Department: Public Works - Engineering (Water) Project Priority Number: 8 Project Number: 53626 Project Name: Upgrade & Rehabilitation of City Reservoirs General Plan Element Section: Water General Plan Element Subsection: Policy P19.4 & P19.5 Project Category: Water System Type of Project: **Repair & Maintenance** Project Location: VARIOUS LOCATIONS Expected Completion Date: Ongoing - Multivear **Project Description:** This program is to upgrade and rehabilitate water reservoirs, including repair of damaged interior and exterior coatings and piping deterioration from corrosion and normal aging. Many of the City's water reservoirs were built in the 1960's. The service life of these reservoirs is 50-75 years depending on construction type and maintenance schedule. A rehabilitation/upgrade program will ensure the City's reservoirs are able to provide another 20 years or more of service and bring the reservoirs to current safety and seismic standards. Funding will be for rehabilitation at the following reservoirs: FY 2021-22: Coyote Reservoir - An above-ground nested concrete reservoir constructed in 1958. It requires structural rehabilitation and safety upgrades per Cal/OSHA and Health Department. The overflow pipe is corroded. Additional funding may be required after assessment from a consultant. FY 2020-21: Tank Farm Reservoir Tank 2 - A steel reservoir constructed in 1960. In the 1990s, the interior of the steel reservoir was coated with Coal Tar as was standard for the time for corrosion control. The Coal Tar has aged and is currently causing non-hazardous water quality issues. The Coal Tar needs to be removed and the steel tank epoxy coated. Other safety and Cal/OSHA upgrades are needed to meet current safety requirements. PROJECT COSTS **Funding Source** FY 2020-21 FY 2021-22 FY 2022-23 FY 2023-24 FY 2024-25 TOTAL Water Fund \$2,500,000 \$1,000,000 \$3,500,000 \$0 \$0 \$0 \$0 \$0 TOTALS \$0 \$2,500,000 \$1,000,000 \$0 \$0 \$3,500,000 Restrictions or Deadlines Associated with Outside Funding Sources: None.

General Plan Element Section	: Water						
General Plan Element Subsec	tion: Policy P1	9.4 & P19.5					
Project Category: Water Syste	m		Type of Proje	ect: Repair &	& Maintenance		
Project Location: CITYWIDE							
Expected Completion Date: On	igoing - Annual	Project					
Project Description: This program is to repair or replace valves, vaults, large meters, and other miscellaneous structures required for operating a water distribution system.							
The vaults scheduled for repair pose safety hazards to the maintenance crew due to their layout and are not compliant per new Cal/OSHA regulations for confined space access.							
The valves requiring replacement are broken and cannot close completely. The poor condition of the valves cause more customers to be out of service when a water shutdown is required, whether for construction of new development or for emergencies (e.g., water main breaks).							
The large meters serve multifamily, commercial, and industrial properties. The City has a maintenance program that tests for the accuracy of these meters and verifies that the City is collecting the correct revenue from its customers. Older meter assemblies were not installed with the ability to be tested. The large meter replacement schedule priorities are based on the highest water users whose meters are not testable.

CITY OF FULLERTON FISCAL YEARS 2020-21 - 2024-25 Department: Public Works - Engineering (Traffic) Project Priority Number: 6 Project Number: 46000 Project Name: Orangethorpe Avenue Traffic Signal Synchronization Project General Plan Element Section: Mobility General Plan Element Subsection: Policy P5.1 & P5.6 Project Category: Traffic Signal & Safety Lighting Type of Project: Replacement Project Location: Orangethorpe Ave - City Limits Expected Completion Date: Fall 2022 Project Description: A multi-jurisdictional project through Orange County Transportation Authority's (OCTA) Project P/Regional Traffic Signal Synchronization Program (RTSSP). The Orangethorpe Avenue/Esperanza Road project from Knott Avenue in the City of Buena Park to Imperial Highway in the City of Yorba Linda is approximately 14.7 miles in length and involves 41 signalized intersections, 16 of which are in the City of Fullerton. The City is lead agency on the project with participation from the cities of Anaheim, Buena Park, La Palma, Placentia, and Yorba Linda. Agencies are required to provide 20 percent matching funds. Total cost for the 3-year project is \$4,472,085. Funding for the project includes \$3,577,668 (approximately 80% of the project cost) through OCTA. The remaining \$894,417 (approximately 20% of the project cost) will be funded through local matches from all traffic forums. Total project cost within the City of Fullerton amounts to \$1,387,500 of which Fullerton's match dollar is \$277,500; 1st year costs total \$265,980 with 2nd & 3rd year costs totalling \$11,520 for ongoing Maintenance & Operations. Sufficient funds for 1st year expenses were carried over to 2019-20. As part of the project, Fullerton will receive new controllers, new CCTV cameras, fiber optic interconnect, Ethernet wireless radios, and video detection upgrades at affected intersections. New timing and coordination patterns will also be developed and implemented at all signalized intersections within the project limits. Ongoing maintenance and operation are included as part of the overall cost and will extend two years beyond the project completion date. Project Description: Install new uninterupted power battery backup units in high priority locations. An increase in Southern California Edison power outages both planned and unplanned are impacting public safety as traffic signals become "blacked-out". A battery backup unit would allow the signal to operate fully for up to two hours or "flash" mode for 6 hours. This project will fund the installation of ten units per year. In addition, there are labor savings as Police Department, Public Works Maintenance, and Traffic Signal personnel would not need to respond to a blacked-out traffic signal.

General Plan Element Section General Plan Element Subse Project Category: Traffic Sign Project Location: VARIOUS I	ction: Policy P5 al & Safety Ligh		Type of Proje	ect: New Im	provement					
Expected Completion Date: Fall 2023 Project Description: Caltrans District 12, in partnership with local and regional agencies in the country, is developing the North Orange County (OC) Triangle Integrated Corridor Management (ICM) program. The program is defined by three major corridors; State Route 57 (SR57), State Route 91 (SR91), and Interstate 5 (I-5) and the adjacent and crossing streets. The North OC Triangle region, bounded by SR 57, SR 91, and I-5, currently experiences significant traffic impacts on the freeway and arterials. Excess demand during peak periods lead to recurrent congestion. However, a large part of daily congestion is due to non-recurring congestion from from incidents and non-recurring events. The North OC Triangle ICM program aims to reduce non-recurring congestion. To succeed, the ICM needs to improve the region's Transportation System Management & Operations (TSMO) capabilities and efficiencies by integrating the systems of all impacted agencies within the region with ICM. Once integrated, Caltrans and cities around the corridors can implement traffic management actions in real-time to help with the inevitable diversions that occur. The deployment of the North OC Triangle ICM will be focused on response to major incidents, including unplanned events. Caltrans defined both primary and secondary arterials considered to have the most nexus with the freeways and likely for diversions to occur; i.e. both State College Boulevard & Orangethorpe Avenue in Fullerton. With institutional integration, coordination and collaboration between Caltrans and local jurisdictions, local jurisdictions are able to manage advance capabilities across multi-jurisdictional boundaries in real-time to facilitate management of the total capacity and demand of the corridor(s) impacted.

Expected Completion Date: Fal	l 2024								
Project Description: A multi-jurisdictional project through Orange County Transportation Authority's (OCTA) Project P/Regional Traffic Signal Synchronization Program (RTSSP). The State College Boulevard project from Lambert Road in the City of Brea to the Garden Grove (22) Freeway in the City of Orange is approximately 10.9 miles in length and involves 53 signalized intersections, 11 of which are in the City of Fullerton. The City is lead agency on the project with participation from the cities of Anaheim, Brea, Orange, Caltrans and OCTA. Agencies are required to provide 20 percent matching funds. Total cost for the 3-year project is \$2,122,000 with first year costs totaling \$1,942,000. Funding for the project includes \$1,697,600 (approximately 80% of the project cost) through OCTA. The remaining \$424,400 (approximately 20% of the project cost) will be funded through local matches from all traffic forums. Total project cost within the City of Fullerton amounts to \$815,000 which Fullerton's match dollar is \$163,000; 1st year costs total \$149,000 with 2nd & 3rd year costs totalling \$14,000 for ongoing Maintenance & Operations. As part of the project, Fullerton will receive new controllers, new CCTV cameras, fiber optic interconnect, Ethernet wireless radios, and video detection upgrades at affected intersections. New timing and coordination patterns will also be developed and implemented at all signalized intersections within the project limits. Ongoing maintenance and operation are included as part of the overall cost and will extend two years beyond the project completion date.

CITY OF FULLERTON FISCAL YEARS 2020-21 - 2024-25									
Department: Public Works	s - Engineering	g (Traffic)		Project Priority	Number:	13			
Project Number: XXXXX Project Name: Rosecrans Avenue Regional Traffic Signal Synchronization Program									
General Plan Element Section	: Mobility								
General Plan Element Subsect	tion: Policy P5.	1 & P5.6							
Project Category: Traffic Signa	al & Safety Lighti	ng	Type of Proje	ect: New Im	provement				
Project Location: Rosecrans fi	rom West City L	imit to Euclid	Avenue						
Expected Completion Date: Su	ımmer 2024								
Project Description: A multi-jurisdictional project through Orange County Transportation Authority's (OCTA) Project P/Regional Traffic Signal Synchronization Program (RTSSP). The project, Rosecrans Avenue from Beach Boulevard in the City of Buena Park to Euclid Street in the City of Fullerton, is approximately 2.6 miles in length and involves 9 signalized intersections, 8 of which are in the City of Fullerton. The City is lead agency on the project with participation from the City of Buena Park, OCTA, and the County of Orange. Agencies are required to provide 20 percent matching funds. Total cost for the 3- year project is \$675,000 with first year costs totaling \$625,000. Funding for the project includes \$540,000 (approximately 80% of the project cost) through OCTA. The remaining \$135,000 (approximately 20% of the project cost) will be funded through local matches from all traffic forums. Total project cost within the City of Fullerton amounts to \$475,000 which Fullerton's match dollar is \$95,000: 1st year costs total \$79,000 with 2nd & 3rd year costs totalling \$16,000 for ongoing Maintenance & Operations. As part of the project, Fullerton will receive new controllers, new CCTV cameras, fiber optic interconnect, Ethernet wireless radios, and video detection upgrades at affected intersections. New timing and coordination patterns will also be developed and implemented at all signalized intersections within the project limits. Ongoing maintenance and operation are included as part of the overall cost and will extend two years beyond the project completion date.

	OAP1 Comply with State and Federal laws and regulations while maintaining local control in decision-making.
Overarching	
	OAP2 Pursue Federal, State and local funding options to support implementation of The Fullerton Plan.
Overarching	
Overarching	OAP3 Leverage the advantages and advances of technology.
Overarching	OAP4 Seek opportunities for increased efficiency and effectiveness.
Community Development &	P1.1 Support regional and subregional efforts to create a strong sense of place and support the efficient use of
Design	land.
Community Development &	P1.2 Support projects, programs and policies to promote compatibility and mutually beneficial built
Design	environments and land uses with adjacent jurisdictions and other agencies.
	P1.3 Support projects, programs, policies and regulations to protect, and where appropriate restore, the natural
Community Development &	landscape, topography, drainage ways, habitat, and other natural resources when planning improvements to
Design	existing and new neighborhoods and districts.
	P1.4 Support projects, programs and policies to improve connections between housing, shops, work places,
Community Development &	schools, parks and civic facilities, and integrate uses where possible and appropriate. (See Chapter 4: Mobility for
Design	related policies.)
Community Development &	P1.5 Support projects, programs, policies and regulations to maintain positive attributes of the built environment
Design	and seek continual improvement.
	P1.6 Support projects, programs, policies and regulations to evaluate and consider short- and long-term impacts
Community Development &	of the conversion of manufacturing and industrial lands and employment centers on the City.
Design	
Community Development &	P1.7 Support projects, programs, policies and regulations to promote a development pattern that encourages a
Design	network of multi-modal transportation options.
Community Development &	P1.8 Support projects, programs, policies and regulations to evaluate and consider short- and long-term impacts
Design	of significant planning efforts or developments on nearby neighborhoods.
Community Development &	P1.9 Support projects, programs, policies and regulations to create housing types consistent with market demand
Design	for housing choice.
	P1.10 Support projects, programs, policies and regulations to evaluate ways to contribute to the resiliency and
Community Development &	vitality of neighborhoods and districts as part of community-based planning of Focus Areas.
Design	
	P1.11 Support programs, policies and regulations to consider the immediate and surrounding contexts of projects
Community Development &	to promote positive design relationships and use compatibility with adjacent built environments and land uses,
Design	including the public realm.
	P1.12 Support projects, programs, policies and regulations to encourage energy and resource efficient practices
Community Development &	in site and building design for private and public projects. (See Chapter 19: Open Space and Natural Resources
Design	for related policies.)
Community Development &	P1.13 Support projects, programs, policies and regulations to produce buildings and environments that are
Design	inherently accessible to people of all abilities.
Community Development &	P2.1 Support regional and subregional efforts to improve the public image and perception of Southern California,
Design	Orange County, and North Orange County.
	P2.2 Support projects, programs, policies and regulations to promote distinctive, high-quality built environments
	whose form and character respect Fullerton's historic, environmental and architectural identity and create
Community Development &	modern places that enrich community life and are adaptable over time.
Design	
Community Development &	P2.3 Support projects, programs, policies and regulations to preserve existing landmarks and encourage the
Design	creation of new landmarks that reinforce Fullerton's identity and image.
	P2.4 Support projects, programs, policies and regulations to reinforce the character and sense of place of
Community Development &	established neighborhoods and districts by preserving and enhancing the attributes which contribute to
Design	neighborhood and district identity, vitality and livability.
Community Development &	P2.5 Support programs and policies to facilitate the efforts of property and business owners within
Design	neighborhoods and districts to maintain and manage the quality of their environments.
Community Development &	P2.6 Support projects, programs, policies and regulations to create a positive identity and distinctive image as
Design	part of community-based planning of Focus Areas.
Community Development &	P2.7 Support projects, programs, policies and regulations to site and design buildings to create a positive,
Design	accessible image along the street and reinforce a vibrant and comfortable public realm.
	P2.8 Support projects, programs, policies and regulations to respect the local context, including consideration of
Community Development &	cultural and historic resources, existing scale and character and development patterns of the surrounding
Design	neighborhood or district.

GLOSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
	P3.4 Support projects, programs, policies and regulations to facilitate infill development - focused on extremely-
	low, very-low, low, and moderate income - within feasible development sites for homeownership and rental
Housing	units.
Housing	P3.5 Support projects, programs, policies and regulations which encourage mixed use development, including the
	use of specific plans and industry outreach.
	P3.6/P3.7 Support projects, programs, policies and regulations which provide family housing and non-traditional
	housing types geared to households earning 30% or less of Median Family Income for Orange County.
Housing	
Housing	P3.8 Support projects, programs, policies and regulations which encourage a variety of housing choices to meet
	the particular needs of seniors.
Housing	P3.11 Support projects, programs, policies and regulations which encourage the development of surplus City land
	for affordable housing.
Housing	P3.12 Support projects, programs, policies and regulations which encourage partnerships with non-profit,
	community-based service orgnaizations to develop affordable housing.
Housing	P3.20-23 Support projects, programs, policies and regulations which increase the quality of housing and
	neighborhood conditions.
Housing	P3.24/P3.26 Support projects, programs, policies and regulations which encourage the sustainable use of
	resources, including energy, in new housing and retro-fit projects.
Housing	P3.28 Support projects, programs, policies and regulations which coordinate amenities and services with housing.
11	P3.29 Support projects, programs, policies and regulations which provide housing opportunites for the Fullerton
Housing	workforce.
Housing	P3.32/3.36 Support projects, programs, policies and regulations which encourage a variety of housing choices to
	meet the particular needs of those with physical and mental disabilities.
	P3.33 Support projects, programs, policies and regulations which provide emergency shelter, supportive and
Housing	transitional housing.
	P4.1 Support programs and policies to raise the regional and subregional awareness of Fullerton's historic
Historic Preservation	resources.
	P4.2 Support programs and policies to raise the awareness of the value of historic resources in strengthening
Llistania Dussanustian	communities, conserving resources, fostering economic development, and enriching lives.
Historic Preservation	D4.2 Consists an intermediate and an elitical to an entropy the maintenance material and
Listeria Drasonustian	P4.3 Support projects, programs, policies and regulations to promote the maintenance, restoration and
Historic Preservation	rehabilitation of historical resources.
	P4.4 Support projects, programs, policies and regulations to reinforce the character and sense of place of
	established neighborhoods and districts by protecting and preserving those elements in both the private and
Historic Preservation	public realms which contribute to the historic character through the use of tools including, but not limited to,
Historic Preservation	preservation overlay zones and landmark districts.
	P4.5 Support projects, programs, policies and regulations to encourage the protection and preservation of individual bittaria structures theorem the structure of a structure theorem.
Listeria Drasonustian	individual historic structures throughout the City, but with particular attention to the preservation of noteworthy
Historic Preservation	architecture in the downtown.
Listeria Drasonustian	P4.6 Support projects, programs, policies and regulations that contribute to the preservation of historic resources
Historic Preservation	as part of community-based planning of applicable Focus Areas.
Listeria Dressrution	P4.7 Support projects, programs, policies and regulations to design new buildings that respect the integrity of
Historic Preservation	nearby historic buildings while clearly differentiating the new from the historic.
literation Descent and the second	P4.8 Support projects, programs, policies and regulations to seek co-benefits along with historic preservation, for
Historic Preservation	example, the provision of affordable housing and/or resource conservation.
	P4.9 Support projects, programs, policies and regulations to encourage the retrofit of historic buildings in ways
	that preserve their architectural design character, consistent with life safety considerations, maintaining the
Historic Preservation	unique visual image of Fullerton.
	P5.1 Support regional and subregional efforts to implement programs that coordinate the multi-modal
	transportation needs and requirements across jurisdictions, including but not limited to the Master Plan of
A. A. 1. 11.	Arterial Highways, the Commuter Bikeways Strategic Plan, the Signal Synchronization Master Plan, the Orange
Mobility	County Congestion Management Plan, and the Growth Management Plan.
	P5.2 Support regional and subregional efforts to increase alternatives to and infrastructure supporting reduction
Mobility	of single occupant vehicle trips.
	P5.3 Support projects, programs, policies and regulations to utilize signage and technology to provide real-time
Mobility	information to users of the multi-modal transportation network.

GLOSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
	P5.4 Support projects, programs, policies and regulations to advance the Fullerton Municipal Airport as ar
	important economic asset that provides efficient regional travel for business, commerce and the general public
Mobility	as well as a base of operations for public safety aviation operations.
•	P5.5 Support projects, programs, policies and regulations to advance the Fullerton Transportation Center as ar
	important economic asset that provides efficient regional travel and mode choice options for business
Mobility	commerce and the general public.
	P5.6 Support projects, programs, policies and regulations to operate and maintain a comprehensive network o
	arterial highways and local roads supporting safe and efficient movement of people, goods and services to
Mobility	through and within the City.
	P5.7 Support projects, programs, policies and regulations to maintain a balanced multi-modal transportation
	network that meets the needs of all users of the streets, roads and highways – including bicyclists, children
	persons with disabilities, motorists, movers of commercial goods, pedestrians, users of public transportation and
	seniors – for safe and convenient travel in a manner that is suitable to the suburban and urban contexts within
Mobility	
Mobility	the City.
N A = + : :+ .	P5.8 Support programs, policies and regulations to plan for and implement an efficient transportation network
Mobility	that maximizes capacity for person-trips, not just vehicle-trips.
	P5.9 Support projects, programs, policies and regulations to improve – in coordination with the school districts -
Mobility	alternatives to the motorized transport of students by parents to and from school.
	P5.10 Support projects, programs, policies and regulations to use public easements and rights-of-way along floor
Mobility	control channels and/or inactive railroads as part of the multi-modal network.
	P5.11 Support projects, programs, policies and regulations to integrate land use and transportation planning and
	implementation. (Also see Chapter 1: Community Development and Design, P1.4 Connection and Integration o
Mobility	Uses.)
	P5.12 Support programs, policies and regulations to analyze and evaluate urban streets using an integrated
	approach from the points of view of automobile drivers, transit passengers, bicyclists and pedestrians rather than
	auto-centric thresholds which conflict with other policies of The Fullerton Plan - including better environments
	for walking and bicycling, safer streets, increased transit use, cost-effective infrastructure investments, reduced
	greenhouse gas emissions, and the preservation of open space.
Mobility	
	P5.13 Support projects, programs, policies and regulations to encourage transit improvements that incentivize
	investment and link neighborhoods, while fitting the scale and traffic patterns of the surrounding area.
Mobility	
	P5.14 Support policies and regulations which require new development to pay a fair share of needed
	transportation improvements based on a project's impacts to the multi-modal transportation network.
Mobility	
	P5.15 Support projects, programs, policies and regulations to connect neighborhoods via a multi-modal network
Mobility	to each other and to the City's Focus Areas.
Mobility	 P5.16 Support projects, programs, policies and regulations to encourage the development of private and/o
Woomry	public infrastructure facilitating the use of alternative fuel vehicles.
Bicycle	P6.1 Support regional and subregional efforts to ensure bicyclists are considered when developing new o
ысусте	
Disusla	retrofitting existing transportation facilities and systems.
Bicycle	P6.2 Support efforts to maintain, expand and create new connections between the Fullerton bicycle network and
D'	the bicycle networks of adjacent cities, Orange County and the region.
Bicycle	P6.3 Support projects, programs and policies to maintain and update as necessary a Bicycle Transportation Plar
	prepared and approved pursuant to the California Streets and Highways Code to maintain eligibility for funding
	for State Bicycle Transportation Account funds.
Bicycle	P6.4 Support projects, programs, policies and regulations to recognize that every street in Fullerton is a stree
	that a bicyclist can use.
Bicycle	P6.5 Support projects, programs, policies and regulations that make bicycling safer and more convenient for al
	types of bicyclists.
Bicycle	P6.6 Support projects, programs, policies, and regulations to facilitate safe travel by bicycle to key destinations
	within the community and the larger region.
Bicycle	P6.7 Support projects, programs, policies, and regulations to reduce negative impacts to and increase
	opportunities for bicycle users and the bicycle network in private and public development projects.
Bicycle	P6.8 Support projects, programs, policies and regulations to develop a multi-tiered network of bicycle trave
	options that consider traffic volumes and rider experience; and which recognizes that all streets should be safe
	Uptions that consider traine volumes and nucl experience, and which recognizes that an streets should be said

GLUSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Bicycle	P6.9 Support projects, programs, policies, and regulations to support the safe and efficient movement of bicyclists through and across intersections.
Bicycle	P6.10 Support projects and programs in conjunction with local bike shops, organizations and advocates to foster responsible ridership and reduce barriers to bicycling.
Bicycle	 P6.11 Support projects, programs, policies and regulations to connect neighborhoods via a multi-modal network to each other, and to and through the City's Focus Areas.
Bicycle	 P6.12 Support projects, programs, policies, and regulations to provide convenient bicycle parking and other bicycle facilities in existing and potential high demand locations within the City, such as educational institutions parks, business districts, transit stops, retail, commercial and employment centers.
Bicycle	P6.13 Support projects, programs, policies and regulations to use recognized bicycle infrastructure design standards of the Federal Highway Administration, California Department of Transportation, and the Americar Association of State Highway and Transportation Officials, and participate in their pilot studies for alternative designs when appropriate.
Bicycle	P6.14 Support projects, programs, policies and regulations to consider bicycle friendly design using new technologies and innovative treatments.
Growth Management	P7.1 Support regional and subregional efforts to focus growth and development within areas that can be adequately served by existing and planned infrastructure systems.
Growth Management	P7.2 Support projects, programs, policies and regulations to accommodate housing growth consistent with the Regional Housing Needs Assessment in areas of the City with existing and planned infrastructure capabilities. (See Chapter 2: Housing for related policies.)
Growth Management	P7.3 Support projects, programs, policies and regulations to plan for appropriate levels and types of infrastructure based on the desired character of each neighborhood or district.
Growth Management	P7.4 Support projects, programs, policies and regulations to evaluate infrastructure capabilities as part of community-based planning of Focus Areas.
Growth Management	P7.5 Support projects, programs, policies and regulations to ensure that development is appropriate in scale to current and planned infrastructure capabilities.
Noise	P8.1 Support regional and subregional efforts to implement projects or programs that abate and/or attenuate noise across jurisdictions, particularly where the source is not under the City's authority.
Noise	P8.2 Support projects, programs, policies and regulations to control and abate noise generated by mobile sources.
Noise	P8.3 Support projects, programs, policies and regulations which ensure noise-compatible land use planning recognizing the relative importance of noise sources in order of community impact, the local attitudes towards these sources, and the suburban or urban characteristics of the environment, while identifying noise sensitive uses.
Noise	 P8.4 Support projects, programs, policies and regulations to control and abate noise generated by stationary sources.
Noise	 P8.5 Support projects, programs, policies and regulations to evaluate ways to ensure noise-compatible land use planning as part of community-based planning of Focus Areas.
Noise	P8.6 Support projects, programs, policies and regulations to permit uses where the noise level of the surroundings—after taking into account noise insulation features and other control techniques of the use—is not detrimental to the use.
Noise	P8.7 Support projects, programs, policies and regulations to permit uses and/or activities where the noise generated by the use and/or activity is not detrimental or otherwise a nuisance to the surroundings.
Economic Development	P9.1 Support projects, programs and policies with regional organizations involved in economic development to strengthen strategic alliances, ensure the efficient use of City resources and to encourage mutually supportive efforts.
	 P9.2 Support policies and programs for allowing key City staff to actively participate with economic development organizations, including Fullerton business organizations such as the Chamber of Commerce, Downtown Business Association and others, so that the City is informed of economic development efforts, opportunities to promote a business friendly environment are identified, and the City's interests are represented.
Economic Development	P9.3 Support programs for attracting hotels and other visitor accommodations to key areas such as the Fullertor Transportation Center Focus Area, the Harbor Gateway Focus Area, the North Harbor Corridor Focus Area and
Economic Development	 other appropriate focus areas. P9.4 Support policies, projects, and programs that encourage working with other cities, counties, and
Economic Development	government agencies to jointly leverage resources and assets to create and strengthen economic clusters within the region.

GLOSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Economic Development	P9.5 Support policies and regulations that direct the City to follow prudent financial standards and to maintain strong financial reserves as inherent parts of the budget decision-making process.
Economic Development	P9.6 Support policies and regulations that require the addition of new City services based on finding that a clear need has been identified and a sustainable funding source is developed.
Economic Development	P9.7 Support policies and regulations pertaining to fees charged by the City to both reflect actual costs for providing such services and consider offsets from other funding sources.
Economic Development	P9.8 Support projects, programs, policies and regulations that involve investment in technology that reduces the costs of City services and that result in the efficient use of City resources and revenues.
Economic Development	P9.9 Support policies, programs and regulations regarding privatizing City services if and when the private or non-profit sectors can clearly deliver equitable and affordable services more efficiently than City government.
Economic Development	P9.10 Support policies, programs and regulations that sustain the provision of quality municipal services and efficient and responsive business assistance as essential tools to attract and retain businesses and employees.
Economic Development	P9.11 Support programs to proactively review City ordinances, policies and procedures to reduce barriers to investment while upholding the quality of life enjoyed by Fullerton residents.
Economic Development	P9.12 Support policies, programs and regulations that strengthen the City's ability to maintain accurate accounting records and that keep the City Council, City Manager and Fullerton community informed of the City's financial conditions at all times.
Economic Development	P9.13 Support policies and programs that coordinate with City departments to plan and prioritize capital improvements to ensure that certain funding resources are allocated to the City's most critical economic needs.
Economic Development	P9.14 Support policies and programs to lease parts of public spaces, parks and select sidewalks to private businesses and non-profit organizations to activate the space with programs and activities, such as small product vendors, bike rentals, community garden plots, exercise programs, and larger events and festivals.
Economic Development	P9.15 Support programs by property and business owners that are interested in establishing an assessment district or business improvement district to fund economic development programs that benefit the district.
Economic Development	P9.16 Support projects, programs, policies and regulations to evaluate ways to improve long-term fiscal strength and stability as part of community-based planning of Focus Areas.
Economic Development	 P9.17 Support projects that do not compromise the City's ability to provide quality services to its existing and future residents and businesses. P10.1 Support policies, projects, programs and regulations, as well as regional and subregional efforts, that
Economic Development	reduce the cost of living and the cost to do business, such as on-line services, technology, tax incentives, permit streamlining programs and others.
	 P10.2 Support regional and subregional efforts that recognize the unique roles of each sector of the economy (private sector, public sector, non-profit sector and educational sector) in economic development and take advantage of the strengths and benefits of each sector through strategic alliances.
Economic Development	
	P10.3 Support regional and subregional efforts to foster strategic alliances with businesses, local colleges and universities, Orange County SCORE, the Orange County Business Council, the U.S. Small Business Administration, the U.S. Economic Development Administration, the Fullerton Chamber of Commerce, the Downtown Business Association, service clubs, local churches and other non-profit organizations.
Economic Development	P10.4 Support regional and subregional efforts to promote economic development in North Orange County.
Economic Development	
Economic Development	P10.5 Support projects and programs that foster a citywide culture of innovation that values learning, creativity, adaptability and local entrepreneurship.
Economic Development	P10.6 Support policies, projects and programs that bolster the efforts of local school districts, vocational schools, colleges and universities to maintain an outstanding educational system that best prepares today's students for tomorrow's workplace. (Also see Chapter 14: Education for related policies.)
Economic Development	P10.7 Support policies, projects, programs and regulations that encourage the growth and development of the vocational schools, colleges and universities within Fullerton and, as a result of such expansion, create jobs and entrepreneurial opportunities, enhance educational opportunities for Fullerton residents, support neighborhood stability and strengthen the City's image as an educational center. (Also see Chapter 14: Education for related policies.)

	Fullerton's health and medical service providers and enhance the City's health and social services cluster.
Economic Development	P10.16 Support policies, programs and regulations pertaining to planning efforts for the City's Focus Areas that
	facilitate investment and encourage economic activity that benefits the Fullerton community and the City.
Economic Development	P10.17 Support projects and programs that pursue grants from the U.S. Economic Development Administration
	the Kaufman Foundation, and other government agencies and philanthropic organizations to improve the
	economic feasibility of projects that create jobs.
	P11.1 Support regional and subregional efforts pertaining to community revitalization that are rooted in
Revitalization	sustainable development principles.
Revitalization	P11.2 Support projects and programs surrounding community revitalization that are rooted in community-based
	planning processes that integrate the vision, values, views and priorities of residents, property owners, busines
	owners and other members of the Fullerton community.
Revitalization	P11.3 Support policies, projects and programs concerning historic preservation to protect Fullerton's heritage
	revitalize neighborhoods, generate design and construction jobs, and bolster the community's sense of place.
Revitalization	P11.4 Support policies, projects and programs to foster skill development and economic success through
	education and the creation of a culture of entrepreneurship.
Revitalization	P11.5 Support policies, projects, programs and regulations that utilize innovative policing and crime prevention
	techniques to improve the safety of neighborhoods and districts, such as evidence-based policing, community
	based policing and Crime Prevention Through Environmental Design (CPTED).
Revitalization	P11.6 Support policies, projects, programs and regulations that encourage the revitalization of brownfield and
	grayfield properties to protect the environment, reduce blight and revitalize underutilized properties.
Revitalization	P11.7 Support policies and programs that benefit property- and business owner-initiated efforts to establish a
	assessment district to fund special improvements and services that help revitalize and maintain neighborhood
	and districts.
Revitalization	P11.8 Support policies, programs and regulations that facilitate the use of creative financing tools fo
	revitalization efforts that alleviate blight, stimulate private-sector investment, upgrade public infrastructure and
	facilities, and provide quality affordable housing.
Revitalization	P11.9 Support policies, projects, programs and regulations that prioritize revitalization efforts that are within o
	adjacent to the City's Focus Areas.
Revitalization	P11.10 Support policies, projects and programs that encourage residents, homeowners' associations
	neighborhood groups and others to organize and develop neighborhood-based revitalization strategies that
	in other of the state of the st

GLOSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Revitalization	P11.11 Support policies, programs and regulations that facilitate parking management programs within the Transportation Center, Downtown and other appropriate Focus Areas to better manage the parking supply for
	the benefit of businesses, visitors and residents.
Revitalization	P11.12 Support policies, projects and programs that facilitate partnerships with property owners and developers to achieve revitalization results that contribute to clean, safe and attractive neighborhoods and districts.
Revitalization	P11.13 Support policies and programs that strengthen efforts by the Downtown Business Association and/or Chamber of Commerce to evaluate best practices for advancing the economic vitality of Downtown Fullerton, such as the "Main Street Four Point Approach" to commercial district revitalization.
Revitalization	P11.14 Support programs that identify and analyze proven financing mechanisms and funding resources available to the City of Fullerton and local non-profits for revitalization projects.
Public Safety	P12.1 Support programs that strengthen regional partnerships between public safety and human services agencies to encourage strong family relationships, reinforce healthy child development and encourage lawful behavior.
Public Safety	P12.2 Support regional and subregional efforts to prevent violence, child abuse, sexual assault, domestic violence, illegal use of firearms, violence associated with substance abuse, crimes against property and other similar issues.
Public Safety	 P12.3 Support policies and programs that bolster productive communication and problem-solving between public safety personnel and the Fullerton community.
Public Safety	P12.4 Support policies, projects, programs, and regulations that balance the need to reduce vehicle accidents, injuries, and deaths through traffic calming and street design with the need to facilitate emergency response times.
Public Safety	P12.5 Support policies, programs and regulations pertaining to proactive code enforcement methods which reinforce the proper maintenance of properties, buildings and landscapes, and adherence to applicable regulations, while discouraging conditions that foster vandalism and more serious crime.
Public Safety	P12.6 Support programs that involve young people in discussions about crime and prevention, increase youths' attachment to the community, engage youth in productive activities, and reinforce success in education.
Public Safety	P12.7 Support policies, programs and regulations that give the Fire Marshall flexibility to approve streets and fire lanes with reduced clearance requirements when other fire safety factors are incorporated into the project (such as street connectivity, traffic safety and the presence of sprinkler systems).
Public Safety	P12.8 Support policies, projects, programs and regulations that provide for safe and efficient airport operations through compliance with the Fullerton Municipal Airport (FMA) Master Plan and the Airport Land Use Commission for Orange County's Airport Environs Land Use Plan for FMA and the Airport Environs Land Use Plan for Heliports
Public Safety	P12.9 Support policies, projects, programs and regulations that strengthen partnerships and community-based efforts, such as Neighborhood Watch, to reduce crime through prevention, education and enforcement, and encourage communities to build block-by-block networks to prevent crime, develop social ties and solve common problems.
Public Safety	P12.10 Support policies and programs that involve the community in supporting informal monitoring, participating in legitimate activities and building a sense of ownership and control over neighborhoods.
Public Safety	P12.11 Support projects, programs, policies and regulations to proactively address public safety concerns as part of community-based planning of Focus Areas.
Public Safety	P12.12 Support policies, programs and regulations that implement crime prevention strategies that have demonstrated success, including Crime Prevention Through Environmental Design (CPTED), Crime-Free Multi-Housing, Business Watch; Neighborhood Watch, iWatch and other similar strategies.
Public Safety	P12.13 Support policies, projects, programs and regulations that make crime prevention and the maintenance of public safety service levels considerations in design and management of existing and new private and public spaces.
Public Safety	P13.1 Support regional and subregional efforts to: coordinate as appropriate Continuity of Operations Plan, plans and procedures for Emergency Operations Centers, and emergency response training systems; maintain inter- agency and public communications systems that will provide mutual aid and be reliable during and following an emergency; and, formulate definitive plans and procedures for evacuation of hazard-prone areas and high risk uses.

GLOSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Public Safety	P13.2 Support policies and programs that ensure adequate resources are available in all areas of the City to respond to health, fire and police emergencies.
Public Safety	P13.3 Support policies, projects, programs and regulations that reduce structural and non-structural hazards to life safety and minimize property damage and resulting social, cultural and economic dislocations resulting from future disasters.
Public Safety	P13.4 Support programs that promote greater public awareness of disaster risks, personal and business risk reduction, and personal and neighborhood emergency response.
Public Safety	P13.5 Support policies, programs and regulations that ensure the City, its residents, businesses and services are prepared for effective response and recovery in the event of emergencies or disasters, including the provision of information about the current nature and extent of local safety hazards and emergency plans, including evacuation plans and procedures to accommodate special needs populations. Information should be provided in multiple languages to maximize understanding by community members.
Public Safety	P13.6 Support policies and programs that improve the coordination of disaster-related programs within City departments.
Public Safety	P13.7 Support policies, programs and regulations which are based on research and evaluation and that implement new technologies and methods to improve the efficiency and effectiveness of fire and police services.
Public Safety	P13.8 Support programs for ongoing staff training focused on the risks posed by older structures and infrastructure, as well as how to reduce those risks.
Public Safety	P13.9 Support policies, programs and regulations that maintain or strengthen code enforcement as an important tool to uphold community health, safety and welfare consistent with the provisions of the Fullerton Municipa Code.
Public Safety	P13.10 Support policies and programs to involve and educate the Fullerton community in emergency preparedness.
Public Safety	P13.11 Support policies, programs and regulations to create problem-solving strategies and plans for areas with higher crime rates in the City and to reduce crime by implementing these strategies and plans through a range of measures including increased policing activities, neighborhood partnerships and other innovative programs.
Public Health	P14.1 Support programs to coordinate with state, county and regional agencies to improve public health and wel being through a range of efforts with regional, subregional and local agencies including schools, local medica facilities, senior centers and adjacent jurisdictions.
Public Health	P14.2 Support policies, projects, programs and regulations that result in changes to the physical environment to improve health, well-being and physical activity.
Public Health	 P14.3 Support policies, projects, programs and regulations that facilitate successful farmers' markets at appropriate and convenient locations throughout the City. P14.4 Support policies, projects, programs and regulations that encourage community gardens that are operated and managed by local volunteers and that provide for small-scale local food production in areas convenient to provide the convenient operated and managed by local volunteers and that provide for small-scale local food production in areas convenient to provide the convenient operated and managed by local volunteers and that provide for small-scale local food production in areas convenient to provide the convenient to
Public Health	residents. P14.5 Support policies, projects, programs and regulations that provide for convenient and safe areas that facilitate opportunities for physical activity such as parks, trails, open space, safe streets for bicycling, safe sidewalks for walking, and recreational facilities for residents of all ages and abilities.
Public Health	P14.6 Support policies and regulations involving land use and zoning changes that would provide access to daily retail needs, recreational facilities, and transit stops within a walkable distance (i.e., a quarter- to a half-mile) of
Public Health	established residential uses. P14.7 Support projects and programs that facilitate private, non-profit and public health-related organizations efforts to provide for a range of health services including large- and small-scale medical facilities, assisted living facilities, and comprehensive healthy living resources in locations that are accessible to residents.
Public Health	P14.8 Support projects, programs, policies and regulations to evaluate ways to improve opportunities for
Public Health	community health and wellbeing as part of community-based planning of Focus Areas.
	P14.9 Support policies, projects, programs and regulations that encourage buildings to support the health of occupants and users by using non-toxic building materials and finishes, using windows and design features to maximize natural light and ventilation, and providing access to the outdoor environment.
Public Health Public Health	P14.10 Support policies, projects and programs that demonstrate best practices related to promoting wellness in City facilities and at City-sponsored events.

GLOSSARY	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Arts and Culture	P16.5 Support programs that encourage and develop activities and events serving Fullerton's diverse and changing population with a wide variety of relevant cultural experiences.
Arts and Culture	P16.6 Support policies and programs which continuously seek to improve and strengthen the Fullerton Library System as an educational and cultural resource accessible to the entire Fullerton community.
Arts and Culture	P16.7 Support policies, projects, programs and regulations that facilitate the provision of venues for community
Arts and Culture	 groups to participate in cultural events and observances. P16.8 Support projects and programs that recognize and celebrate Fullerton's status as an arts center and build upon its regional reputation through the support of existing City cultural events, and the development of new events, such as the Leo Fender Music Festival.
Arts and Culture	P16.9 Support programs to make use of existing Artist in Residence programs at Fullerton College and Cal State University Fullerton to gain artworks of national stature for inclusion in the City's public art collection.
Arts and Culture	P16.10 Support programs that develop and coordinate community-based efforts to create public art pieces.
Arts and Culture	P16.11 Support projects, programs, policies and regulations to consider cultural activities and the arts as part of community-based planning of Focus Areas.
Arts and Culture	P16.12 Support policies, projects and programs that emphasize the cultural value of the Muckenthaler Center through its educational activities for the Fullerton community and its amphitheater serving local theater companies.
Arts and Culture	P16.13 Support policies, projects and programs that recognize the Fox Theater for its past and potential future roles in Fullerton's arts and culture community.
Arts and Culture	P16.14 Support policies and programs pertaining to the Fullerton Museum Center that continue and strengthen its exhibits and education programs and capitalize on its reputation as an arts hub and Downtown Fullerton destination.
Arts and Culture	P16.15 Support policies, projects and programs that enhance cultural programming offered at Plummer Auditorium, including hosting major performances with a regional draw.
Education	P17.1 Support regional and subregional efforts to work collaboratively with education providers to coordinate efforts and achieve shared goals.
Education	P17.2 Support policies, projects and programs that contribute to the retention and attraction of public and private vocational education programs that broaden the range of educational opportunities in Fullerton and address workforce needs of businesses and organizations.
Education	P17.3 Support policies, projects, programs and regulations that contribute to the long-term vitality of higher educational institutions, high schools and elementary schools, and the Fullerton Library system.
Education	P17.4 Support policies and programs that include educational providers, Fullerton Library staff and the Fullerton community in planning educational facilities and programs to ensure a broad range of needs and concerns are addressed.
Education	 P17.5 Support policies, projects and programs that ensure residents of all ages, backgrounds and abilities have access to facilities and programs, such as libraries and community education programs, that provide learning experiences for people at every stage in life.
Education	 P17.6 Support policies, projects and programs that facilitate shared use and joint development of resources with education providers, such as recreational facilities, infrastructure, and other cultural, intellectual and artistic opportunities.
Education	P17.7 Support policies and programs that continue the provision of recreational and library programs that support successful school experiences, such as programs for school readiness, tutoring, literacy, English language and computer skills.
Education	P17.8 Support policies, projects and programs that recognize and accommodate schools as community centers in which residents participate in programs, assist with education, help improve school facilities, hold community events and use recreational facilities.
Education	P17.9 Support policies and programs pertaining to school environments that are safe and provide access to educational, physical activity and enrichment activities. (Also see Chapter 11: Public Health for related policies.)
Education	P17.10 Support policies, projects and programs that facilitate efforts by educational institutions and the private sector to develop an adequate supply of housing for faculty and staff of all schools, as well as adequate housing for college and university students. (See Chapter 2: Housing for related policy actions.)
Education	P17.11 Support policies, projects and programs that address the educational and library needs of disadvantaged communities in Fullerton.

<u>GLUSSARY C</u>	OF THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Education	P17.12 Support projects, programs, policies and regulations to evaluate ways to consider educational opportunities and collaboration with education providers as part of community-based planning of Focus Areas.
Education	P17.13 Support policies and programs that encourage regular communication and coordination between the City and education providers about facility and infrastructure needs of campuses and nearby neighborhoods, and seek opportunities to develop these through collaborative planning and joint-use agreements.
Education	P17.14 Support policies, projects and programs that prioritize revitalization activity around campuses and reflect the importance of schools in the community.
Education	P17.15 Continue to mitigate the impacts of growth by assessing school impact fees and other appropriate mitigation measures.
Education	P17.16 Support programs that foster coordination between the City and local school districts, colleges and universities to assess and mitigate project impacts pertaining to on- and off-campus development.
Education	P17.17 Support policies, projects and programs that recognize the Fullerton Library as a central element in Fullerton's citywide educational system.
Community Involvement	P18.1 Support programs that encourage local participation in regional planning, decision-making and activities that affect the City of Fullerton and its residents.
	P18.2 Support regional and subregional efforts to develop new outreach tools, such as a clearinghouse feature on cities' websites for use by other public entities and regional agencies (such as school districts, universities, neighborhood organizations, transportation agencies, etc.) to post notices of items under their jurisdiction.
Community Involvement	P18.3 Support policies, projects, programs and regulations that maximize opportunities for public participation in
Community Involvement	planning and decision-making processes pertaining to community development and design, including outreach to members of underrepresented communities.
Community Involvement	 P18.4 Support policies and programs that support opportunities for volunteerism and engagement of community members in civic activities. P18.5 Support policies, programs and regulations that maintain transparency in municipal operations and
Community Involvement	decision-making by being clear about City objectives and providing access to information, City staff and decision makers.P18.6 Support policies, projects, programs and regulations that take all feasible steps to ensure that everyone
Community Involvement	interested in participating in community forums has the materials necessary to contribute to informed decisions.
Community Involvement	P18.7 Support policies and programs that facilitate full representation of Fullerton's diverse community on City committees and commissions. P18.8 Support policies and programs that provide and promote opportunities for low- or no-cost meeting rooms
Community Involvement	in City facilities for community groups and local organizations as incentives for strengthening community engagement.
Community Involvement	P18.9 Support policies and programs that engage youth in City governance through opportunities such as internships and having youth representatives on public bodies.
Community Involvement	P18.10 Support policies and programs to review and update the City's noticing requirements and consider the use of websites, automatic telephone calling systems, email distribution lists, text messaging and other innovative features to provide better access to information.
Community Involvement	P18.11 Support policies standardizing the issuance of press releases for major planning efforts and development projects in order to provide information to the Fullerton community and to encourage community involvement at workshops and hearings.
	P18.12 Support policies and programs that encourage neighborhood involvement by engaging neighborhood organizations and homeowner associations (HOAs) in projects affecting their particular area.
Community Involvement	
Community Involvement	P18.13 Support policies programs and regulations that strengthen the efforts of neighborhoods and districts to become self-reliant when it comes to solving area problems.
Community Involvement	P18.14 Support policies, projects, programs, and regulations that uphold the scheduling of community meetings at locations and times convenient for community members desiring to provide input.
	P18.15 Support policies, programs and regulations that maximize opportunities for early notification of proposed projects, or projects/issues under consideration, using the most current technologies as they become available.
Community Involvement	P19.1 Support regional and subregional efforts to ensure that an adequate water supply, including groundwater,

GLOSSARY OF	THE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA	POLICIES
Water	P19.2 Support regional and subregional efforts to promote water efficiency and conservation.
	P19.3 Support projects, programs, policies and regulations to encourage the use of new technologies which
Water	reduce water use.
Water	P19.4 Support projects, programs, policies and regulations to maintain adequate quantities of water, including
Wator	groundwater, available to the City now and in the future.
Water Water	P19.5 Support projects, programs, policies and regulations to ensure the quality of the water supply.
water	P19.6 Support projects, programs, policies and regulations to evaluate ways to conserve and reduce water use as part of community-based planning of Focus Areas.
	 P19.7 Support projects, programs, policies and regulations to encourage water efficient practices in site and
Water	building design for private and public projects.
Water	P20.1 Support regional and subregional efforts to support functional and healthy watersheds.
Water	P20.2 Support regional and subregional efforts to support cleaner and reduced urban runoff.
	P20.3 Support projects, programs, policies and regulations to reduce impacts to watersheds and urban runoff
Water	from the improper handling and disposal of commercial products.
Water	P20.4 Support projects, programs, policies and regulations that support a functional and healthy watershed
	within neighborhoods and districts.
Water	P20.5 Support projects, programs, policies and regulations to encourage site and infrastructure improvements
	within the City's Focus Areas to support cleaner and reduced urban runoff.
	P20.6 Support projects, programs, policies and regulations to reduce impacts to watersheds and urban runoff
Water	caused by private and public construction projects.
Water	P20.7 Support projects, programs, policies and regulations to reduce impacts to watersheds and urban runoff
	caused by the design or operation of a site or use.
	P21.1 Support regional and subregional efforts to improve the alignment of housing options and employment
Air Quality & Climate Change	opportunities to reduce commuting.
	P21.2 Support regional and subregional efforts to promote a transportation system coordinated with air quality
Air Quality & Climate Change	improvements.
	P21.3 Support regional and subregional efforts to implement programs that regulate pollution across
Air Quality & Climate Change	jurisdictions, particularly where the source is not under the City's authority.
	P21.4 Support projects, programs, policies and regulations to promote a balance of residential, commercial,
	industrial, recreational and institutional uses located to provide options to reduce vehicle trips and vehicle miles
Air Quality & Climate Change	traveled.
	P21.5 Support projects, programs, policies and regulations to reduce impacts to air quality from the improper
Air Quality & Climate Change	handling and disposal of commercial products.
	P21.6 Support projects, programs, policies and regulations to reduce impacts to air quality caused by private and
Air Quality & Climate Change	public construction projects.
Air Quality & Climata Change	P21.7 Support projects, programs, policies and regulations to reduce impacts to air quality caused by the design
Air Quality & Climate Change	or operation of a site or use. P22.1 Support regional and subregional efforts to reduce greenhouse gas emissions associated with
	transportation through land use strategies and policies, transportation system improvements, and transportation
Air Quality & Climate Change	demand management programs.
All Quality & Cliniate Change	P22.2 Support regional and subregional efforts to reduce greenhouse gas emissions associated with electrical
	generation through energy conservation strategies and alternative/renewable energy programs.
Air Quality & Climate Change	Selection through energy conservation strategies and alternative/renewasic energy programs.
	P22.3 Support regional and subregional efforts to reduce greenhouse gas emissions associated with water
Air Quality & Climate Change	conveyance through water conservation strategies and alternative supply programs.
	P22.4 Support regional and subregional efforts to reduce emissions associated with solid waste through
Air Quality & Climate Change	increased recycling programs and reduced waste strategies.
	P22.5 Support projects, programs, policies and regulations to use technology whenever feasible to minimize
Air Quality & Climate Change	travel for City meetings and trainings.
· · · · · ·	P22.6 Support projects, programs, policies and regulations to reduce greenhouse gas emissions from waste
Air Quality & Climate Change	through improved management of waste handling and reductions in waste generation.
	P22.7 Support projects, programs, policies and regulations to address climate change impacts relevant to the City
	as an inland community, including rises in average and extreme temperature, less annual precipitation, more
	flooding during El Niño seasons, increased power outages and higher levels of smog.
Air Quality & Climate Change	
	P22.8 Support projects, programs, policies and regulations to coordinate future community-based planning
	efforts of the Focus Areas for consistency with the SCAG Sustainable Communities Strategy and Orange County
Air Quality & Climate Change	Sustainable Communities Strategy.

	0	GLOSS	ARY OF T	HE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
	TOPIC	AREA		POLICIES
				P22.9 Support projects which voluntarily desire to implement site and/or building design features exceeding
Air Qualit	ty & Clim	ate Ch	ange	minimum requirements to reduce project greenhouse gas emissions.
Integrate	d Waste	Manag	gement	P23.1 Support regional and subregional efforts to increase recycling, waste reduction, and product reuse.
Integrate	d Waste	Mana	gement	P23.2 Support projects, programs, policies and regulations to promote safe handling and disposal by households, businesses and City operations of solid waste which has specific disposal requirements.
Integrate	d Waste	Mana	gement	P23.3 Support projects, programs, policies and regulations to promote practices to reduce the amount of waste disposed in landfills.
Integrate	d Waste	Manag	gement	P23.4 Support projects, programs, policies and regulations to expand source separation and recycling opportunities to all households, businesses and City operations.
Integrate	d Waste	Manag	gement	P23.5 Support projects, programs, policies and regulations to develop neighborhood-serving, State-certified
				recycling facilities in neighborhoods and districts.
Integrate	d Waste	Manag	gement	P23.6 Support projects, programs, policies and regulations to evaluate ways to increase recycling and product reuse and reduce waste as part of community-based planning of Focus Areas.
Integrate	d Waste	Manag	gement	P23.7 Support projects, programs, policies and regulations to consider project level solid waste management needs at the site and building design stages.
•	Space	and	Natural	P24.1 Support projects, programs and policies to coordinate with existing regional park districts, the private
Resource		and	Natural	sector and nonprofit institutions to manage and maintain regional open spaces.
Open S Resource	Space s	and	ivatural	P24.2 Support projects, programs and policies to encourage the establishment of land trusts to help preserve significant open space within the region.
	Space	and	Natural	P24.3 Support projects, programs, policies and regulations to increase access to and use of open space resources
Resource	•			while respecting the natural environment.
Open S Resource	Space s	and	Natural	P24.4 Support projects, programs, policies and regulations to ensure that, when natural topography allows, public open spaces are accessible to people of all abilities.
	Space	and	Natural	P24.5 Support projects, programs, policies and regulations to preserve areas of open space sufficient to meet the
Resource			Not col	long-range needs of the City.
Open S Resource	Space	and	Natural	P24.6 Support projects, programs, policies and regulations to manage open space watersheds to limit potential fire and erosion hazards.
	Space	and	Natural	P24.7 Support projects, programs, policies and regulations to create open space as funding and other opportunities become available.
Open S	Space	and	Natural	P24.8 Support projects, programs, policies and regulations to preserve the environmentally sensitive areas of
Resource				public open spaces.
Open S Resource	Space s	and	Natural	P24.9 Support projects, programs, policies and regulations to encourage diverse, environmentally-sensitive, passive open spaces.
•	Space	and		P24.10 Support projects, programs, policies and regulations to promote recreational trails and the bikeway
Resource				system to link open spaces to public areas and neighborhoods.
Open S Resource	Space s	and		P24.11 Support projects, programs, policies and regulations to evaluate increasing urban and natural open spaces as part of community-based planning of Focus Areas.
	Space	and		P24.12 Support projects, programs, policies and regulations to limit the construction of facilities in open space
Resource	es.			areas and to design necessary improvements, such as fire roads, access roads, and parking facilities, to minimize
				environmental impacts and maintain the visual qualities of the open space.
Open S Resource	Space s	and	Natural	P24.13 Support programs, policies and regulations to require maintenance of environmentally-sensitive areas by qualified/trained personnel and/or contractors.
	Space	and	Natural	P25.1 Support regional and subregional efforts to conserve habitat for sensitive species and plant communities.
	Space	and	Natural	P25.2 Support projects, programs, policies and regulations to preserve the City's public creeks and lakes such as
Resource	25			Tri City Lake, Bastanchury Greenbelt Creek, and Laguna Lake; pursue collaborative efforts to restore channelized portions of Brea Creek and Fullerton Creek. (See Chapter 16: Water for related policies and actions.)
Open S Resource	Space s	and		P25.3 Support projects, programs, policies and regulations to comprehensively plan for, manage and promote trees throughout the City.
Open S	Space	and	Natural	P25.4 Support projects, programs, policies and regulations to promote and encourage residents and visitors to
Resource	2S			respect the natural environment of wildlife inhabiting and/or migrating to the City's open spaces.
Open S Resource	Space s	and	Natural	P25.5 Support projects, programs, policies and regulations to manage development in areas containing significant or rare biological resources.

		GLOSS	ARY OF T	HE FULLERTON PLAN POLICIES IDENTIFIED IN "GENERAL PLAN ELEMENT SECTION/SUBSECTION"
TOPIC AREA				POLICIES
Open	Space	and	Natural	P25.6 Support projects, programs, policies and regulations to preserve and enhance established conservation
Resources				areas.
Open	Space	and	Natural	P25.7 Support projects, programs, policies and regulations to consider and mitigate project level impacts to
Resources			sensitive habitat areas at the site and building design stages.	
Open	Space	and	Natural	P25.8 Support projects, programs, policies and regulations to consider and mitigate project level impacts to
Resources				public waterways at the site and building design stages.
Natural Hazards				P26.1 Support projects, programs, policies and regulations to coordinate planning for and response to natural
				disasters with other agencies within the region.
Natura	l Hazards			P26.2 Support projects, programs, policies and regulations to prepare to respond to natural disasters to the best
				of the City's ability.
Natura	l Hazards			P26.3 Support projects, programs, policies and regulations to consider natural hazard risks and mitigation as part
				of community-based planning of Focus Areas.
Natural Hazards P26				P26.4 Support projects, programs, policies and regulations to discourage or limit development within areas that
				are vulnerable to natural disasters, particularly in areas with recurring damage and/or the presence of multiple
				natural hazards.
Natural Hazards P26.5				P26.5 Support projects, programs, policies and regulations to utilize hazard specific development regulations to
				mitigate risks associated with identified potential natural hazards, including flooding, wildland fires, liquefaction,
				and landslides when development does occur.
