DISCUSSION

As part of ongoing efforts to increase transparency and accessibility related to City business, staff provides this quarterly report listing all professional services agreements filed with the City Clerk's Office during the preceding three months. City Council approves the majority of professional service agreements, however, the City Manager and Department Directors may approve agreements with a dollar amount falling within their signature authority, if budgeted by City Council. Staff digitizes these professional service agreements and makes them accessible to the public in the City's Document Archive located on the City's website. The attached report includes links to individual agreements.
