DISCUSSION

On March 16, 2021, City Council added two at-large members to the following committees and commissions: Active Transportation Committee, Investment Advisory Committee, Parks and Recreation Commission and the Transportation and Circulation Commission.

The City Clerk's Office accepted applications for the new at-large positions through May 21, 2021. Per the Municipal Code, the Mayor, Council Member Jung and Committee Chairs interviewed at large-applicants and will make their recommendations for appointment at the June 1, 2021 meeting.

To ensure continuity on the committees and a robust applicant pool for future appointments, staff recommends setting terms for the initial appointments to expire on December 31, 2025 and set all subsequent appointment to four year terms. This will schedule most of the at-large appointments to occur in different years than the direct appointments.

The City Clerk's Office has forwarded copies of the committee applications received to City Council.
