1. PROBLEM STATEMENT

The Fullerton Police Department consistently ranks toward the top, countywide, for DUI arrests (typically in the top 95th percentile with 556 DUI arrests in 2019), and, sadly, the City also experienced 8 traffic-related fatalities in calendar year 2019, down from a record high in 2018 which had 14 traffic related fatal crashes. Although down from the previous year, the high amount of fatal crashes, in conjunction with a consistently high number of DUI arrests both point to the absolute need for the continuation of OTS-funded traffic/pedestrian safety enforcement and education operations to combat the serious DUI and traffic-related problems in the City. The popular Downtown Fullerton area is home to over 61 ABC-licensed restaurants and bars within 6 square blocks, frequented by anywhere from 5,000 to 8,000 patrons on a single Friday night alone. The City of Fullerton is also home to five colleges and universities with a student population of at least 65,000 and still growing, which significantly increases the actual number of people driving (and potentially drinking and using drugs while driving) in Fullerton. As such, Fullerton ranked 10th out of 59 like cities in 2018 for nighttime crashes resulting in injury or death, further evidence of an active, high-risk night life in the City. While more recent OTS ranking data is not yet available, the Fullerton data does show that, with 8 traffic-related fatalities and 1002 injuries resulting from traffic crashes in 2019, OTS-funded operations are critically needed in order to keep our community safe.

Since Downtown Fullerton is a magnet for nighttime activity, it's entirely possible that many potential DUI drivers may begin the evening in Fullerton, and then may be stopped later by police, or get in crashes, in other cities, and vice versa. Therefore, looking at Orange County statistical data to fully understand the traffic and DUI-related problems facing our community is important in order to gain a better understand of the issues. Overall, 2018 data shows that Fullerton ranked 20th out of 59 similar cities for total fatalities and injuries, and Orange County as a whole was not much better, with a ranking of 22 out of 58 counties. Additionally, since 2017 there have been 40 deaths associated with traffic crashes in the City of Fullerton. According to 2018 data, roughly 10% of crashes with injuries or fatalities in both Fullerton and the County of Orange involved alcohol, a number that was higher than approximately 70% of the other cities and counties in the State of California. Clearly a DUI problem not only exists in Fullerton and the surrounding communities, but it *persists* and must be addressed through proactive enforcement and educational means.

Potentially due in large part to the active Downtown Fullerton area as well as the large student population, pedestrian and bicyclist injuries and fatalities in Fullerton are high and must also be addressed via proactive enforcement and educational operations aimed at reducing the number of pedestrians and bicyclists injured and killed on our roadways. In 2018, Fullerton ranked 8th out of 59 cities in pedestrian injured and killed, and 12th out of 59 cities in bicyclists injured and killed, numbers that have continued to increase as our population increases, and social issues such as homelessness and associated impacts related to it only increase, year after year.

Lastly, the City of Fullerton and many other Orange County agencies have seen in influx in street racing along with intersection and parking lot takeovers with hundreds of vehicles involved at a time. With our current staffing levels, we do not have the ability to partner with surrounding Orange County agencies to address the street racing and takeover issues. Currently, several Orange County Agencies deploy each weekend and conduct enforcement operations to curtail racing and intersection takeovers in their respective cities. Fullerton PD would benefit from OTS funded collaborative PCF operations to hinder further street racing and intersection takeovers in our City.

B. Objectives: 1. Issue a press release announcing the kick-off of the grant by November 15. The kick-off press releases and media advisories, alerts, and materials must be emailed to the OTS Public Information Officer at pio@ots.ca.gov , and copied to your OTS Coordinator, for approval 14 days prior to the issuance date of the release.	Target Number 1
2. Participate and report data (as required) in the following campaigns, National Walk to School Day, National Teen Driver Safety Week, NHTSA Winter Mobilization, National Distracted Driving Awareness Month, National Motorcycle Safety Month, National Bicycle Safety Month, National Click it or Ticket Mobilization, NHTSA Summer Mobilization, National Child Passenger Safety Week, and California's Pedestrian Safety Month.	10
3. Develop (by December 31) and/or maintain a "HOT Sheet" program to notify patrol and traffic officers to be on the lookout for identified repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. Updated HOT sheets should be distributed to patrol and traffic officers monthly.	12
4. Send law enforcement personnel to the NHTSA Standardized Field Sobriety Testing (SFST) (minimum 16 hours) POST-certified training.

10. Conduct DUI/DL Checkpoints. A minimum of 1 checkpoint should be conducted during the NHTSA Winter Mobilization and 1 during the Summer Mobilization. To enhance the overall deterrent effect and promote high visibility, it is recommended the grantee issue an advance press release and conduct social media activity for each checkpoint. For combination DUI/DL checkpoints, departments should issue press releases that mention DL's will be checked at the DUI/DL checkpoint. Signs for DUI/DL checkpoints should read "DUI/Driver's License Checkpoint Ahead." OTS does not fund or support independent DL checkpoints. Only on an exception basis and with OTS pre-approval will OTS fund checkpoints that begin prior to 1800 hours. When possible, DUI/DL Checkpoint screeners should be DRE- or ARIDE-trained.	5
11. Conduct DUI Saturation Patrol operation(s).	80

20. Conduct highly visible collaborative Traffic Enforcement operations	4
3. METHOD OF PROCEDURE A. Phase 1 – Program Preparation (1st Quarter of Grant Year) - The department will develop operational plans to implement the “best practice” strategies outlined in the objectives section. - All training needed to implement the program should be conducted this quarter. - All grant related purchases needed to implement the program should be made this quarter. - In order to develop/maintain the “Hot Sheets,” research will be conducted to identify the “worst of the worst” repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. The Hot Sheets may include the driver’s name, last known address, DOB, description, current license status, and the number of times suspended or revoked for DUI. Hot Sheets should be updated and distributed to traffic and patrol officers at least monthly. - Implementation of the STEP grant activities will be accomplished by deploying personnel at high crash locations. <u>Media Requirements</u> - Issue a press release approved by the OTS PIO announcing the kick-off of the grant by November 15, but no sooner than October 1. The kick-off release must be approved by the OTS PIO and only distributed after the grant is fully signed and executed. If you are unable to meet the November 15 deadline to issue a kick-off press release, communicate reasons to your OTS coordinator and OTS PIO.	
B. Phase 2 – Program Operations (Throughout Grant Year) - The department will work to create media opportunities throughout the grant period to call attention to the innovative program strategies and outcomes. <u>Media Requirements</u> - The following requirements are for all grant-related activities - Send all media advisories, alerts, videos, graphics, artwork, posters, radio/PSA/video scripts, storyboards, digital and/or print educational materials for grant-related activities to the OTS PIO at pio@ots.ca.gov for approval and copy your OTS coordinator. Optimum lead time would be 7 days before the scheduled release but at least 3 business days prior to the scheduled release date for review and approval is appreciated. - The OTS PIO is responsible for the approval of the design and content of materials. The agency understands OTS PIO approval is not authorizing approval of budget expenditure or cost. Any cost approvals must come from the Coordinator. - Pre-approval is not required when using any OTS-supplied template for media advisories, press releases, social media graphics, videos or posts, or any other OTS-supplied educational material. However, copy the OTS PIO at pio@ots.ca.gov and your OTS coordinator when any material is distributed to the media and public, such as a press release, educational material, or link to social media post. The OTS-supplied kick-off press release templates and any kickoff press releases are an exception to this policy and require prior approval before distribution to the media and public. - If an OTS-supplied template, educational material, social media graphic, post or video is substantially changed, the changes shall be sent to the OTS PIO at pio@ots.ca.gov for approval and copy to your OTS Coordinator. Optimum lead time would be 7 days prior to the scheduled release date, but at least 3 business days prior to the scheduled release date for review and approval is appreciated.	

- Press releases, social media posts and alerts on platforms such as NextDoor and Nixle reporting immediate and time-sensitive grant activities (e.g. enforcement operations, day of event highlights or announcements, event invites) are exempt from the OTS PIO approval process. The OTS PIO and your Coordinator should still be notified when the grant-related activity is happening (e.g. car seat checks, bicycle rodeos, community presentations, DUI checkpoints, etc.).
- Enforcement activities such as warrant and probation sweeps, court stings, etc. that are embargoed or could impact operations by publicizing in advance are exempt from the PIO approval process. However, announcements and results of activities should still be copied to the OTS PIO at pio@ots.ca.gov and your Coordinator with embargoed date and time or with "INTERNAL ONLY: DO NOT RELEASE" message in subject line of email.
- Any earned or paid media campaigns for TV, radio, digital or social media that are part of a specific grant objective, using OTS grant funds, or designed and developed using contractual services by a subgrantee, requires prior approval. Please send to the OTS PIO at pio@ots.ca.gov for approval and copy your grant coordinator at least 3 business days prior to the scheduled release date.
- Social media posts highlighting state or national traffic safety campaigns (Distracted Driving Month, Motorcycle Safety Awareness Month, etc.), enforcement operations (DUI checkpoints, etc.), or any other grant-related activity such as Bicycle rodeos, presentations, or events, are highly encouraged but do not require prior approval.
- Submit a draft or rough-cut of all digital, printed, recorded or video material (brochures, posters, scripts, artwork, trailer graphics, digital graphics, social posts connected to an earned or paid media campaign grant objective) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval prior to the production or duplication.
- Use the following standard language in all press, media, and printed materials, space permitting: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Space permitting, include the OTS logo on all grant-funded print materials, graphics and paid or earned social media campaign grant objective; consult your OTS Coordinator for specifics, format-appropriate logos, or if space does not permit the use of the OTS logo.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 21 days in advance, or when first confirmed, a short description of any significant grant-related traffic safety event or program, particularly events that are highly publicized beforehand with anticipated media coverage so OTS has sufficient notice to arrange for attendance and/or participation in the event. If unable to attend, email the OTS PIO and coordinator brief highlights and/or results, including any media coverage (broadcast, digital, print) of event within 7 days following significant grant-related event or program. Media and program highlights are to be reflected in QPRs.
- Any press releases, work plans, scripts, storyboards, artwork, graphics, videos or any educational or informational materials that received PIO approval in a prior grant year needs to be resubmitted for approval in the current grant year.
- Contact the OTS PIO or your OTS Coordinator for consultation when changes from any of the above requirements might be warranted.

C. Phase 3 – Data Collection & Reporting (Throughout Grant Year)

1. Prepare and submit invoice claims (due January 30, April 30, July 30, and October 30)
2. Prepare and submit Quarterly Performance Reports (QPR) (due January 30, April 30, July 30, and October 30)
 - Collect and report quarterly, appropriate data that supports the progress of goals and objectives.
 - Provide a brief list of activity conducted, procurement of grant-funded items, and significant media activities. Include status of grant-funded personnel, status of contracts, challenges, or special accomplishments.
 - Provide a brief summary of quarterly accomplishments and explanations for objectives not completed or plans for upcoming activities.
 - Collect, analyze and report statistical data relating to the grant goals and objectives.

4. METHOD OF EVALUATION

Using the data compiled during the grant, the Grant Director will complete the "Final Evaluation" section in the fourth/final Quarterly Performance Report (QPR). The Final Evaluation should provide a brief summary

of the grant's accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

5. ADMINISTRATIVE SUPPORT

This program has full administrative support, and every effort will be made to continue the grant activities after grant conclusion.
