**4. TENNIS CENTER AND FULLERTON COMMUNITY CENTER GYMNASIUM
FEE RESOLUTION**

Parks and Recreation Supervisors John Clements and Ricardo Veloz gave a PowerPoint presentation giving facts about the facilities and showed the results of a market study comparing Fullerton facilities with neighboring cities.

Commissioner Lloyd and Commissioner Lindstrom had questions about who uses the Tennis Center, the times the center is open for use, and if schools pay to use the facility.

Chair Wehn asked if any of the courts would be converted to a pickle ball court. Supervisor Clements let the Chair know the Fullerton Community Center is currently offering pickle ball and will then decide if a tennis court will be converted.

Deputy Director Loya added that the fees at the Fullerton Community Center Gymnasium have not increased since it opened.
