### MISCELLANEOUS STORM DRAIN IMPROVEMENTS ON SHEPPARD DRIVE AND MIRAMAR DRIVE

Recommendation by the Public Works Department:

1. Approve plans and specifications for Miscellaneous Storm Drain Improvements on Sheppard Drive and Miramar Drive Project.
2. Approve \$240,000 budget transfer of Drainage Capital Fund from Project 52590 Miscellaneous Storm Drain Improvements 2018-19 to Project 52588 Miscellaneous Storm Drain Improvements on Sheppard Drive and Miramar Drive.
3. Ratify \$80,200 construction contract between Dominguez General Engineering and City of Fullerton.
4. Approve \$164,360 construction contract between Nu Line Technologies and City of Fullerton, in a form approved by the City Attorney.
5. Authorize Public Works Director to approve any future change orders for construction and professional engineering construction support services within approved project budget.
